WE BELIEVE

1

In one God—the Father, Son, and Holy Spirit

2

That the Old and New Testament Scriptures given by plenary inspiration contain all truth necessary to faith and Christian living.

3

That man is born with a fallen nature, and is, therefore, inclined to evil, and that continually.

4

That the finally impenitent are hopelessly and eternally lost.

5

That the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.

6

That believers are to be sanctified wholly, subsequent to regeneration

7

That the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.

8

That our Lord will return, the dead will be raised, and the final judgement will take place.

DISTRICT REPORTS

DISTRICT SUPERINTENDENT'S REPORT

Dr. Larry Lacher, District Superintendent

Greetings friends and family of the New Mexico District. Today I offer you my first ever report as your District Superintendent.

I'm sure there were times in my life when I imagined what it might be like to be a district superintendent. By the time I had been in the ministry five years, I was given the opportunity to serve in various leadership positions in the church that brought me into regular contact with some amazing leaders who have poured into my life, trying to prepare me for the day when I might take the reins of leadership. While all my superintendents have been outstanding men of God, I have been particularly privileged to learn "the ropes" of leadership and the character of a leader from Allan Dace, Jim Spruce, and Fred Huff. These three men oversaw thirty of my thirty-seven years of pastoral ministry, trusted me with leadership opportunities, and modeled for me what great leadership is about. I hope, one day, to be able to express in my own leadership the best of the lessons that they taught and modeled. Mostly, I am grateful to you for the confidence you have expressed in me by asking me to be your district leader.

Still, with all their mentoring, I'm sure I never really imagined what it would be like to actually be the district superintendent. I knew there would be a lot of work, problems to handle, administration to be done, and zillions of meeting to attend. What I did not imagine was the sheer delight I would have in getting to be with our pastors and churches and being able to see first-hand all the amazing work and ministry they do. In the course of my first year as your superintendent, I made it my aim to be with every pastor and to visit every church on the district. I have, in fact, had the opportunity to spend time with nearly every pastor on the district and to visit nearly every church on the district in some capacity. The last few scheduled visits were interrupted by the Coronavirus, though, so I owe a few an in-person visit.

In these visits, what I have observed is the many remarkable and creative ways that our New Mexico District churches are connecting the ministry of the Kingdom to the people that they serve. Those remarkable ministries include everything from food programs, thrift stores, and other acts of service and compassion, to twelve-step programs, veterans' programs, daycares, and many other community service activities. Your churches are so much more than a Sunday gathering. They are a gathering and sending army of God, seeking to express the life of the Kingdom in every way, age, and language you can imagine. It is an incredible privilege for me to be given this front-row seat to the life of the church and Kingdom in New Mexico and far west Texas.

Never has this creativity and ingenuity been more tested than during the Coronavirus pandemic. It has been over twelve weeks since I had to do something that I never thought I would have to do in my life. I had to instruct all the churches on the New Mexico District to close their doors

and not to hold public services. This choice was gut-wrenching for all of us; but, it was necessitated for the safety of everyone that we love. Undaunted, you determined that the church would go on. Most of you found ways to broadcast your services using Facebook live, YouTube, or a video posted on your webpage. Others conducted live drive-in services each week as a way to gather using social distancing. Some also used low-tech solutions like mailings and telephone calls. One pastor of a small church called each of his people every week and shared a devotional with them over the phone.

You also found ways to conduct Sunday School classes, small groups, Bible studies, prayer services, children's activities, Wednesday night services, and a variety of other connectional activities that created probably more regular connection with everyone in the church than we used to do.

It has been challenging and exhausting for our leaders. Yet, you have continued to be the church. Your compassionate service has continued with new social isolation standards. You have fed the hungry, provided needed clothing, worked together in new ways, and found new robust ways to continue the mission of the church in an environment in which "normal church" was not permitted.

Who would have imagined that there would come to be a time when we would be allowed to go to church under the condition that we share no handshakes, no hugs, no food, no fellowship? Who would have imagined that we would be happy to gather in a parking lot – just to see each other? And who would have imagined that the internet would be completely swamped with the gospel every day? I have heard many stories of people coming to faith and people coming back to church because the church was forced to exit the building and the trappings of community and find ways to be in the living rooms of people all around the world.

Never have I been so proud of all the churches on the New Mexico District. I am so thankful that God gave me this box seat to see the Church at work this year. While it could be easy to focus on the challenges that we have as a district in terms of finances, attendance, or programs, I have seen an entirely different story this year. What I have seen is a collection of churches that are determined to find ways to touch people with the love of Jesus and the message of holiness regardless of the cost or challenges involved.

Speaking of pride, I want to say how proud I am of Rev. Doctor Erika Hasenauer who completed her Doctor of Ministry degree in Spanish through Nazarene Theological Seminary. She also had to face the Coronavirus challenge by defending her project, *Attitudes and Practices Towards Undocumented Immigration in the South U.S.-Mexico Border. Pastoral Approach*, via zoom. Erika is also a medical doctor from Mexico, although she is not licensed to practice in the U.S. Thus, she is well trained in the cure of both body and soul.

One of our biggest challenges as a district has been to restore its financial health. During the transition, the District Advisory Board and District Finance Sub-Committee came to the District Reports

realization that our spending was greatly out of proportion to our income and had been for some time. As a result, district reserves had been reduced to nearly zero. It was clear that we were in real trouble and that the pattern of spending could not be continued. As I came into this job, it was my responsibility to present a balanced budget to the DAB that began to restore all fund balances and develop a habit of putting money in savings for special needs as they arise. To make this happen, there were significant cuts and sacrifices in every area of the district budget. Personally, I received a much-reduced package from that of my predecessor. We also eliminated the position of office secretary. Larry Fry also took a significant reduction and his responsibility of District Administrator was deleted. Every pastor that was receiving district support has been taken off support over the course of the year as well. Each auxiliary group had to learn to live on less income as well. Similarly, we made cuts in nearly every area of district operations, reversing the trend of over-spending.

Of course, most of you are making sacrifices to serve the Kingdom as well. The majority of our pastors are bi-vocational, many serving without any salary or support from their churches. Most of the rest are not paid well, many going without health insurance or retirement support. I recognize that churches can't spend what they don't have, but I want to encourage every church to care for their pastors as well as possible – as well as they would like to be cared for by their employers. Everyone is doing the best they can with what they have, and we are trying to help wherever we can. As an example, Sue Hutchison has volunteered to help in the district office a few hours per week. I say that not because she wants any recognition, but to let you know that if she contacts you on my behalf, she actually has my permission to do so. I also have to express my appreciation to Linda Brooks and Dawna Berkompas for their clerical help through the year and Bonita Park staff for many ways they have come along beside me and the district during these days of transition. Ellan Anderson also stepped up to edit the district website.

As a result, for the first time in who knows how long, we actually spent less than we received to the tune of over \$13,000. That money, along with a \$20,000 donation from Carlsbad Church Street has gone into a savings account that we have established in order to separate reserved funds from the working account. Had we received all anticipated budget payments, that savings would be even greater.

As Larry Fry will share later, we have reduced the district budget by another \$30,000 this year, anticipating a Coronavirus reduction in district income. Still, we have budgeted some dollars into savings. Eventually, of course, our plan is to have money to use for church planting/extension. We must begin a season of expansion again. There are too many opportunities to reach the unchurched to worry only about maintaining our own ministries. In the end, I must say to you that it is imperative that each and every church is faithful with the payment of your district budget. We have been faithful stewards of the dollars entrusted to us, but we are at bare bones. There is not a pot of money somewhere for the district to depend on. We depend on your faithfulness, each and every month, just to keep the bills paid. I need and expect you to do your part.

This year, I asked each of our pastors to write a 3-2-1 report to be included in the Assembly booklet. Each pastor was to list three things that they are proud of that has happened in their church this year, two things that they are praying about, and one great idea that they hope to see fulfilled in the coming year.

A few of the churches that have taken the lead in this year include:

We have one church that is receiving a special award this year, again: The General Superintendent's Growth Award. I am sure that Dr. Crocker will have something to say to Pastor Dr. Pete Myers in presenting the award; however, I want to say something at this point. You have probably noticed that Sandia receives this award year after year. The primary reason is that they are committed to planting churches. If you look in the back of the handbook and see the list of Parent Affiliated Congregations, PACs, you will note that most of them are affiliated with Sandia. I am so pleased with the vision of Dr. Myers who is committed to the idea of starting churches that start churches. Of course, there are others. Graciela Ramos, Hector and Susan Torres, Magdalena Moreno, and Chuck Parish are leading church plants that function on their own without a parent. These are known as Church-Type Missions, or CTMs. Heights First has two PACs; Hobbs First, Holiday Park, and Angus each have one.

I want to challenge each church to think about how you will start new churches as well. It doesn't require a lot of resources to plant a church. What it requires is a realization that there are people in your communities that your church will never reach in its current form and a desire to design some sort of ministry that will reach them. Some of those ministries will grow up into independent and healthy churches. Others will not and some will fail. What we do know is that the most effective way of reaching lost and broken people with the love of Jesus is to start new works and plant new churches.

If I have preached in your church this year, you have heard me share with you my desire that God would bring an awakening to the New Mexico District. That awakening needs to spawn new Missional seriousness in our churches. It needs to reenergize our churches throughout the district for growth and missional impact. It needs to spawn a new determination to plant churches throughout our district, but especially in Texas, where I believe we need forty churches, beginning at the border and following the Rio Grande to the south. Furthermore, there is much territory to capture for Jesus in the growing areas of the district, especially in Sandoval and Dona Ana Counties. I am anxious to work in partnership with the Southwest Latin District to plant Spanish language churches and with the Southwest Native American District to resource ministry to the tribal peoples in our District. There is much Kingdom work to be done and we need to seek every means possible to reach those around us with the news of salvation leading to a holy life and a present relationship with God.

If that movement is going to happen again in the New Mexico District, it must be fueled by the same fire that fueled it in the first place. We cannot program awakening. We cannot manage an outpouring. God cannot be managed any more than we can manage the downpours that fill our arroyos that carve out new waterways. However, in the same ways that we prepare for the sudden downpours by building channels and reservoirs that capture the flooding and preserve it, I am firmly convinced that there are things that we can and must do so that God's outpouring is captured, channeled, and preserved.

If I have preached in your church this year, I have talked to you about the four pillars of awakening. Time will not allow me today to re-preach that message. As a reminder, I have become convinced that God uses four activities in the local church to prepare the way for His manifest presence to be poured out. God does not pour out His presence for our sakes, primarily. God is not merely interested in the idea that we would have great gatherings that nurture and nourish our hearts. However, since it is only God who heals, saves, sanctifies, breaks chains, and restores lives, we absolutely need His presence to be poured out so that the benefits of the Kingdom can be received by those who attend our churches and ministries.

The four pillars on which God builds His kingdom are:

Deliberate Prayer

Corporate prayer is the fuel that powers the church. While I want to believe that each Nazarene on the New Mexico District has a productive personal prayer life that power their own lives, I have become convinced that the lack of power and effectiveness in our churches is attributable to the fact that we have quit praying together. In the same way that a prayerless Christian is a powerless Christian, a prayerless church is a powerless church. I believe that most of us got deceived into thinking that programs build the church, so we focused all our attention and resources to creating bigger and better events and programs. Yet, Jesus defined the church as “a house of prayer,” not a house of programs. Of all the mistakes I made as a pastor, the biggest one was not leading corporate prayer in my churches. I can also tell you that the most satisfying times I had in ministry were when I determined to lead my churches to pray. John Wesley reminds us, “God does nothing, but in answer to prayer.”

Several of our pastors have responded to my challenge by beginning prayer meetings in their churches. If you would like to know how to start one in your church, you may talk to Rick Hutchison, Nate Bienhoff, Alanna McDuff, Wayne Vaughn, Joshua Blea, or Chuck Parish for some pointers.

Passionate Throne-ward Worship

For my entire life, the church has been defined by its worship service. Since 1972, worship has been counted in the Church of the Nazarene as the primary time when we gather. Much of my education was built around designing strategies for attracting people to our worship services, so they could hear the gospel, get saved, and start coming to Sunday School. At the same time, I spent most of my ministry frustrated because I could not figure out the formula that made the people happy while attracting those outside the church who did not know our music and customs. I have mourned as I have seen church after church in our denomination explode into worship wars. Pastor X is invited to come and help the church to reach their community. So, Pastor X designs a new style of worship that is informed by what the big churches are doing. Worship becomes a sound and video show fueled by better coffee in the foyer café while sanctuaries are converted to auditoriums. The result is that the people who were there for whom the old ways won their hearts checked out or left and the people who were bored in their church came over to the updated church, while there was no net growth in the Kingdom.

