

RETREAT CRAFT FAIR
2018 New Mexico District Ladies Retreat
April 13-15, 2018

INFORMATION

We are really excited about our upcoming Craft Fair at our District Ladies Retreat next spring. We are moving our craft fair to the Fireplace Room in Morris Center. This way our crafters will be able to have their tables open during meal time and after the evening services. We are also planning on having our Silent Auction in the Fireplace Room.

Because of a somewhat limited space we really will have to enforce the rule of first come-first served. This means that I will have to have a cut-off date for requesting your table and have in hand your Craft Fair Registration form. **The deadline for submitting your request for a craft table will be April 6, 2018.** I plan to send you a Confirmation Notice of your request for a table. That way you will know that you have your table reserved and can count on it being ready for you when you get to the retreat.

Think outside of the box when it comes to your craft table. Remember this is not a garage sale. Nor, because of state health laws we can not have homemade goodies for sale. And this year, I will really have to enforce the rule about only one vendor from Avon, Tupperware, Mary Kay, etc. So, the earlier you get your request in the better it will be for you.

You will be able to set up your table on Friday, April 13th. Come to the Registration Table in the Tabernacle to get your table assignment BEFORE you take your crafts to Morris Center.

COST: \$10.00 per table

Please complete a registration form and email it to Dorothy Rogers, rdano101@yahoo.com or mail it to P.O. Box 1513, Capitan, NM 88316. **REMEMBER** I must have this by April 6, 2018.

DO NOT SEND YOUR PAYMENT TO DOROTHY. You may pay for your table when you arrive at the retreat or send it with your retreat registration.

Retreat Registration begins at 1:00PM MDT on Friday, April 13, 2018.

You may call me if you have any questions at 575-937-2860.

Looking forward to hearing from you and seeing you at our retreat.

Because of our very limited space we will probably have to limit the number of tables to ONE (1) per vendor. So if you need more you will probably have to partner with another vendor. Let me know if you need to be assigned to a table next to some other crafter.
