Sunberg Presides Over 109th Assembly

Dr. Carla Sunberg was elected 43rd general superintendent of the Church of the Nazarene at the 29th General Assembly in Indianapolis, Indiana, in June 2017. At the time of her election, Dr. Sunberg was president of Nazarene Theological Seminary, where she had been serving since January 2014.

She was ordained on the Russia North District, where she and her husband, Chuck, served the Church of the Nazarene for 13 years as pioneer missionaries to the former Soviet Union. While in Moscow, Russia, she served as director of Compassionate Ministries and later as director of theological education for the field. In 2005, the Sunbergs returned to the United States and began pastoring at Grace Point Church of the Nazarene in Fort Wayne, Indiana. In 2011, she and her husband accepted a call to serve as co-district superintendents of the East Ohio District Church of the Nazarene.

Sunberg has a bachelor of science in nursing (BSN) degree from MidAmerica Nazarene University, a master of Arts in Theological Studies (MATS) degree from Nazarene Theological Seminary (NTS), and a Doctor of Philosophy (PhD) in Historical Theology from Nazarene Theological College and the University of Manchester, United Kingdom. In May 2012, she was awarded an honorary Doctor of Divinity (DD) degree from Olivet Nazarene University.

Dr. Sunberg has a long record of service to the Church of the Nazarene. She has served on the General Board; on the Board of Trustees for NTS and Mount Vernon Nazarene University; as member and chairperson of the USA/Canada Region's Nazarene Women Clergy Council; and as member of the board of the Church of the Nazarene's Pensions & Benefits USA. In addition, after serving on its board as the official representative for the Church of the Nazarene, Sunberg also served as president of Wesleyan-Holiness Women Clergy.

Sunberg is co-author with Gene Van Note of *Faxes from Russia* (Beacon Hill Press, 1996), as well as author of numerous articles for various church publications. She has also written *Reclaiming Eve: The Identity and Calling of Women in the Kingdom of God* (Beacon Hill Press, 2014) with co-authors Suzanne Burden and Jamie Wright, *Reflecting the Image: Our Call to Mirror Christ in the World* (Beacon Hill Press, 2015) written with Keri Mitchell, and *The Cappadocian Mothers: Deification Exemplified in the Writings of Basil, Gregory and Gregory* (Wipf Stock, 2017).

Carla was born in Germany, the daughter of missionaries. She loves to teach and train leaders for the future of the church and has served as adjunct faculty for a number of institutions. Her heartfelt passion is a life of holiness and service for the Lord. Carla and Chuck are proud parents of two adult daughters, Christa, who along with her husband, Iain Maciver, lives in England; and Cara, who with her husband, Justin Shonamon, and daughters Mackenzie and Alice, lives in Shawnee, Kansas.

DISTRICT REPORTS

DISTRICT SUPERINTENDENT'S REPORT

Dr. Larry Lacher, District Superintendent

What Difference Are You Making?

It has been my honor to serve as superintendent of the New Mexico District for my third year and to receive a strong endorsement from the district assembly extending my service for four years. I am truly humbled and grateful to be able to serve God and the church in this way and thankful to you for your trust and partnership as we work together to make this district a stronger and more vibrant district together.

I want to welcome you all to our 109th District Assembly for the New Mexico District and express my appreciation to Heights First Church, Pastor Tim Tharp and his amazing team for their outstanding hosting of our Conventions and Assembly. As always, they have demonstrated excellence in all they have done. I also want to welcome Dr. Carla Sunberg to New Mexico and thank her for her friendship and coaching throughout the year. I also want to welcome our other special guests, Dr. Ron Benefiel of Point Loma, Dr. Scott Sherwood of NBC, Rev. Jon Twitchell of the Nazarene Foundation, and, most especially, all of you New Mexico District Nazarenes, both here in the room and those attending remotely.