Finally, it occurred to me to change focus. I asked, “What would happen if I started to be less concerned about attracting people to the church and was more concerned about attracting God?” After all, it is God who saves, heals, sanctifies, restores, and does whatever else people need. Jesus said that God is looking for those who worship in spirit and in truth. Again, I finally learned that making God the object of worship has produced my most satisfying years in ministry. When I come to church determined to worship at His Throne, I quit worrying about what I like or don’t like. Passionate throne-ward worship is the essence of Presence-based ministry. Oh, that the church would become again a place where God is present in His fullness to accomplish the life-changing effects of His Presence.

Churches that are working hard at throne-ward worship and Presence-centered ministry include most of you. The ones you might want to talk to for help in this area include Rebekah Bienhoff, Christine Moore, Dave West, Alanna McDuff, and Gavin Haynie.

Robust Discipleship

We Nazarenes are a holiness people. We believe that we are saved in order to be transformed. The goal of that transformation is Christlikeness. We believe that our disordered lives can be ordered and restored back to God’s original design for us in creation.

If that transformation is going to happen, we have to be committed to robust discipleship. The people who come to Christ under our ministries have to be trained to be disciples who make disciples. Paul said to the Galatians, “I am again in the pains of childbirth until Christ is formed in you.” Our responsibility is not simply to “get ‘em saved.” Our responsibility is to build people up into Christlikeness and to teach them to build others up. I’ll come back to this in a couple moments.

Engagement with the Broken around us

Here is where we have been at our best as a district. Virtually every church on the district has something in place to engage in the lives of broken people. It is really amazing to see. From daycare to end-of-life care. From ministry to the poor to ministry to those in recovery. From ministry to veterans to ministry to shut-ins. From food pantries to community gardens. Each church has found a niche of ministry that enables them to meet people who need to meet Jesus. I have been amazed to see what you all are doing.

If you need some direction in starting a ministry on your heart, someone on the district is probably already doing it. Talk to me and I’ll point you in the direction of someone who has some experience.

Yet, we must remember that these four pillars work together. Churches that excel in worship, but not prayer, find that there is excitement, but no power. Churches that engage the broken, but do not disciple them find that they are only nursing an open wound without really helping people to change. I have challenged churches to examine their activities and to find the short

slat, the weakest point, and commit to change there. If we can improve where we are weak, we will improve our entire ministry.

One way that I think COVID-19 has changed the church is that it has forced us to think about the church as a collection of small gatherings, rather than a single large gathering during the week. I believe that we are learning to make the church more agile, diffused, and present in the lives of people.

Jesus never commanded us to build large buildings that attract people so that they could come and engage in our programming and, maybe, get saved. Rather, he told us to go into the world and make disciples. I think Jesus would have us each ask the question of ourselves, “Am I a church-going-Christian, or am I a disciple who makes disciples?” Frankly, when you study the Church around the world, especially in areas where the church lives under oppression, the model that keeps the church expanding and effective is a disciple-centric model.

For years we have talked about the importance of disciple-making. We have learned to ask the question, “who are you discipling and who’s discipling you?” We are a Wesleyan church and we readily acknowledge that the success of John Wesley’s movement was established by two things: the right message and a robust pattern of small groups in which disciples made disciples.

So, for the coming year, we are going to focus on training our churches to become disciple-making organizations. The denomination, as you have heard, under the direction of our Superintendents and Scott Rainey, has geared up to resource us in this area...

Personally, the best approach to making disciples of Jesus has been the approach of Hal and Debi Perkins known as Discipled by Jesus. This coming Fall, Hal and Debi will be leading our Leadership Retreat, training our leaders in this process. If you cannot wait until then, talk to me or to Jan Sweeney. The Angus church has the most robust model of this disciple-making method on the district. People involved in DBJ would tell you that their experience of God’s presence in their daily lives has been magnified by learning to listen and obey – to walk as Jesus walked.

This past year has been a year of transition for all of us. I have been learning this job, and you have been learning me. I hope we are ready to press into our new year with hope, determination, commitment, and creativity. It will take all of that to thrive in the coming months. We may find that we will have to significantly re-invent the church in these days. I am confident in you and in our Lord. I know you will help us get better and better in reaching people for Jesus. I stand with you in the process so that together we can be better.

In His Service and yours,
Dr. Larry Lacher

FINANCE COMMITTEE

Larry G. Fry, Chairman

We, Dr. Lawrence Lacher, District Superintendent, Larry Fry, District Treasurer, Ken Weisheit, District Secretary, Sharla Parker, Michael Howe, Jordin West, Wayne Minyard, Bruce Haley, Bill Belgie, Rick Hutchison, Gregory Van Soest, Marco Sanchez, Nicole Young, and Mark Asplund, your District Finance Committee, believe responsible Christian stewardship involves each local church investing a portion of its income to the support and expansion of the mission and message of the worldwide Church of the Nazarene. A concern for others beyond our own influence declares a love and loyalty to the mission and message of God's kingdom here on earth. Every local church should carefully plan to meet this scriptural responsibility to God and His church reaching the lost by the full payment of apportionments. The love of Christ compels each local church to allow no unwarranted failure in this vital area of stewardship. Similarly, the District is committed to budgeting only on anticipated receipts, and to maintaining a balanced budget in all funds.

Items Related to Local Churches

We recommend that each local church board give prayerful consideration to its financial leadership responsibilities by:

1. Establishing annually an operating budget, approved by the church board and available to the congregation, for the ministries of the local church. This budget should be established based on a reasonable estimate of the giving income of each church and expenses should be kept within the ability of the church to cover those expenses without external assistance. A copy should be sent to the district office if requested.
2. Giving positive leadership to the support of the Great Commission by faithful and regular payment of the World Evangelism Fund, Education Fund, Pensions and Benefits Fund and District Ministries Funds.
3. Supporting annually Nazarene Bible College (October) and Nazarene Theological Seminary (January) through receiving an offering and/or budgeting an appropriate amount in the annual operating budget. Each offering is to be sent directly to Nazarene Bible College, 17001 Prairie Star Parkway, Suite 300, Lenexa, KS 66220 or Nazarene Theological Seminary, 1700 East Meyer Blvd., Kansas City, MO 64131. The goal is 100 percent participation by every New Mexico District church in supporting our institutions of ministerial training and development.
4. Caring for the needs of the pastor and full-time ministerial staff, releasing them for their task of leadership in prayer and ministry of the Word, by:
 - a. Paying the pastor and staff adequate salaries and benefits and reviewing them at least annually as part of establishing the coming year's operational budget. An increase of at least the cost of living should be considered as a minimum, taking into consideration any changes in law impacting Health Care coverage for your pastor and staff. The church board secretary should send a report of any salary action taken to the District Office.
 - b. Designating an amount in the proposed operating budget for the coming year to pay the expenses of the pastor and spouse attending the General Assembly, General Conference on Evangelism, PALCON, District Assembly, Camp Meeting, District Leadership Retreat, and continuing education seminars, and other events where attendance is expected. To assist in budgeting this expense, the church should set

aside \$500 or more annually. We encourage local churches to send full-time staff to appropriate conferences and seminars in consultation with the senior pastor.

- c. Establishing an accountable reimbursement plan for the pastors' ministry-related expenses. This would include professional journals and books, entertainment, travel and lodging and other related items as allowed by tax law. All ministry expenses are to be fully reimbursed when properly authorized and receipted according to IRS guidelines.
 - d. Designating a certain amount of the pastors' total compensation package(s) as parsonage furnishing and housing allowance.
 - e. Reimbursing the pastors an amount equal to the required SECA (Social Security) tax. This tax is assessed at 15.3 percent of the pastor's salary and housing allowance/ fair market rental value of the parsonage and should be paid at least quarterly. This amount must be added to their IRS form W-2 as income. This pro rata share should be paid to any pastor changing assignments during the calendar year.
 - f. Each church should consider paying the annual premium on term life and accident insurance available through the Church of the Nazarene. Each church should also consider providing disability insurance for their pastors and insurance on contents of the parsonage as well.
 - g. Participating in the Church of the Nazarene's Tax-Deferred Annuity Program for its ministers is highly recommended. Every church should enroll their pastor in the tax-deferred annuity program and at least match the general church contribution annually.
 - h. Granting pastors and all full-time ministerial staff members a minimum of two weeks paid vacation annually. Those who have accumulated from five to ten years of salaried ministry in the Church of the Nazarene should be granted three weeks paid vacation; those who have served 11 to 19 years, four weeks of paid vacation; and those who have served the denomination 20 years or more, five weeks of paid vacation. This vacation time should be exclusive of time spent at district and general church meetings. Pastors are advised to use discretion and wisdom in the planning of their vacation in order to best work with the church calendar.
 - i. Insisting that pastors observe at least one full work day as a weekly day off from all ministerial responsibilities and quarterly, a three day break from ministerial duties.
 - j. Observing Manual paragraph 129.10, which states, "In order to encourage a healthy pastoral ministry and the lifelong learning of the pastor, the church board, in consultation with the district superintendent, should provide a sabbatical leave for the pastor following each seven consecutive year of service in one congregation." We recommend a minimum of sixty days paid sabbatical leave.
 - k. Encouraging the morale of the pastor/staff and augmenting the salary of each by facilitating acts of kindness from the congregation, such as food donations and observing pastor's appreciation day on the second Sunday of October.
 - l. The local church give at least one week's salary to the pastor and full-time associates at Christmas each year.
5. An auditing committee be appointed in each local church in accordance with Manual paragraph 129.23.
 6. All fund allocations be paid in full annually and payments be made weekly or monthly throughout the church year; payments to begin on May 1, 2020, with the final payment to be made no later than May 15, 2021.

7. The district journal shall be provided to each church in PDF (electronic) form. Local churches may distribute PDF files and/or print as many copies as needed. (District Journals, Manuals and Other Forms are currently made available at <http://nazarene.org/DocumentLibrary>. Please contact the District Secretary or District Office if you have difficulty obtaining them.)
8. Our people be encouraged in the stewardship of possessions as related to planned giving, wills, annuities, and life loans on behalf of the local church, district camps, home missions, world missions, and colleges. Each pastor should give careful attention to conduct an active bequest program through the local church; for information write to Dr. Steve Seelig in care of Point Loma Nazarene University or Jon Twitchell at the Church of the Nazarene Foundation.
9. We recommend that the local church give careful consideration to paying evangelists, as a minimum, twice the weekly salary and benefits of the pastor, plus travel expenses one way and to remember those who served them during the year with a Christmas check of appreciation.

Guidelines for Local Church Treasurers

The responsibilities of the local church treasurer include:

1. Preparing, in cooperation with the pastor and church board, an annual operating budget for the local church.
2. Following the provisions of the 2017-2021 Manual paragraphs 129.21-129.23 in accounting for all money received and disbursed by the local church.
3. Providing all financial records and books to the pastor immediately upon request.
4. Preparing a weekly report of all money received and a monthly report of all financial transactions to the pastor and church board.
5. Promptly distributing all payments according to the time and purpose designated by the order of the church board. All fund allocations are to be paid in full annually and payments be made weekly or monthly throughout the church year.
6. Serving willingly as the local church treasurer according to Manual paragraph 136.
7. Ensuring designated funds are protected for that purpose.
8. Making sure the church board arrange for an annual auditing of all treasurer's books, according to Manual paragraph 129.23. An annual cash flow audit is expected, as is a full outside audit at least every five years by personnel outside the local church.
9. Certifying that all money received by the church or auxiliaries is properly recorded and reported. It is neither proper nor ethical to carry side accounts independent of the church treasurer's records.
10. Following the policy of never handling the physical offerings or money of the church but work from the deposit receipt prepared by competent personnel who have counted the offerings and deposited the money in the bank.
11. Submitting monthly reports to the district office, either using the "Funding the Mission" website (<https://fundingthemission.org/>) or using the spreadsheet provided by the District Treasurer. This regular reporting enables the District Treasurer to prepare for adjustments in district income and make decisions appropriately.

Items Related to District Interests

The District Finance Committee recommends that all district ministries and its extensions should be considered a vital part of the local church outreach and fulfillment of the Great Commission in the following manner:

1. That those who travel for the district will be reimbursed at a rate of 50 cents per mile one way. This includes the District Advisory Board, District Board of Church Properties, Bonita Park Camp Board, District Board of Ministry, NMI, NYI, and SDMI councils, and all other committees called by the district superintendent.
2. That the district treasurer pay the hospitalization insurance premium for the district superintendent and family.
3. That the district treasurer pay the annual premium on the maximum term life, accidental death and dismemberment, and long-term disability insurance provided through the Church of the Nazarene for the district superintendent.
4. That the district furnish the district superintendent a car replacement allowance and any operation and maintenance expense as determined by the District Advisory Board.
5. That the district superintendent annually be granted a five-week vacation with pay. A report of vacation days used should be presented to the DAB on a quarterly basis.
6. That all district financial records, including those of Bonita Park and the Extension Fund, be audited annually by an auditing firm or certified public accountant.
7. That all designated funds be kept in an interest bearing account or District Advisory Board approved investments.
8. That the District Superintendent be granted two weeks annually to hold meetings off the District. This will be in addition to his/her vacation time. Use of this provision should be reported to the DAB.

Items Related to Fund Apportionments

1. That the Annual Pastor’s Report (APR), submitted online, shall be the guide for computing all budgets. Funding the Mission allocations goals are 5.5% for the World Evangelism Fund (WEF), 2.25% for Pensions and Benefits USA (P&B), 2.25% for Education, 6.0% for District Budget, of the local church’s Total Income (line 30) less amounts given for WEF (line 31) and Mission Specials (line 32). Churches will be considered in full support if these goals are met in full.

WEF and P&B funds should be submitted at least monthly using the “Funding the Mission” (FTM) website (<https://fundingthemission.org/>) where possible. All other fund allocations are to be sent monthly to the District Treasurer, Larry Fry, 3101 Mesa Verde Street, Roswell, NM 88201 (email: l.fry@msn.com; phone: 575-914-3050)

NMI CONVENTION ADDRESS

Nicole Young, NMI President

What We Are Becoming

What an incredible time in which we are living! There can be no doubt that the word “change” is defining everything around us. 2020 has brought about change, adaptation, forced flexibility, and reflection. I know that the events of this year have drawn each of us to a deeper level of prayer and an examination of our expectations and what we consider “normal.” Are we looking to return to normal? To business as usual? My heart says “no.” I believe that God is doing a new work in our world, our country, our district, and our lives. I see the events of this year as a catalyst for a deeper work of the Holy Spirit in all of us. What are we becoming?

What we are becoming is a combination of the heritage of our faith with the present work of the Holy Spirit. We are a holiness church. We are a missional church. These are the two constants in the Church of the Nazarene. Just as the founders of our denomination faithfully moved in step with and followed the Holy Spirit to lay a solid foundation for what has become a global church, we are called to continue in this same level of obedience as the Spirit guides us further into the twenty-first century.

NMI plays an important role in this calling. NMI is “the global missions advocate in every local church, nurturing a spirit of missions and mobilizing into action, impacting people around the world.” One of the beautiful facts about the Church of the Nazarene is that, no matter what happens, we are already there. We are already mobilized in hundreds of world areas with the infrastructure to meet immediate needs in the name of Jesus Christ. Intentional mission and compassion are the backbone of the people in the Church of the Nazarene. During this time of intense quarantine and global pandemic, the people of our church have been moving. We get to be part of that mission because of the connectedness of our denomination. We are already there.

We are the spokespeople for the Global Mission in our churches. We are the advocates for sharing the Gospel locally and globally. Each one of us is a piece in the giant puzzle of the Church of the Nazarene. We all have purpose in our local communities and across the globe. I love to share with people about the structure of our church and how every dollar they give locally impacts people globally.

Just as our world is changing, NMI is shifting from program focused to be more engaging and relevant to the Global Church. As leaders in NMI, our role is to think NMI every day. We are to encourage and engage our churches every day.

Let’s look at and think about how we, as a district, have engaged our churches in NMI over this past year.

Investment in Mission

- **Africa Nazarene University:**

Last year we had the privilege of hosting Rob North from Africa Nazarene University at Family Camp. We answered the call to take a team to Kenya to be part of the classroom renovation project to bring ANU into the twenty-first century. Between family camp, private donations, LEVEL Club funds, and district convention, our district raised \$31,465 for ANU. The team of 28 women, men, and children was set to be at ANU for the project in May. Because of COVID-19, this project has been rescheduled. We will hopefully be able to make this trip in spring of 2021.

- **Compassionate Ministry around our District**

Mission: El Paso – Church and Renee Parish are doing amazing things in El Paso with community gardening, clothing people, meeting needs after the El Paso Walmart shooting, and many other areas.

Nueva Esperanza – Pastor Erika Hasenauer has an amazing multicultural ministry and outreach in their community. They host weekly Bible studies, relational ministries, run a thrift store, deliver meals and minister to their community.

Mission: Albuquerque – Pastor Patti Rivas has been coordinating with Pastor Chris Davis to bring much needed relief supplies to the people living on the Reservations around Gallup and Ramah. This effort has unified many churches and leaders who have contributed to reaching out and loving our neighbors who were severely affected by the COVID-19 pandemic.

Local Churches – Many of our local churches have reached out to their communities throughout the past year. From collecting blankets to feeding the hungry; Bible studies, clothing distribution, face mask making, neighborhood outreach, recovery programs, showers for the homeless, and cross-cultural events, NM District has been active this year in being the hands and feet of Jesus to those around us.

The World Evangelism Fund is key to the mission of the Church of the Nazarene. This fund is how we are able to keep missionaries on the field and follow the Great Commission in the world. The WEF enables us to be faithful stewards of our resources and our call. It keeps us connected as a Global Church and unites us as Nazarenes across the globe. This year our district fell a little short of giving 100%. As a district we gave 97.28% of our WEF goal.

5 Areas of Impact

“Nazarene Missions International focuses on five strategic areas where the local church can have maximum impact on missions in the Church of the Nazarene.

The first is **Prayer**. NMI gathers believers together for prayer in the local church, linking us to our brothers and sisters in Christ across the globe.

The second is the **World Evangelism Fund**, which fuels the Church of the Nazarene’s mission by combining gifts from each person and church to fund ministries everywhere.

Through the **Alabaster Offering**, the third emphasis, ministries around the world receive funds to purchase property and buildings.

The fourth is to **Engage Children and Youth** through education and fostering calls to missions.

Links, the last area of emphasis, strategically connects Nazarene missionaries and Nazarene churches through prayer, personal contact, and generous giving.” (www.nazarene.org/nmi)

By focusing on these Five Areas of Impact, we can participate in mission and have eternal impact around the world. These five areas keep the people of the Church of the Nazarene connected and engaged with one another. These areas of impact are for the whole church, not just the churches of North America.

We can all **Pray!** If you do not know what to pray, sign up for the Prayer Mobilization Line, which is emailed out every Wednesday. Connect with the world and deepen your prayer time as you partner with Nazarenes across the globe in prayer for specific needs.

We can all give to the **Alabaster Fund**. This offering can be a fun event where church members of all ages bring in their collected change to help bring about building funds for projects all over the world. 100% of Alabaster Offerings go to building projects. The language of the Alabaster policy now includes rent for properties used for ministry in urban settings, which is a great need in our world's cities.

We can all **Engage Children and Youth** in mission. There are numerous resources on www.nazarene.org for teaching children and youth about missions. Children and youth are more than capable of participating in projects, work and witness, mission lessons, cultural lessons and activities, and partnering in prayer. If we are not sowing into the mission for our children and youth, the zeal for the Great Commission will vanish in the next generation.

And last, we can all pray for our **Links** families. If you are unsure what Links is, or who your Links missionaries are, please see the documents in the NMI Dropbox created for Convention materials. Every church on our district has an assigned Links family. This family is to become part of your church family. You get to partner with them in their ministry, stay updated on their current ministry and prayer needs, send them encouragement through cards and gifts, and most importantly, be blessed by a relationship that takes you out to the field. WE have 3 assigned Links families for our district. The Goossens in Fiji, the Banos in Costa Rica, and the Grahams in New Zealand. Reach out to them. Pray for them. Encourage them.

Participating in these Five Areas of Impact are a great starting place if your church is looking to grow your involvement in NMI. Making these five items your baseline as you grow your involvement is a powerful way to become a missional church. Visit www.nazarene.org/nmi for all your current NMI information and learn more about how NMI is adjusting and shifting as we are keeping in step with our changing world and growing church.

What are We Becoming?

Over the past ten months, as I have tried to wrap my brain around this new role in NMI, the Lord has shown me goodness and grace. This district is a missional district. I am amazed at the testimonies you have shared in your reports and in the interactions I have had with some of you. I have many more people to meet, churches to visit, and ministries to learn about. I am excited to partner with all of you in prayer for your local and global mission vision. I truly want to hear from you. I want to be updated on your local and global involvement. Please email me (nmnmipresident@gmail.com) and share your stories.

We have the opportunity to shape what we are becoming. We have the opportunity to allow the Holy Spirit to set our focus and lead us into the plans God has for our district. This past January

I sat in a room full of NMI leaders and was encouraged by Dr. Chambo that we are still on a journey with the Lord. He continues to love everyone; therefore, we are called to love everyone. This is not our mission; it is God's mission. We are invited to be part of His mission. As NMI, we are not joining in the mission of the church; we are joining in the mission of God.

1 Peter 4:10 says, "Each of you should use whatever gift you have received to serve others as faithful stewards of God's grace in its various forms."

Charles Gailey and Howard Culbertson wrote in their book, *Discovering Missions*, "Like holiness, global mission is birthed in the very nature and character of God himself who both seeks and sends. Since Yahweh is a missionary God, the church that truly submits to His sovereign Lordship must be infused with a passion for global mission" (202).

As we lean into this next decade, we are becoming more like our missionary God when we seek His heart for His people. If we lose the focus of why we reach out, we will just become a well-organized institution. In the words of Dr. Chambo, "We need to be a people who know the heart of God for the people in the world. We need to know His heart, be found in His Presence, and enabled by His Spirit."

We are stewards of that passion and the message of holiness. This is why I am here. My heart is to join in the mission of God. My role is to connect the mission in NM with the mission across the world. My heart is to steward this mission field around us as God would have us.

Joyfully,
Nicole Young
NM District NMI President

SDMI CHAIRMAN'S REPORT

Mark Asplund, Chairman

Greetings to the New Mexico District!

This has been a most unusual year with the global impacts caused by the COVID-19 Pandemic. This will likely be one of the most difficult and challenging years that many of us will experience in our lifetimes. The US and global economies experienced significant impact as did local businesses, each local church, and those experiencing unemployment. People across the country have common experiences like learning how to purchase their groceries online and pick them up in a parking space designated for online shoppers where a masked employee puts your groceries in the trunk. Church services are being held online and many miss the personal fellowship of other church members. People are feeling a bit of cabin fever from being quarantined. Church and Sunday School members are making special efforts to overcome social distancing by making special efforts to reach out to others via phone, email, texting, and a host of other social networking methods. Our local churches as well as our District, have been impacted by COVID-19 as we will highlight below.

We are delighted to have Dr. Scott R. Rainey, Global Director, Sunday School and Discipleship Ministries International (SDMI) to be our guest speaker at this year's SDMI Convention. We look forward to his vision and direction for the Global SDMI Team. Normally at this time, the global SDMI office would be distributing hard copies of an annual resourcing brochure for distribution at District Assembly/SDMI Conventions. Unfortunately, the impact of the COVID-19 virus has altered those plans. As so many District Assemblies and Conventions are canceled this year, the information is being distributed electronically. By clicking the following link (or you can copy and paste it into your browser), you will be able to download a digital copy of the brochure for use and distribution. Please share this with your churches.

We are very pleased to announce Tamara Bailey as our new Adult Ministries Director. Tamara comes to us from Texas and attends Angus Church. Tamara will be speaking to us at our SDMI Convention and we are excited to see her vision unfold for Adult Ministries. Eric Zottneck serves as the New Mexico Man Camp Director. Due to COVID-19 we unfortunately had to cancel this year's Man Camp. Man Camp will resume in 2021 and is scheduled for the weekend of April 23-25. Our Women's Ministries Director is DeAnn Rushing and she leads our District Women's Retreat. Due to COVID-19 we unfortunately as well had to cancel this year's retreat. We do look forward to next year's retreat which is scheduled for the weekend of March 19-21 with Susie Shellenberger as our guest speaker.

Jessica Zottneck heads up our Children's Ministries. Kids Kamp and District Quizzing fall within Children's Ministries. Ron Davis serves as our Kids Kamp Director. Kids Kamp 2020 was also cancelled due to COVID-19 which was a great disappointment to the Children's Team. Kids Kamp 2021 is scheduled for the week of July 5-9. Arthur Pacheco heads up children's quizzing and provided the following report:

This year we started the quizzing cycle with the book of Genesis. The book of Genesis was fun for the kids and I think they really enjoyed the book for this year. Genesis was full of fun stories, but they held some important truths to them. My prayer is always that the kids will not only have fun and enjoy quizzing but be able to hide the Word of God in their hearts and use it whenever they face trouble.

This year we had a new Zone 2 director, Delaina Van Soest. She did an excellent job being in charge of the southern part of the state! This year, we were a little lower in numbers as far as kids. I know that we were missing a few churches this year, but we still averaged about 50 for every quiz meet. The district quiz meet went great! We had a little over 70 people. The church team that won first place this year was Albuquerque Sandia. One of my biggest praises this year was that a lot of kids tied in each place and I only gave a few participation ribbons. Almost everyone at the quiz meet placed which was great to see! This year, unfortunately, we were unable to go to Regionals in San Diego, CA; however, the kids who qualified to go were still able to quiz using technology. I do not have results on how our kids did, but I'm sure they represented New Mexico well!