I want to begin my report by thanking you for granting me a lengthy sabbatical leave this year, which gave me both time to rest and time to survey the land that God has given to us in the New Mexico District, focusing on El Paso and the part of Texas that is part of our district, the Southeast corner of New Mexico and the Northeast corner of New Mexico. During this season, the Lord seemed to speak to me three words of scripture:

Deuteronomy 1:8, *See I have set the land before you. Enter and take possession of the land the LORD swore to give to your fathers Abraham, Isaac, and Jacob (Chapman, Cagle, and Davis [our first three DSs] and their future descendants.*

Deuteronomy 1:21, *See, the LORD your God has set the land before you. Go up and take possession of it as the LORD, the God of your fathers, has told you. Do not be afraid or discouraged.*

Joshua 18:3, *So Joshua asked the Israelites, "How long will you delay going out to take possession of the land the LORD, the God of your fathers, gave you?"*

In my survey of the land during my sabbatical, I saw that we could put a "pin on the map" for at least 67 new churches in New Mexico and South Texas. I will tell you at this point that I have not let that dream go back to sleep. I am continually working to find resources, use the resources we have, train the people we have, and keep the dream constantly alive and active in every way. Some of those ways include:

- Our Trinity Church has offered to reinvest its building back into the district to be sold to support the starting of new works in and around El Paso. These proceeds will be the beginning of the Texas Fund which will be about \$500,000, and will be strategically allocated to help us to expand the work that God is helping us to reimagine in the El Paso and Borderland area. God is drawing workers to this harvest field who see the harvest and have a burden for this fastest-growing part of our district. I believe that it will not be long before El Paso becomes an anchor of mission for our district again as it has historically been, thanks to the vision and sacrifice of people who are able to see the great harvest that is there.
- We are also working with Global Missions resources to help train and plant churches in El Paso and into Texas. As collaborative effort is being established to create a training school in the Wenda House and

Roberto and Rhesa have offered to help in any way they can with the blessing of the Global Ministry Center. Other resources have been promised to support the vision.

- With Texas in mind, perhaps it is time to consider renaming of the district to include our Texas responsibility. I have been toying with a couple of thoughts.
- The Wenda House with Imagine is preparing to become a host center for short term mission teams from several of our Nazarene Universities. We are considering how to leverage these opportunities to strengthen our efforts to plant and to grow churches in the greater El Paso area and in the New Mexico District.
- Rev. Angela Walker has joined our team in El Paso and will work with Chuck and the district on Immigrant issues, becoming a resource for us in that area.
- Not to neglect the rest of the district, we will be more intentionally using Pete Myers out of Albuquerque in providing regular assessment and training of church planters.
- We had several couples attend an Assessment Center in Arizona in May so that they could be prepared as future church planters.
- Pete and I are working on plans to create a regular rotation of church planting training on the district as we become more intentional about planting churches across the district.
- With the Board of Ministry, I am still working to make the process of ministerial preparation on the district more complete and robust so that we can raise up leaders to be equipped to help bring in the harvest.
- Our division into new Mission Areas last year is beginning to bear fruit, notably among the Hispanic Mission Area and the Sacramento Mountain Mission Area. You will hear reports today of how our Mission Areas are beginning to partner together to think beyond the border of their local churches and to begin dreaming of missional engagement throughout their sector of the land which God has granted to them.
- Ultimately, the most successful church planting model is churches-planting-churches. Therefore, it is the district's responsibility to cast vision for church planting and to come along side churches that are catching that vision with resources and support where we can.

Last year, by God's grace, we were able to report that the financial negative balance of the district had been erased. I cannot tell you what a miracle that was. It seems that across the district, this year has been the Covid slump in income. Most of the churches are "tight" financially, since they are not getting any backstop money like they did last year. Still our churches have been faithful in giving to their budgets, for which I am so grateful and our Finance Committee continues to hold the line on expenses, so that there were no projected increases in the district expenses this year. I deeply appreciate the sacrifices that churches and pastors make in order to be faithful to their broader commitments to the district and global church and certainly pledge to be prudent and frugal in the use of the funds entrusted to the district to be invested carefully for missional purposes. On the good side, many of our churches with schools and/or daycares received significant government checks this year and have put that money to good use for salaries or facility improvements. The

highest one I have heard of was over \$900,000. In the end, we received almost exactly what we had budgeted to receive in district income this year thanks to the faithfulness of our churches across the district.