This next year we will be in the book of Exodus. This was my favorite book when I did quizzing as a kid because of all the mighty things that Moses did through the strength of God. This year will be a tricky year because of everything that is going on in our world today.

Statistic Reporting: Each district and each church is asked to report three numbers monthly: 1) SDMI Attendance, 2) Morning Worship Attendance, and 3) Responsibility List. Our online data collection system continues to streamline the reporting process. Statistics were gathered from July 2019 through February 2020. Due to COVID-19's impact across our country, statistics gathering was discontinued after February. Church statistics for the year will likely be a combination of the months gathered with averages of those months used to fill out the remaining months of this church year. Guidance as to when and how to resume gathering statistics will be provided by our leadership at the Global Ministry Center.

In 2021 we hopefully will be able to resume some of our key district events. We also look forward with anticipation for General Assembly and SDMI General Convention June 23-July 2, 2021 in Indianapolis, Indiana.

Yes, these are unusual times, but I trust these have also been special times to draw closer to loved ones and closer to our Lord. As our country begins to reopen the economy and our churches, I trust you, your family, and each local church member will stay healthy and safe.

Thank you to the many dedicated people on our district who work diligently in service to our Lord.

For His Kingdom,
Mark Asplund

NAZARENE YOUTH INTERNATIONAL

Jordin West, President

Dr. & Mrs. Crocker, Dr. & Mrs. Lacher, Pastors, Youth Leaders, and New Mexico Students,

It is my privilege to report to you on behalf of the New Mexico District NYI for the sixth time. As I reflect on our year together, there have been many triumphs and opportunities as well as challenges and disappointments, but through it all God has been faithful and our NYI community has persevered. While the first portion of our year saw memorable times of in-person worship and fellowship, several of our events were cancelled due to the COVID-19 pandemic. We have discovered anew what it looks like to be the body of Christ in situations where we were allowed to be together and those where we were required to be physically, although not spiritually, apart. I have witnessed our leaders creatively serve and minister to our young people in these trying times and I applaud their efforts as I know they are exemplifying God's love. I have also seen our teenagers connect with one another in new ways and hold one another accountable in their commitments to Christ. Through the ups and downs, we are grateful for the time we have had to build friendships and build up the Kingdom of God. He is good all the time!

Please find below a brief summary of the events we have participated in this year.

Teen Camp

Our District NYI Vice President, Wade Elftman, faithfully and effectively serves as our Teen Camp Director. His attention to detail and overall big picture vision inspires and environment where our teenagers can engage in Spirit life and truly encounter Christ throughout the week at Bonita Park. Last year our theme was "Woke" which afforded us the opportunity to understand more fully our responsibility to actively engage in our faith instead of remaining idle. Our speaker, Chris Archer, used Romans 13:11-12, among other verses, to highlight our calling as the people of God: "And do this, understanding the present time: The hour has already come for you to wake up from your slumber, because our salvation is nearer now than when we first believed. The night is nearly over; the day is almost here. So, let us put aside the deeds of darkness and put on the armor of light." His messages made clear the need for action on behalf of Christ in our world and inspired an urgency within us for spreading the gospel. We also held a variety of seminars throughout the week on specialized topics that are pertinent to the lives of our teenagers today. The Lord blessed us with amazingly fun and uniting moments of fellowship throughout our five days together and it is wonderful to see how these young people interact with one another. God is always faithful to show up in big ways during this week and we give Him all the credit for the good that occurs.

NYC 2019

Our NYC Coordinator, Christa Storch, fearlessly and successfully planned and implemented all of the arrangements for our district to attend this incredible event in Phoenix, AZ in June of 2019. Her heart for the Lord and our students, combined with thorough organization and detailed execution, provided us all with the opportunity to experience this once in a lifetime event in full. Upon arrival and becoming acquainted with our area of town, we gathered with the Southwest Field at a waterpark for a night of fun and fellowship. Each of the next three days followed the themes of "Love God," "Love Others," and "Love Lived." We had the opportunity to participate in a service project, walk through an hour-long spiritual encounter, and spend time in one of the largest recreation rooms you can imagine. The twice-a-day services were full of spirit-led worship, superior sermons, and a variety of unique elements that were designed specifically to draw us into true and unforgettable moments with the Lord. We are beyond grateful for this lifechanging experience and would encourage each of your churches, even now, to prepare to send your students to NYC 2023 in Tampa Bay!

Winter Retreat

During Winter Retreat we offered three different tracks the teenagers and leaders could choose from for more personalized spiritual development: Jesus Junkies led by Wade Elftman, Worship Secrets led by Aliece Nielson, and The Necessities of Life led by Sherri Todd. Everyone participated in three hour-long sessions in these groups which afforded them the time to dig deep into Scripture concerning these topics and learn more than just surface level material. We held worship services on Saturday evening and Sunday morning as well as a variety of fun activities throughout the weekend.

Family Camp

During Family Camp we offered morning Bible studies for the teens during which we poured over various Scriptures, spent time in prayer, and shared stories about how God has directed us in the past and is currently guiding us today. We were also blessed to have the missionary, Rob North, come and share his story of calling to ministry and what he is doing for the Lord in Africa and around the world. During the afternoons and evenings, we spent time at the event center, disc golfing, in the pool, on the zipline, and elsewhere for great times of fellowship.

Quizzing

Our quiz director, Penny Pogue, is committed to seeing our teenagers know and love the Word of God! This year they studied the books of Hebrews and 1 & 2 Peter which proved to be challenging and rewarding. In addition to the study of the material, there is an emphasis on Scripture memorization and the students continue to exceed the goals that Penny sets for them in this area. These teenagers are hiding Scripture in their hearts and I cannot think of a better way for them to spend their time.

Elevate, NM Xtreme, Young Adult Conference: Cancelled

Unfortunately, due to the COVID-19 pandemic, we saw the cancellation of Elevate, NM Xtreme, and Young Adult Conference this past year. We are looking forward to these events in 2021!

It is among my greatest blessings to serve with youth leaders from across New Mexico who have a passionate desire to seek the Lord in their own lives and to see young people come to know and love Jesus. The time and energy they spend in ministry is a true kingdom investment. Their enthusiasm inspires me, their dedication challenges me, and their friendship encourages me. I see Christ in each of them and so do our teens! I want to extend my deepest gratitude to our ministry directors, council members, and other leaders for their tireless efforts and for making this the greatest of all districts to serve on. And most of all, we thank God for His guidance, protection, and provision. Our ministry is a blast and I would not trade it for the world!

God's love and blessings to each of you!

BONITA PARK CAMP

Connor Bryan and Brenda Garber, Executive Directors

Greetings from Bonita Park! What a privilege it is to serve the New Mexico District through the ministry of Bonita Park!

The reason Bonita Park exists is to provide a place where people can hear the still small voice of God. The noise of the world can sometimes drown out the need for stillness, peace, a place to come away from the daily stresses of life...maybe even a place to see more stars than you have ever seen before. There were 561 lives reported changed at the camp this year and we trust there were many more that we may never hear about.

Before the pandemic led to the closing of the camp in March, Bonita Park hosted 9,684 guests for the fiscal year. We served those guests 56,071 meals and 100,000 cups of coffee. And those coffees were just for Connor and Brenda after the pandemic started!

As with everyone else around the world, Bonita Park is currently living through some unprecedented days. We were recently reflecting on how God has seen Bonita Park through difficult times before, including World War II as well as the Little Bear Fire, and we are trusting that He will carry us through these days, too.

While we have had more than \$566,000 in group cancelations, God has been providing through a PPP loan, expected insurance proceeds, and through generous donations. We have been so humbled and blessed by these donations that many days the simple act of opening the mail becomes a tear-soaked endeavor as you have poured out your love on Bonita Park. Thank you, as always, for your ongoing support, especially during these difficult days.

It is truly the end of an era at Bonita Park. Our beloved Stan Yocom is retiring. Stan has served at Bonita Park since 1998 as maintenance staff, Operations Director, and as Executive Director. His legacy includes getting Bonita Park out of debt, sustaining the camp after the Little Bear Fire, and the construction of the Events Center. Stan has always been willing to do whatever it takes to serve God at Bonita Park. One of Connor's favorite life quotes is when Stan said, "I'd rather be poured out than rusted out from holding back." May we all serve God with such reckless abandon.

What a great celebration we all enjoyed last year at Family Camp as Bonita Park celebrated 80 years of camping ministry. One of many special moments was when we gathered up the hill and rededicated the land for the construction of a new chapel and new dorm. We believe there will be great days ahead as we continue to pray for the future of the camp and look to Reclaiming the Mountain!

Our hearts are full of gratitude and we thank you for the gift of serving you and serving with you at your camp, Bonita Park.

HOSPICE CHAPLAIN

Dennis Durfee, Hospice Chaplain

Greetings in Jesus' Name.

During this past assembly year, I have continued serving as a hospice chaplain for Kindred Hospice in New Mexico covering Lea, Eddy, and Roosevelt Counties. Part of my hospice responsibilities have included providing spiritual care and emotional support to terminal patients and their families both pre and post death. 521 hospice visits were made, 26 grief support group meetings were held, an average of 120 grief support letters were mailed each month to bereaved patient families, and 6 funeral services were conducted for patient families. Weekly interdisciplinary meetings were attended each week that included Physicians and clinicians. Quite often, while at the office, I provided pastoral care and emotional support to the hospice team members.

Along with my hospice duties, I was able to hold weekly church services at The Bee Hive Assisted Living and Memory Care in Hobbs, NM. At times, residents and their family members attended the church services.

Apart from my hospice duties, I also served a part-time ministry role at Northgate Free Will Baptist Church of Hobbs, NM, where I preached 50 sermons, provided 42 Bible studies, and occasionally substituted for the adult Sunday School class. I made pastoral visits to parishioners both in homes as well as in hospitals. I served as chair of church business meetings.

Between hospice and church ministry, some have accepted faith in Christ; while some have been encouraged during one of the most crucial times of their lives.

I respectfully and sincerely submit this report,
Dennis L. Durfee

HOSPICE CHAPLAIN

Rev. Stephen J. Lord, Hospice Chaplain

Dr. Gustavo Crocker, Dr. Larry Lacher, and Delegates;

It is a privilege to present to you my fifteenth report as a Hospice Chaplain. It is a blessing to work with individuals and their families who are not only dealing with life threatening illnesses, but as a Chaplain I also walk with them through the grief/bereavement process. Both of these areas are the patient's and family's choice. As a Pastor/Chaplain, it breaks my heart when they refuse the spiritual care of the Hospice Chaplain.

I see the role of the Chaplain as pointing these individuals to the One who desires to give His love, compassion, comfort, and strength, especially as they cope with their life circumstances. It is my prayer that I will be a reflection of His light in the midst of their darkness, despair, and hopelessness. I pray that by the Holy Spirit, I will be a beacon of hope in their pain and disillusionment.

During my visits with the patient and family, I endeavor to encourage them to utilize the full Means of Grace to help them during this season. For me, this is fundamental to dealing with all of life's issues.

This past fiscal year, I have witnessed a decline in a belief and dependence on God as reflected in my activity report. This past year I preached 10 times at Lovington Church and Roswell First Church, conducted three funerals, I made 263 Chaplain visits, worked 1,308 hours both in the office and out in the field, and traveled over 3,808 miles in Lea County. A part of the decline in activity is due to some surgery and recovery that kept me from working for three months. Praise the Lord for His healing touch!

One highlight this past year involved a group of ladies in a Memory Care Unit. One week I was visiting a patient in that unit and a group of ladies were sitting at the table listening to a CD of Alan Jackson's recording of Hymns. Those precious ladies were singing every precious word right along with him. All I could do was smile, cry, and praise the Lord. That indeed was a God moment!

Thank you for allowing me to serve you and the Lord as a Hospice Chaplain!

Respectfully submitted,
Rev. Stephen J. Lord, Chaplain

MEMOIRS REPORT

We pay tribute to the memory of our loved ones and friends who have gone to be with the Lord this past year. Jesus declared, “I am the bread of life. He who comes to me will never go hungry. He who feeds on this bread will live forever. If anyone is thirsty, let him come to me and drink. Whoever believes in me, streams of living water will flow from within him. Whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water, welling up to eternal life.” John 6:35

ALAMOGORDO NEW BEGINNINGS

Pastor: David Holycross

Family Members' Special Days

David: 09/16 Jackie: 07/20
Anniversary: 05/29
Stephanie: 11/05 Samantha: 05/02

David, Jackie, Stephanie, and Samantha Holycross

Greetings to you as we attend our first virtual district convention. As we look back on our year, it has been filled with wonders and challenges. After our School of the Prophets lessons and District Assembly last year, New Beginnings felt led to make a few small changes to our activities. We started focusing more on prayer and began holding a last-Wednesday-of-the-month prayer service devoted entirely to studying prayers in the Bible and praying around the altar. The Tuesday morning ladies group started studying the prayers of Billy Graham and letting them teach us. The prayer life in our church has changed from reciting empty words and focusing on physical healings or needs into truly talking with the Lord.

We also felt that fellowship was needed, so we opened the church on Friday evenings for pizza and fellowship. The sanctuary is open for people to pray and meditate, and worship music is playing lightly in the background. The teen room is open for pool and games, and people are frequently found talking and playing games in our fellowship room.

This has been a year when we changed our focus from maintaining the building to encouraging and supporting the church – the body of believers. As the church building was closed, we have held drive-in services in our parking lot. Members of the board take a devotional letter around every Saturday morning and everyone who attends our church or has attended it receives a visit – along with words of encouragement and prayer as needed. The children also receive a letter, Bible story with activity sheets, snacks, and some kind of science experiment with a spiritual connection which leads them to think about how God works in His ways around them.

Our services in general have changed quite a bit the past 2 months and as we enter into the sanctuary again very soon, our board and members are preparing to “reinvent” our worship service in ways a few months ago we could not have imagined. A few months ago, we had allowed our focus to be on trivial things that were not important for building God’s Kingdom, now we have a more missional focus. It’s amazing to see how the Lord is reviving His people. Please pray for our church as we embark on our new journey.

In his service, New Beginnings Alamogordo Church of the Nazarene.

Greetings in the Name of our Lord Jesus Christ,

When asked to write this letter, the pastors were asked to brag about three things we would like to brag on from last year.

The first thing I want to boast on is the cross of our Lord Jesus Christ, by whom the world has been crucified to me and I to the world (Galatians 6:14).

Even when we have not always put the lord first and we get ahead of ourselves, He is always faithful and the same yesterday, today, and forever. It has only been by the grace and favor of our Father that we have continued in the ministry as a church with a solid foundation.

Los Altos Church of the Nazarene is debt free, budgets paid in full for the past two years. The records show last year as not paid, but we did in fact give our full tithe.

The congregation at Los Altos church of the Nazarene continues to be a compassionate and a giving church. Every year the people invest their finances in the kingdom by sending children from the community (not in our church) to kids and teen camp. Each holiday the congregation comes together in sharing the gospel and evangelizing by reaching out to families in need and helping with Thanksgiving and Christmas.

Lastly, I want to acknowledge the faithfulness of the people at Los Altos. They truly walk by faith in our Lord Jesus Christ and not by sight.

The two prayer requests I would ask is that God would bless us and make a way for us to tell more people about Jesus and His Love. Secondly, please keep our congregation in prayer as we attempt to do more than we did last year for the Kingdom.

My dream goal for the year is to see a growing and thriving congregation engaged in Passionate Throne-Ward Worship, Deliberate Prayer, Robust Discipleship, Intentional Engagement with Broken People.

~Thank you, Pastor Bill Reinicke

Blessings,

Three things to be proud of for the last year are my grandchildren and a restored marriage and knowing nothing is impossible for God.

Two things I'm praying for are my husband as well as love and strength for the congregation.

Our goal for the next year is to continue in my studies for ordination while growing for the kingdom of God and to look for more of Jesus Christ in my life.

I praise God that our PAC pastors have the opportunity to report this year to our assembly. I've read their reports and am amazed at how God is using each of our congregations to reach their local community in different ways. We continue to stay connected, share resources, and work together for the mission of Christ in ways that distinct local churches often do not seem to do. Our mother church, Sandia (which we call ABQ Central, to distinguish it from our other congregations who still consider themselves connected to the mother church), has experienced new life this year.

Compassionate ministries have always been central (no pun intended) to our ministries at ABQ Central because of the immense need that is obvious all around us. However, we've made some changes this year, as we noticed some of the individuals that we serve taking our ministries for granted and disrespecting the building and the servants who care for them. While some churches might use this as an excuse to turn away from these vital ministries, we began to brainstorm ways to return to our core vision of responsible compassion. Folks were choosing to "eat and run" so Pastor James began sharing a devotional before the food is served on Sunday morning and we put together meal boxes to serve in Wednesday night Bible Study in place of pre-church meal. Pastor James led our team to adjust our Tuesday morning food bank format to be a more interactive co-op format with all of our visitors helping to sort the food while developing community and using the Bible Study time to unite and train our volunteers in showing love and practicing personal evangelism during the sorting time.

Our children's ministry has thrived this year under the leadership of Pastor Ron and some new children's workers (Pastor James, TJ Brown, teen helpers Caitlyn Brown and Aryanna Yazzi, and others) and assisted by the return of Pastor Bianca to her role as Family Ministries Pastor to provide leadership to both Children and Youth ministries. We've also begun to rebuild our Youth ministries after a very difficult year and transition of leaders, Pastor Arthur has returned to his roots and is serving as our interim youth pastor, assisted greatly by Rebekah Landry. We are very excited about what has begun and expect this to grow in the coming year. After several years of investment in outreach in the communities where our PACs operate and focusing primarily on the homeless in our local ministries, we have decided to be very intentional about finding new ways to connect with families. This included a Great Harvest Festival in a small park up the street from our church which was received very well.

With Pastor Arthur's new focus on youth, Michael Scott and Ebony Applebery have done an outstanding job building our worship ministries and raising up new leaders, musicians, and singers to lead up to the throne of God in worship.

Pray for us as we try to develop a new unity and continuity within the mother church congregation. In addition to a few long-time Nazarenes in all age-groups, we have some young families, some speaking primarily Swahili, some new single adults, and members of several different demographics. Many of these people either were connected to people who have migrated to one of our PAC congregations or would have found greater connection to us in the past through one of our talented staff or lay leaders who have now been sent out. Please pray that we would find our new roles in connecting and developing unity in the congregation which almost feels, itself, like a church plant. It is both our prayer and our vision for this year that our congregation unites as we reach new people in our local community.

Respectfully submitted, Rev. Peter K. Myers, PhD

ANGUS

Pastor: Rick Hutchison

Sue and Rick Hutchison

Family Members' Special Days

Rick: 10/29 Sue: 11/25
Anniversary: 11/29

It is my privilege to bring my 18th report for the Angus Church. This has been, to say the least, an unusual year for our church.

We have seen an amazing discipleship uprising in Angus Church. We have approximately 30 people who have been involved in Discipled By Jesus groups here at Angus this year. They are all growing and learning more to listen to the voice of God. We have DBJ groups growing out of these original numbers, in Carrizozo, Capitan, here at Bonita Park, and via Zoom online. God is challenging us to grow and listen each day to Him.

We are seeing the incredible birth of a new church as Korey & Lauren Frazier have started a Home Church in Albuquerque under the auspices of Angus Church. They have a group meeting regularly in their home and they are growing and learning more about Christ.

Our Church Board took the initiative and scheduled a sabbatical for Sue and me this year. As we began to talk with our Sabbatical committee, they challenged me to do something I've wanted to do and as a result I was able to take an intensive 1-week course at Asbury Seminary in January. The Intensive Class is 5 days, 8 hours a day and Angus paid for my transportation and class fees. What an incredible week of growth, challenge, and God's touch. We also got to spend time with our children and grandchildren as well as time with friends in Oklahoma. Miraculously, all of this was completed about 3 weeks before the COVID-19 quarantine took effect.

Our requests for the new year are for revival and awakening in our county and in our nation. We will be taking part in The Return in September with an emphasis on corporate prayer and repentance; what our nation desperately needs.

We are also praying for a spirit of unity and challenge as we move from two Sunday morning worship services to one combined service. We have had two worship services for over 10 years and know this step is the right one to take.

Our dream for the new year is to open up new discipling areas with new home churches in our county, and to reach out in ways that we have never done before. This lockdown has stretched us, and we believe it is the beginning of what God wants to do through discipleship and outreach, personally in homes as well as through our online ministry. God's call for us is that we realize that many people will never come to a building, but they will come into our homes and that we can share, disciple, and worship in our neighborhoods.

ARTESIA FIRST CHURCH

This last year, we here in Artesia have seen some good and bad times. We are glad to say that the good times are way more abundant than the bad times. One of the things we can brag on is the amount of projects that we have been able to accomplish even though we are such a small church. We have been able to put a new metal fence around the back part of the church so now the kids will have a safe, enclosed area to go and play. We have also finished painting our fellowship hall and cleaned out several rooms of years of things that have been left at the church by past members. Now these rooms that once were home to junk will be used to support our growing women's group and activity room for children and teen groups.

I would say the best thing that we have from this last year is the fact that once we are able to get back to church, we have some new families that are going to become new members of the church.

One of the prayers that we have had for our church is that the Lord would fix the slats in our bucket, and to make sure that God is the only one sitting on the throne of our hearts. With this we want a waking of the Spirit that keeps us from having any distractions from what we are called to do.

The other prayer we have is that with everything that is going on, marriages are able to survive time of spouses spending more time together than normal, and this time can be stressful because of decrease in finances or even a loss of a job.

The dream we have for this New Year is that we continue to grow the Church. I want to see the baptism being used and for the men in the church to thrive and lead their family the way they are called to lead them. That the people that attend Artesia 1st hear the message of God and it is something that changes their lives for the better.

Dr. Crocker, Dr. Lacher, and to the convention,

This is my fourth pastor's report and I could not be prouder of all that is being done at Aztec Church of the Nazarene. I have seen the hand of God working in the lives of those in and around our church and our community. Lives are being changed, prayers are being answered, and God is alive in the people.

One of the blessings that we have seen at Aztec Church of the Nazarene is the continued growth in the church body. And when I polled our church board as to what they have seen in the church over the last year, they expressed the joy they have seen because not only do we have growth in the number of people of the last year, but they have seen great spiritual growth as well. This can be seen in our adults, teens, and in our children. Our leaders use all avenues in order to share Jesus and we even see this at our thrift store. We have seen compassion being demonstrated while providing clothes or household needs, but we also remind people of who Jesus is and what Jesus can do for them. I am proud of the work of the Pastors, directors, and the leaders of Aztec Church and I am excited to see how this work can be expanded in the years to come.

Aztec Church of the Nazarene would like to join in the prayers of those across our nation and around the world that we can restart our ministries very soon. We are missing the interaction of our people and there is a real concern that we are missing out on some opportunities to share Jesus with people in Aztec, San Juan County, and beyond. Our other prayer is that we are able to reach out to whoever we can to be the hands and feet of Jesus so that others can experience a real and personal relationship with our Savior.

*The dream for Aztec Church of the Nazarene became even more real since the time our nation has shut down. Our dream is for the Nazarene Church to rise up around this world and become bigger and stronger than we have ever seen in our history. As Chris Tomlin says in his song, *New Hallelujah*, "Let the church arise."*

We will act with the love of Christ to welcome all into the family of the living God, embracing a missional attitude for those in our community and around the world.

May God bless us and His Church in the coming year. ~Pastor Ken

District Assembly,

I greet you in the name of the Lord and am happy to report a fruitful year. During COVID-19, God has continued to bless the church as we minister to our community. This is the driving force for the Lighthouse Church of the Nazarene, finding needs within the community and meeting it through the love of Jesus Christ.

What has God been able to do at the Lighthouse Church this past year? The first accomplishment is the payment of all our budgets. This year has been a difficult road financially for many of our churches on the district. People have lost their jobs and churches have been closed for months! God is bigger than COVID-19 and He continues to bless His church.

Second, we have added 6 new members to the church this past year! Praise God! This increase in membership has also reflected an increase in morning worship. God is adding to our numbers and providing people with skills and talents needed for ministry. Like many of our fellow churches on the district, the need to stream worship services became a priority. This is a positive outcome in the middle of a difficult time for the State of New Mexico.

The third and probably the most important point is the realization of our need for God and each other during great difficulties. COVID-19 isolated so many people from others and this impacts individuals physically, emotionally, and spiritually. Through prayer, social media, picking up the phone, and yes, drive-by encouragement, we cared for our community.

Lastly, let us thank all our EMT's, fire fighters, police, doctors, and nurses for the incredible job they have done during this pandemic. Our church alone has 6 EMT's/fire fighters and they have made a difference within our community this past year. As I have said for the past 21 years, what is God going to do in the year to come? I bet it is going to be great!

CROSSROADS COWBOY

Pastor: Kymburly Odell

Kymburly: 04/25 Travis: 02/22

Anniversary: 03/07

Dear Dr. Lacher and District Representatives,

This has been a very fulfilling year at Crossroads Cowboy Church of the Nazarene as we have experienced a tremendous growth in love and faithfulness to the Lord as well as toward one another. Even with our social distancing, we have stayed connected to one another as well as reaching out to those outside the Church. We even have exciting news that several people expressed an interest in becoming members; so, we had a new member class on Zoom during our isolation. Therefore, we are ready to accept/present new members when we gather together again! WooooHoooo!!

As the pastor of Crossroads Cowboy Church, my dream or goal for the next year would be to grow with young families and children, to hear the cries of babies...both physical and spiritual as in hearing the cries of newborn Christians.

Most importantly, I ask that you would pray for us as we step into a new year with new members. Please pray that our people will heed to the Holy Spirit's prompting as they are "called" into ministry. And that our church will become a refuge as well as a place of worship for families with children (the children's classrooms in our church have been barren on Sundays for far too long).

Many Blessings, Kymburly Odell

"Let us consider how we may spur one another on toward love and good deeds." Hebrews 10:24

Three things to brag about this year:

First, we had five new members this year join our church. Second, our brother Frank had his toes and ankle amputated years ago and was told he would never walk again, he is walking now. He needed one more surgery to clear out his ankle, after his wife cleaned out the wound to prepare him for surgery, they got the appointment and the wound had been healed. The doctors asked, "Why are you here?" Third, a sister from the congregation named Lupita gave her life to the Lord during a Sunday School lesson that talked about knowing that you are saved.

Two prayer requests:

First, pray for our treasurer Caritina Jacques as she was diagnosed with COVID-19. Second, pray for our congregation, that we would grow and serve the Lord faithfully as well as our district.

One goal:

To have a thriving Church with a full board and be able to meet all requirements of our district.

"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."

Ephesians 2:10

There are lots of people and wonderful things to praise God for since our last assembly.

- 1. The church family truly rallied to support the church in prayer and financially when considerable income was lost; some members of the MCN family moving on, and others experiencing some business challenges.*
- 2. God brought two young families to Montwood who have blessed us with the sound of children in the halls and the classrooms each week. Two of the adults joined the church and we expect other new members after the virus situation is over.*
- 3. We are thankful for Chuck and Renee Paris, returning to El Paso (past members of the MCN family), and the opportunity they have given us to minister to the community as never before. They have brought new life and sparked a greater mission spirit among us all. We will continue to support them with volunteers, funding, and prayer.*
- 4. We have also enjoyed the closer fellowship and networking with the other Nazarene pastors and their spouses here in El Paso.*

A prayer and hope for the coming year is to restore small groups in homes and see greater discipleship and spiritual maturity taking place.

As we've been asked to do, I want to list some of the things we've accomplished this past assembly year.

- 1. As part of our community outreach, we had two BBQs over the summer months, one on the 4th of July and one on Labor Day. We provided hamburgers and hot dogs from our grill, plus other food and drinks for children and adults. We engaged over 90 people through these two events. We provided a jump house with a pool for the kids, which was a huge hit with them and their parents. On the 4th of July, many stayed after dark to watch fireworks from our property which has a great view of the Rio Grande Valley.*
- 2. As part of improving our visibility, we established a website and also began recording services and putting them on our Facebook page. Next week, we will finally stream our service live.*
- 3. Due to the faithfulness of our people, we were able to give away over \$2,000 in community aid and compassionate ministry, give \$1,000 to Mission El Paso, and pay all budgets in full, even while spending nearly a tenth of our annual income on water line repair and other unexpected costs.*

Also, we have some prayer requests. Two of these are as follows:

- 1. To improve and expand our online reach. Research shows many people, especially younger ones, will not consider attending a church if they can't watch a service online. We want to put a quality product online which mirrors what we're doing in person, with quality video and audio.*
- 2. We want to expand our ministries to the many young adults in our neighborhood with children, as well as a fair number of single young adults.*

Our goal: to remodel our building to fit the type of ministry we want to do, doing a total refit of the platform to improve online efforts and live services, and adding dividers in the fellowship hall to create teaching and small group spaces for children and adults.

FARMINGTON CROSSROADS COMMUNITY

Pastor: David M. West

Dave and Dreama West

Family Members' Special Days

David: 08/12 Dreama: 10/05
Anniversary: 06/09

Greetings to the District Assembly 2019-2020 from Rev. David West, Crossroads Community Church:

THREE THINGS TO BRAG ABOUT:

- 1. CRCC believes in strong discipleship and mentorship. As a result, we have yet another candidate for ordination! Tammie Summers has completed the ordination program, district required counseling, time served, and is ready for ordination. Additionally, 45 of our teens attended Disciple Now, a three-day discipleship conference in Hereford, Texas. We averaged over 700 people watching Sunday Service during the shelter-in-place as a result of COVID-19.*
- 2. CRCC is outreach oriented. Our mission is Taking the Cross of Christ to the Roads of our Community – based on Matthew 28. This fiscal year, we have seen changes and roadblocks like never before. During this time, God has worked in a great and powerful way. Here are a few ways we saw Him work:*
 - Shared Jesus with 140 people at our Mother's Day event: Once Upon an Apron.*
 - Witnessed to 185 people at Vacation Bible School.*
 - Provided 10 Wounded Warriors a week of vacation that included many Four Corners Adventures, meals, Bibles, Christian fellowship, and salvation message.*
 - Collected Fill the Truck with food for the Food Pantry.*
 - Served the community with an alternative to Halloween. Over 3,600 came through our Trunk or Treat. Every person received a newsletter with the steps to salvation included.*
 - Prepared and served meals at Frontline Mission 18 times.*
 - Holiday Fundraiser – provided 106 shoe boxes for Samaritan's Purse as well as shipping cost for a total of 140 boxes to be sent worldwide. The church came together with great enthusiasm to pour out their love of children worldwide and sponsored a local family of 4 for Christmas.*
 - Our mission endeavors led us to help frame, roof, and complete electrical work at a church on the Navajo Reservation. We have also begun partnering with El Salvador.*
 - Provided 60 emergency food boxes to families, plus 11 turkeys for Thanksgiving.*
 - Gifted \$150 to our Missionary's wife from a Paint Night fundraiser.*
- 3. CRCC believes in spiritual development and teaching the Word (Matthew 6:33-Seek; Luke 10:2-Serve, 2 John 1:8-Strive.*
 - Pastor Eli taught four series from the Bible with an average attendance of 65.*
 - Pastor Tammie taught a Basic Bible Study, Advanced Bible Study, and Here We Stand Articles of Faith.*
 - Men's ministry has been meeting weekly with an incredible group with over 30 growing deeper into God's Word.*
 - The women's ministry meets on Tuesdays, Wednesdays, and an online group that reaches across the US with 135 currently in the group.*
 - 35 Senior Adults gather weekly, get deeper in the Word, pray for needs of the church, and provide assistance where needed.*

TWO PRAYER REQUESTS:

- 1. New online church*
- 2. Communities lack of resources*

ONE DREAM/GOAL:

- 1. To raise up more pastoral candidates for future ministry (we have provided 8 candidates to date and have a goal of 12).*

Gallup First Church of the Nazarene and Mt. Taylor Church of the Nazarene would like to include three things to share with you...

- 1. We would like to brag on Mt. Taylor Church of the Nazarene. Mt. Taylor is an Outpost/Hub to Gallup First. Our supplies and donations now go through Mt. Taylor. We have the "Tucker Brown Prayer & Pantry," named after the Brown family. We have a firewood ministry, thanks to the McGrady Foundation. We have the support of the Oklahoma folks, Bethany First Church of the Nazarene, especially the O'Bannon's, the Franklin's, and Merv Coil. We are proud of NM NMI support, and other individual donations from NM folks like Arnie and Lana Leidy. Thanks to all and for your prayers!!!*
- 2. We have 2 prayer requests for the new year: I request for the District family to keep in prayer the members of Gallup First, for their extraordinary faithful endurance. May God bless them, for I couldn't do it without them! Pastor Dave & Louise Bates, Edra & Serafin Chaves, and Bill & Bev Winkle. Our second prayer request is for God's guidance and protection in this COVID-19 pandemic, and how our churches will deal with the new normal.*
- 3. Gallup First and Mt. Taylor's dream/goal for the year is: Our ministry is all about OUTREACH. May God continue to send the resources for us to implement services to those in need on the streets of Gallup and the Reservation...keeping Christ centered, Amen.*

HOBBS FIRST

Pastor: Sharla Parker

Sharla: 03/05 Greg: 07/29
Anniversary: 10/30

Early in my Christian walk, God taught me that challenges which I encountered here are to be viewed as opportunities to reveal the glory of God.

Wow, this year we have experienced many new opportunities. At the beginning of the year, the Lord gave me the word "Proclaim" for our church. I had spent the last couple of years teaching and preaching on how to prepare the Church for ministry outside of our physical building. My feelings were that God now wanted us to begin to put into practice what we have learned in telling "our story" about how God has been real in each of our lives.

Throughout this past year, we have continued the "Pantry" ministry by touching the lives of many in our community. Little did we know how important this ministry would be, not only to our community, but to those within our Church family.

We have continued with the Angel Tree ministry by blessing 75 children in our community this year. This has been an important point of contact since many of the children are now subject to the stay-at-home order from the Governor.

In November, we added Elia and Arturo Villareal to head our Children's Ministry team. They have done an outstanding job of ministering in Kid's Club and Children's Sunday Morning ministry. They have gone above and beyond the call of ministry as they have put together and delivered monthly activity bags to keep the children in our church connected.

In February, I was involved in laying the groundwork to begin a ministry in one of our local Assisted Living Centers. Unfortunately, this came to a screeching halt as the Center was placed under shutdown. It is our hope that, when we are able, we will be able to pick up and continue in some fashion.

All in all, our church is functioning just as God always intended us to function. We are the Church and the ministry continues. By the grace of God, we are learning new avenues to reach those outside of our building. God has always been and will always be faithful. We continue to glorify Him.

THREE BRAGS:

1. *First, I want to brag on the God we serve! As COVID-19 hit and restrictions were starting to be put in place regarding public gatherings, God took this little church full of dinosaurs and gave them the skills to become a broadcast technology marvel – overnight! We have not missed a service and have even been involved in new ways to reach people with the gospel of Christ and the message of holiness!*
2. *I have been so proud of our youth quizzing this year. For the first time in 6 years, we were able to field a full team of youth quizzers, taking second in the District! Our youth have done a remarkable job of learning how the books we were studying related to the overall story of God in Scripture. Great job young men and women! Go with Christ!*
3. *God not only continues to provide for our needs, he has allowed us the privilege to help others through the past few months. We have been able to provide rides to doctor visits and stores. We have provided water and toilet paper for people who were not able to get any because of the early hoarding (when I went to the store, there was water and TP)!*
4. *I know, I'm cheating. We had a great review and came out with some direction for the year. Thank you Dr. Lacher for your guidance and for sharing the message that the Lord had given you for this season.*

TWO PRAYER REQUESTS:

1. *That Jesus will help us desire Him more and more. That He would be the center of our lives together and apart.*
2. *That we will be willing to move forward with the leading of the Holy Spirit. We need to release our will to God's direction and long for what God is doing now. Our thinking needs to be redirected away from Egypt/Sodom.*

DREAM:

Christ gave us a vision for His Church in Truth or Consequences. While we may or may not see the fulfillment of that vision, it is my sincere passion that we will remain faithful in working toward its completion with rejoicing and thanksgiving. The vision was of a multi-ministry facility that could facilitate job prep, after school tutoring, soup kitchen, dry shelter, worship, and – most of all – equipping and training Christ's disciples.

Las Cruces First is a Church that seeks to Love God & Others Through Service (Matthew 22:37-39). This year we have grown more in love with our God in various ways through Sunday School classes, Bible Studies, and prayer and fasting, particularly through the season of Lent. As a result, we have continued to reach out to our community and neighbors with the love of Jesus through our annual Fall Fest, Teacher Outreach, and Family Outreach BBQ in our local parks.

We have been blessed to see our youth ministry grow and thrive this year through the addition of a youth intern, Grace Hasselstrom. As a result, our youth group has doubled this year. One particular highlight was the growth of our praise team because of the youth and their participation in helping to lead worship at this year's District NYI Winter Retreat. Another highlight has been the continual work on our building through our Faith Project, our five-year plan to address deferred maintenance on our building, debt-free.

Through the COVID-19 Crisis, the Church is thriving through online services and Zoom Bible Studies for our youth ministry and regular weekly Bible Studies. We might not have liked it, but we have seen several people outside our regular attenders engage our services and God's Word. Thanks to faithful giving, we were able to install a new streaming system for the continual use of broadcasting our service on Facebook and YouTube.

In the next year, we are looking forward to starting the fifth year of our Faith Project and beginning to address some of our big projects in our fellowship hall and making our bathrooms handicap accessible. We are thinking through how to minister in our post COVID world thoughtfully and appropriately – particularly praying through how our outreach ministries need to change to meet the needs of our community.

LIVING STONES COMMUNITY - CLOVIS

Pastor: Dale Wesley

Pastor Dale and Sheila Wesley

Family Members' Special Days

Dale: 12/01

Sheila: 04/15

Anniversary: 03/14

Three bragging points:

1. Trunk or Treat: Living Stones had a great turn out again this year with 200 men, women, and children from our community attending. During that event they were able to meet the members of the church at 35 trunks and hear that Jesus is not a trick, rather He loves them and has a plan for them. Parents and kids rode in a train and shot hundreds of pumpkins from a trebuchet. The children also jumped and played in a bouncy castle.
2. Easter Parking Lot Praise: Because of the Corona virus, we started out having services online. Starting on Easter Sunday we celebrated in the parking lot, an FM transmitter was loaned to us and everyone tuned their radios to 107.9. We enjoyed it so much we have not stopped having services in the parking lot. We also had a funeral of one of our faithful saints and prayer warriors, Joe Lumbrera, in the parking lot. We have turned the parking lot into a new kind of sanctuary.
3. New School Director: We looked high and low for just the right person to direct our pre-school. The board prayed that God would lead us to the right director. We felt that God led us to Rev. Brock Greenhill. Then, as soon as he accepted, Corona virus broke out and we had to close down our school and figure out how to pay 30 unemployed teachers. Mr. Brock was just the right man to lead us through this crisis with the school. As of last week, we pre-enrolled 255 students for when we start back up in the fall.

Prayer Requests:

1. We have begun to pray that God would start a revival in every car and truck, even as we worship in the parking lot. I pray that each and every heart that has been coming and has started to come would feel a powerful outpouring of the Holy Spirit. Truly every week as we pull into the parking lot the Holy Spirit does come and meet us. Even in the awkwardness of everyone being in vehicles and singing and preaching from a flatbed trailer, there is an unusual moving of God. My prayer for this new church year is that our hearts would be turned into the hearts of an evangelist as we reach out to our neighbors, friends, and strangers that do not know Jesus.

Dream or Goal:

We have a strong and powerful children's department. I would love to see an equally strong youth group that can receive children as they transition into the youth department.

LOS ALAMOS LA VISTA

Pastor: Jeff Moore

Jeff and Lara Moore

Family Members' Special Days

Jeff: 06/10

Lara: 05/01

Anniversary: 05/24

Dear Dr. Gustavo Crocker, Dr. Larry Lacher, and District Assembly Delegates,

I would like to brag on the Lord and the work He has done in the past year through the great people of La Vista Church of the Nazarene. First of all, we held several successful community outreach events, including our Splash into Summer Event, our very first Bicycle Maintenance Clinic, and Trunk or Treat where we dressed up as Bible characters and shared the Gospel. These were all great opportunities for the whole church to come together and use our skills and gifts to serve the community. Second, I would like to celebrate the fact that our board and volunteer staff sought the Lord and developed a new mission statement for our church: **Our mission is to faithfully serve our community in genuine love.** This simple, straightforward declaration will guide us as we plan for the future and implement these plans with the Lord's help. Finally, I would like to brag on how well the people of La Vista have adjusted to this new environment during the pandemic. We continue to stay connected with each other and share the Gospel in our community, despite not being able to meet in our building or host community outreach events.

Please keep us in prayer as we continue to pray for you. First, pray that the Lord helps us to discover how we are to live out the mission statement He has given to us to "faithfully serve our community in genuine love." Second, please pray that the Lord helps us to make an impact for the Kingdom in our community. We want to be a church that makes a difference and changes not only individual lives, but the atmosphere of our entire community.

We believe the Lord has us in White Rock and Los Alamos for a very special purpose, and our dream is to live out our mission to faithfully serve others in genuine love. We especially desire to share the love of Jesus with those who are hurting and isolated. In the coming year, we want to align all our ministry efforts to the mission statement the Lord has given us.

~Thank you and God bless, Pastor Jeff Moore

Alanna and Jonny McDuff, Jeremiah, Abigail, Hannah, and Chloe

This year, we saw a lot of changes in our ministry leadership: a new worship leader and several new worship team members; completely new daycare ministry staff and teachers; and a new church secretary. These situations had the potential to be sticky at best, but God has worked amazing things through these changes in leadership as He has raised up leaders in these ministries who are passionate about serving Him and serving His people. I am amazed at what He has been doing to put leaders into place who are serious about the mission to make disciples in our community.

I want to “brag” if you will, on our church board, who have had to tackle some difficult decisions this year to lead our church in God’s will. Again, I have been amazed at how God has used this group of people to strengthen and encourage His church, and how willing they are to do whatever He calls them to do.

I also want to “brag” on all of those who call Cornerstone Church their home. The last few months have left us with a lot of uncertainty at times, but Cornerstone Church is a group of faithful, compassionate, and loving people who have exemplified in every way what it means to be the body of Christ during this time. I am humbled by the faithfulness, not only to the Lord, and their dedication to their walks with Him, but I am encouraged by their love for others and their willingness to put their own comfort aside to help others and to show Christian compassion.

Of course, as a group of flawed humans who serve a perfect Savior, He is always calling us to deeper things. This year, I would ask for my brothers and sisters to join us in praying for a mighty work of spiritual growth at Cornerstone Church. We are working on starting a new mid-week service for prayer and study, and we want to have that time bathed in prayer before we move to make it a reality. I would also ask for prayer for our daycare ministry this year, that God would help us use that ministry to reach our community in more amazing ways so we can minister to families in our community.

My dream for Cornerstone Church is for us to develop and implement more ways for our church body to grow deeper spiritually, both when we are gathered, and when we are apart. I would like for that to start with a weekly prayer service to focus the body on pressing in to hear God’s voice in their lives and the life of the church.

LOVINGTON

Pastor: TBD

Lovington Nazarene will have been without a pastor for two years at the time of District Assembly 2020. Even though it has been a struggle at times without the leadership of a pastor, it has been amazing how lay-leaders in our church have come forward to fill the gap during this time.

David Reed, our NYI president and youth group leader, consistently has a large group of teens gather for fellowship and study on Wednesday nights. And for teens that are transitioning out of the youth group and are in limbo, David and his wife, Lisa, have organized an “In Betweeners” small group to address these young adults.

We continue to have a strong praise team, which uses the talents of our teen and adult musicians. Once a month the teens exclusively lead the worship service which helps tie their families to morning worship, but more importantly lets our teenagers grow and express their faith through worship.

Our youth and children’s ministries are the lifeblood of our church community and Margaret Casas leads our younger kids in well-prepared “Children’s Church” lessons.

All of these pockets of contact within our church community are the glue that holds us together until God calls a pastoral family to Lovington Naz.

In the meantime, please pray for our church and community during this time of transition and that we will remain faithful and open to God’s will even after our pastorate is filled.

*Our dream for this church is that we continue to be a conduit of God’s love and truth to our community.
~Sincerely, John Graham, Board Secretary Lovington Church of the Nazarene*

ROSWELL FIRST

Pastor: Nathan Bienhoff

Dear brothers and sisters in Christ,

It is a blessing, honor, and privilege to submit my very first report to this year's District Assembly in New Mexico. Rebekah (my wife) and I were not looking to make any changes. We were excited about what God was doing in our assignment in Lake Jackson, Texas. It was a surprise to us to be called to serve in a place that was not even on our radar; however, we ARE EXCITED. God has been good! Even in the midst of the COVID-19 stay-at-home quarantine, we are seeing His Mighty Hand at work in our midst. Praise be to God!!!

This year, we arrived at our new assignment in Roswell, New Mexico on January 16th and officially began our assignment on January 26th. Dr. Lacher led Roswell First in a very special "installation" service. We could sense God's presence with us as we formally accepted the responsibility to serve the Roswell First Church of the Nazarene family. Soon, in March, our congregation, like many others, were asked to "STAY AT HOME" because of the Coronavirus. Our people, like many others, have ached to meet together once again.

In light of these nuances to our new assignment in Roswell, I would like to report three exciting things that we have experienced in our short time here...

- 1. The few worship services that we've had have experienced a wonderful outpouring of the Spirit's presence. Praise the Lord!*
- 2. People have been receptive to the challenge of God's Word and have responded to the call to go deeper and to reach out to others for the sake of the gospel. Praise the Lord!*
- 3. Due to the Coronavirus, all three Nazarene churches in Roswell have unified to bring a "Livestream" service and have also expanded their outreach efforts. People from California to New York and everywhere in between have attended. Salvation and Sanctification have been preached. God's Word moves forward and advances! Praise the Lord!*

Please remember us in prayer...

- As we consider making necessary changes in order to facilitate growth.*
- As our Pastoral Staff and Leaders seek to lead in humility and grace.*

We believe that God has GREAT THINGS in store for us as we continue to provide a place for people to connect and encounter an Almighty and Holy God.

As we look forward to what the future may hold, we anticipate a mighty outpouring of His Holy Spirit and His Holy Presence. Our goal is to see the lost saved and those who are dead in their spirit brought to new life in Christ. We hope to report at least 10 new conversions to next year's District Assembly.

~Thank you for the opportunity to serve. Respectfully submitted, Pastor Nate Bienhoff

ROSWELL NEIGHBORHOOD

Pastor: Hector and Susan Torres

Family Members' Special Days

Hector: 08/13 Susan: 04/12

Anniversary: 11/15

Dr. Crocker, Dr. Lacher and New Mexico District Church of the Nazarene, greetings in the name of the Lord from Neighborhood Church of the Nazarene, Roswell, NM. I would like to take this time to:

- 1. Brag on how good God has been to us in Roswell at Neighborhood Church. He has blessed us with His presence in our services and in our individual lives as we minister to our neighbors.*
- 2. Brag on our Neighborhood Pantry as we continued to serve our community in Roswell by providing much needed food twice a month. Neighborhood Pantry started in October of 2010. We have had to come up with new procedures to continue serving with contact-less food delivery due to COVID-19, but God has been faithful through it all. Neighborhood Food Pantry is supported by all three Nazarene Churches in Roswell.*
- 3. Brag on how God provided a way for Neighborhood Church to continue ministering to our congregation while churches were not able to meet during the statewide shut down due to COVID-19. We partnered with Roswell First Church and Central Church and recorded combined services with all three pastors taking part in the sermon. We had two parking-lot services using WILMA, our converted box truck. All three congregations were blessed with unity and we are looking forward to doing future outreach ministry together.*

Two prayer requests:

- 1. We would like to request prayer for our lead pastor Hector Torres. Pray that God would continue to heal him and restore him to ministry. God has been so good to Hector and is healing him daily. He has come so far. Pray for healing in his legs that he would begin to walk again.*
- 2. We would also like to request prayer for our leadership team to continue to be sensitive and to be led by the Spirit of God and be obedient to what He leads us to do.*

Our dream at Neighborhood is to be 100% filled with the Holy Spirit, winning souls to Christ, baptizing, and discipling them to full maturity in Christ and repeating this over and over again.

~May God richly bless each and every one of you!

Anniversary: 10/08

Marco: 04/21

This year has been a difficult time for us, both in ministry and for the family. As Christians we can be sure that God has always been with us. During this time, we have been able to feel His presence. Since we are in need, we have had no other one to go to than Him.

We are absolutely sure and encouraged to continue serving the Lord in the way that He guides us. We are in His hands!

If we must choose three things in which we feel blessed and to boast about, they are:

- 1. As a family, we are more united than ever. We believe that each one has been blessed with the desires of our hearts and our family is His. "This is what the LORD says: 'Let not the wise boast of their wisdom or the strong boast of their strength or the rich boast of their riches, but let the one who boasts boast about this: that they have the understanding to know me, that I am the LORD, who exercises kindness, justice and righteousness on earth, for in these I delight,' declares the LORD." Jeremiah 9:23-24*
- 2. There is no one on earth who is like our God, who has always taught us to be kind, loving, reasonable, and just. Even in our weakness we boast of the strength that our Lord has given us to keep going. We trust that God is shown and powerful through our lives. "Three times I pleaded with the Lord to take it away from me. But he said to me, 'My grace is sufficient for you, for my power is made perfect in weakness.' Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me. That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong." 2 Corinthians 12:8-10*
- 3. Lastly, we are fortunate that God has chosen us to serve others and serve Him. It is by His grace that we are standing today in the power of God to continue taking His gospel to the place where He has brought us. "May I never boast except in the cross of our Lord Jesus Christ, through which the world has been crucified to me, and I to the world." Galatians 6:14*

We ask you to pray that the Lord will continue to strengthen us to choose Jesus over ourselves, over our own comfort, convenience, and preconceived ideas.

And also pray for a healthy life of the Santa Fe First Church of the Nazarene, that we find other people who want to build with us a community full of grace in holiness as God's people.

Our goal and our dream has always been that we not only have sweet Sunday services and adequate fellowship, but that the people who meet with us are willing to grow together in Christlikeness, that the church believes in being the body of Christ to grow spiritually and that we are a local, visible church.

Objectives, present and future.

- 1. In the sense of bragging, and I will be careful (Proverbs 27:2), we did our best to adhere to Colossians 3:17. (1) During Thanksgiving, 12 turkeys, along with all the trimmings, were given to the needy. (2) At Christmas, boxes of food were given to the needy. (3) One of our members who loves to hunt, killed some deer and gave the spoils to a Native American reservation and he gave me a wild turkey that he killed. We proudly were representatives at the community park during the National Day of Prayer. Our bragging can go on, but I will stop here.*
- 2. Prayer requests: (1) The restoring of the church after this layoff due to the pandemic. (2) The comfort of all who lost a loved one due to the virus, and prayers of thanksgiving for all who fought on the frontlines against the virus and are still fighting.*
- 3. My goal: To continue to work unwavering for the advancement of the Church. To be a good Christian Practitioner as referenced in Isaiah 1:19.*

Greetings from Tularosa Church of the Nazarene,

This past year the church had its ups and downs. We made a significant change in how ministry was being run. We began to grow in number. Then COVID-19 came along and we had to learn how to do church on Facebook.

In the upcoming year my prayers are for wisdom and guidance as we basically start over, and for spiritual growth as well as in numbers.

My dream is to see Tularosa Church of the Nazarene become the church God has called it to be.

12 BIBLICAL PRINCIPLES OF CHURCH PLANTING

1. **THE BOSS PRINCIPLE:** Christ is the Lord of church planting and He has a vision for your new daughter church. (Ephesians 1:22-23)
 - a. Christ is the Lord of church planting.
 - b. Christ has a vision for your daughter church.
2. **THE POWER PRINCIPLE:** Prayer is the indispensable source of God's power and wisdom in each step of daughter church planting. (Philippians 3:7-11)
 - a. Prayer is important because it leads us to intimacy with Christ.
 - b. Prayer is important because it puts us in touch with Christ's vision and plan for His church.
 - c. Prayer is important because it opens a door for the gospel.
 - d. Prayer is important because it is the key to God's provision for church planting's many needs.
3. **THE NEHEMIAH PRINCIPLE:** God's vision must lead to prayerful planning, the result of which should be a comprehensive IMPLEMENTATION PLAN (Vision, Involvement, and Plan). Luke 14:28, Proverbs 16:9, Proverbs 11:14)
4. **THE BARNABUS PRINCIPLE:** Every church planter needs a mentor. A mentor is someone who has been where you want to go and is willing to help you get there. (Acts 11:25-26, Acts 13:2, Acts 16:1-3)
5. **THE TEAM LEADER PRINCIPLE:** The church planting pastor is most effective as part of a team on which the planter serves as the visionary leader. (Acts 13:1-3, Acts 13:27, Acts 13:13a)
6. **THE MISSION PRINCIPLE:** The central work of the new church will always be to help put their trust in Christ, and grow into maturity as His followers. (Luke 15, Matthew 28:18-20)
7. **THE LEADERSHIP PRINCIPLE:** Leadership development lies at the heart of the new church's mission and the most important leadership quality to develop is spiritual maturity. (Ephesians 4:11-12, 2 Timothy 3:16-17, 1 Timothy 3:1-10, Titus 1:5-9)
8. **THE BRIDGE PRINCIPLE:** Understanding and communicating sensitively to the hearts and minds of people in the target community is essential to reaching them effectively with the gospel. (1 Corinthians 9:19-23, Acts 17:22-23)
9. **THE MAGNET PRINCIPLE:** When God plants a church, there should be wide-spread community awareness and interest. (Matthew 5:14-16, Acts 2:47b, Acts 11:20-21)
10. **THE BALANCE PRINCIPLE:** The church planter's spiritual life, family life and ministry life must be in biblical balance. (1 Timothy 3:4, 1 Peter 3:7, Ephesians 5:25)
11. **THE MULTIPLICATION PRINCIPLE:** Healthy churches will reproduce and daughter church planting should be envisioned and planned from the new church's beginning. (Acts 1:8, Acts 8:1b, Acts 11:21, Acts 13:1-3, Psalm 127:3-5)
12. **THE JOSEPH PRINCIPLE:** Attending to organizational and administrative matters will protect and stabilize the new church, and enable it to grow in a healthy way. (Acts 6:1-5, 7a, 1 Corinthians 14:40)

ALBUQUERQUE (SANDIA) VALLEY CHURCH

Pastor: Rev. Patti L. Rivas

Our church has enjoyed worshipping together, growing in the Lord, and serving our community for the Kingdom. This past year we have kept busy with **our studies**, we have 1 person pursuing Ordination, 3 persons participating in Alliance Courses, and 10 who have taken Continuing Lay Courses; Old Testament and New Testament, 6 members have completed our Nazarene Children's Ministry Academy, Naz Safe, and completed Raising Highly Effective Children as we partnered with our Local Sheriff's Department and Polk Middle School. Due to our studies, regular Bible study and church attendance, our members were inspired to give out holiday gift boxes to families in need, we partnered with local school counselors and a Barbershop, we hand delivered over 50 boxes that included a calendar, family game, puzzle, and nonperishable food. We walked over 2 miles with Crosses on Good Friday in our local community and created a Prayer Walk on our Campus for Easter. Our **Family Ministries** partnered with the Portales Church of the Nazarene as they hosted a VBS here at our church. Over 60% of the participants (children) were from our local community and did not have a church home. One family has joined our church because of the VBS. Our Harvest Festival included many partners: local art teacher, food truck, and face painters. Our Valley Church kids participated in a quiz meet on the same day and were ecstatic when they saw many families from our community receiving the Word of God while playing games. Over 95% of our weekly church members supported the event and we had visitors through the holiday season. We have started a **Spanish** worship experience, music, prayer, and a translator! Our Spanish speaking Lay Leaders support and lead our Friday Night Prayer Service.

Prayer requests: 1) The growth of our church as we continue to minister to our community and that people would receive Christ as their Savior. We also want to be prepared to disciple those who have come to know Christ. 2) That we can be a Beacon for our community through our compassionate ministries.

New Year Prayer: Plant new churches...Spanish Ministry Church, and an East Mountain (Edgewood) Church. We have relationships with Nazarenes who live in the Edgewood area and a Spanish speaking community looking for a Holiness church.

~Submitted respectfully, Rev. Patti L. Rivas, Sandia Valley Church of the Nazarene

BERNALILLO NUEVA ESPERANZA

Parent Church: Albuquerque Heights First Church of the Nazarene

Average discipleship attendance: We only have one combined time together, short, simple and bilingual (Native, Hispanic and Anglo attend simultaneously)

New Believers for this past church year: 8

3 things you are proud of in the past year:

1. **Inclusiveness.** Every day at Nueva Esperanza (New Hope) we celebrate the gift of life, love and having a family in Christ regardless of our cultural backgrounds, color of skin or personal circumstances. Nueva continues to be a highly diverse and inclusive compassionate ministry center. Every person has a name, and a story. Our Wednesday get-together is always bilingual.
2. **Intentionality.** Every day brings a daily chance to touch someone with God’s love and show them the way to heaven no matter what is going on; giving food out, sharing a warm meal together, sorting hauling or working on donations at the thrift store, having fellowship with one another, praying together, reading God’s Word or listening to a short sermon. It is the right time and place to share Christ and confront them with the question of salvation. Our small multipurpose back room becomes a sanctuary and prayer room on Wednesdays. We have 12 people average, and more on special occasions. Individuals keep turning to God for help in their distress; their broken hearts are affirmed that the God of heaven and of second chances still cares for them. Single Latino moms are encouraged to continue forward as Jesus walks along their side.
3. **Inviting.** We keep inviting people to belong to God’s family. Our ministry continues to be highly relational. Jason, who was an addict, came to one of those Wednesdays with his friend. He quietly sat around our “church” room seemingly sleepy. He was high on something, but we did not want to kick him out. I had no idea if he was actually listening. He left at the end without saying a word. We had not seen him often. We had heard he went to jail. Surprisingly, he later came to our Thanksgiving celebration looking great, completely clean, and with a big smile on his face. He gave us a beautiful drawing he made while in prison. He said with authenticity, “Thank you for helping me and reminding me God has not given up on me.” He had surrendered to Christ there. Praise God! No matter what happen next, we are assured we will see him in heaven. There are many “Jasons” coming to our doors, high-risk individuals who we may not see again, yet hopefully we will see them in heaven.

We are also thankful for each volunteer and worker God has sent us, including some amazing, passionate, resilient, hardworking people from Heights First Church, like Eileen and Jolene. Not to mention our right-hand at the shop, Ruth Hasenauer, and other volunteers from Bernalillo, Margarita who is diabetic. Some of them have serious health issues and limitations yet that does

not stop them in any way! For that, we are deeply thankful!

3 things you are praying about:

1. Would you pray for more effective ways to minister to the homeless, broken homes, and those struggling with drugs and alcohol in our midst?
2. We are still working on teaching how to be intentional, sacrificial givers and tithers. Most of our families and individuals have a fixed pension, are without a job or a part-time job. Income is still limited, and we have no paid positions. We would not like to drain our savings.
3. Would you continue to pray for our health and strength as a ministry?

1 goal for the coming year: Become more self-sustaining. The thrift store income is not enough to pay our bills, nor our church income enough to pay the rent. We are forever thankful to our mother church for supporting Nueva and believing in us.

~Erika and Brian Hasenauer

Dawn Davis here, campus pastor of Vista Grande Community Church of the Nazarene. I thank God Almighty for the privilege and honor to share with you what God has been doing here in the northeast heights of Albuquerque. I would like to share a few memories of pride where God has placed His hand upon us. Our seasoned church members have known for years how to plan, organize, and implement outreach events for communities. Therefore, when Thanksgiving came around this past year, they were ready and willing to serve and love on the community with a Thanksgiving Dinner. However, this year, our Lord wanted to do a new thing. He was leading us to step aside and allow the Apartment Complex to put on a Thanksgiving Dinner. This seemed very strange and uncomfortable to us. We were used to taking charge and making things happen. However, God made it clear that, as His people, we were to simply come alongside and offer assistance and, if welcomed, proceed. Vista Grande Community Church resides within an apartment complex where there are 98 units that range from one- to four-bedroom apartments. When people come to this apartment complex, they are looking for a place to call home. They are not looking for a place of worship or wanting Christians to come invade their space. There is an African story about elephants. When a family of elephants come to a water hole and there is already another family of elephants in the hole, the new arrivals do not just charge into the water hole. The dominate elephant of the newly arrived herd steps into the hole backwards with his backside exposed which is the most vulnerable position to be in. He slowly walks backward into the water hole asking for permission from the dominate male of the existing elephant herd. The new herd is not welcomed into the water unless the dominate elephant of the existing herd taps the newcomer on the rump with his trunk. If, or once this has happened, then and only then are the newcomers welcomed to get into the water. Our act of obedience by not evading has caused us to have continued favor with the community. This event caused one of our members to come back into the body of believers where she has been tithing and staying faithful to God as she stays faithful to the body of believers. In February of this year, I had the privilege of baptizing a mother of five and bring into membership her and her fiancé. They have been walking with Christ and have been faithful in worship and Bible study ever since. Because of the COVID-19 pandemic, we have not been able to gather as a church, however, it has not prevented God from continuing to grow us. Because we have not been able to work, we have had more time to really get into discipleship. We are growing and learning and being God's people. We are praying that God continues to give us favor with the owners and residents of the complex. My hope and prayer is that we continue to grow in number by multiplying our fellowship of believers as we mature in Christ. I think of you, the congregations around the state of New Mexico, often and pray for you regularly. I look forward to reading how God has been moving within the New Mexico District. I am excited to join with you in continuing to be led by Jesus Christ in the coming year!

WOVEN INTO GOD'S STORY

Susie is fun, creative, and has traveled to every continent in the world—yes, even Antarctica. Susie grew up in Bethany, Okla., and attended Southern Nazarene University where she received a B.A. in Communications with minors in education, English and creative writing. She received her Master's Degree from the University of Central Oklahoma. She joined Focus on the Family to create a magazine for teen girls. *Brio* was launched in March of 1990. Susie, already an ordained elder in the Church of the Nazarene, entered fulltime evangelism while launching a new magazine for teen girls titled *SUSIE Mag*. Three years later, she changed the title to *SISTERHOOD Magazine*. Susie continued as editor until 2014. Susie was a youth pastor, and has taught English, drama, creative writing in the

public schools. Susie loves bright colors, the smell of brand-new tennis shoes, burnt hotdogs, sock monkeys and laughing till her sides hurt. She is a master at blending Scripture, creativity, depth and humor when she speaks. I can't wait to hear Susie speak to us at retreat. *Woven into God's Story* is going to be fabulous!