So, Let's Get a Picture of the Numbers and Celebrate:

First of all, I am overwhelmed that virtually every one of our churches paid all of their budgets in full during this very difficult year.

Now, before we list individual churches, I want to show you something that I think is absolutely remarkable... As a district, we have paid over 100% in every category of our mission to others – in a year that has been difficult for every local church. I'm sure Dr. Sunberg can correct me, but I can tell you that I have never been on a district in my forty years of ministry where it has been the case that the district has been over 100% in all areas of ministry to others. I am so stinking proud of you. I want you to congratulate yourselves!

I also want to thank and congratulate individually those that paid all their ministry to others budgets in full by providing a certificate of appreciation and a little treat for the pastor – coffee! The pages will deliver these to you later. As I read your name, would your delegation stand and remain standing until I finish the list, then we will celebrate together.

I am proud of these churches and thank their monumental efforts in a very hard year.

Dollars help support the mission, but the mission is to make Christlike disciples in the Nations. So, the numbers that truly matter are these. Our district reported a total of 247 people brought to Christ this year, 95 baptisms and 127 New Nazarenes! Thirty of our churches reported seeing at least one person coming to Jesus this year. Leading that list was:

1. Farmington Crossroads Community with 48
2. Albuquerque Pajarito Mesa with 40
3. Clovis Living Stones with 24
4. Aztec with 17
5. Albuquerque Sandia Central, Sandia Valley, and Revival and Compassion Ministries, each with 10.

As you know, I have focused my “rebuilding” of the district around “Four Pillars of Awakening:” *Intentional (corporate) Prayer; Passionate Throne-ward Worship; Deliberate Discipleship; and Intentional Engagement with the Broken in Your Community*. I am delighted to see many of our churches taking intentional steps to improve their ministries in these areas and I could highlight a number of specific churches that are doing remarkable things in each of these areas. Rather than taking up space to talk about individual churches, I’d like to mention three ways that we are intentionally keeping these themes in front of our churches.

1. I have determined to use my Leadership Retreats specifically to provide teaching and practice in these themes. This past Fall, we invited the Jones Gang (Corey, Beth Ann, Chad, and Marti) to teach and model Throne-ward worship. It was a wonderful retreat in which God moved in and provided both great teaching and modeling as well as renewing and healing for weary pastors.
2. This Fall, Dr. Carla Sunberg will be our speaker to talk about how making missional connections creates gospel opportunities (*Intentional Engagement with the Broken in Your Community*).
3. About five of our churches got involved in a pilot project that we have been working on in cooperation with Point Loma on Virtue Formation. We have been developing a process of “discipleship” designed around a Wesley approach to virtue formation that is informed by psychology and behavior science. The question is, “How do we help people not just to know better, but to do better.” We are hoping that this process will become the gold standard in spiritual formation for our district.
4. Jan Sweeney continues to train and to lead churches in the “Discipled by Jesus” model of discipleship, teaching people to live as active listeners to the voice of Jesus and to walk in intentional obedience to that voice.

Three years in and I am still finding this job to be “an adventure a minute.” On average I drive about 36,000 miles a year on the district. I sleep in my own bed, on average, two or three nights a week. I make every effort to be in a different church each weekend and to spend time with all the pastors I can when I am in an area. I have had face time with nearly every pastor on the district at one time or another, or have, at least spent time on the phone with them. I am teaching three to four classes per year for NBC or other schools and teach Leadership Zoom Monday AM/PM for any district pastor who cares to join. I find these opportunities to speak into the lives of others both life-giving and fulfilling in many ways. Living on the grounds of Bonita Park afford me many opportunities to interface with the leadership of the camp to share thoughts and ideas, or, even, to serve a meal or two to guests. I have also continued to serve as a Trustee to Point Loma Nazarene University as a member of the Academic Affairs Committee.

Yet, we have yet to have a “normal” year since I have been in this job. We have been managing Covid almost the entire time I have been in this office and will now begin to figure out where we are in a post-pandemic world and how we move forward.

Highlights

There have been many highlights throughout the past year that I could talk about across the district. I have been particularly impressed by the way that churches have rallied to support one another as we have had some pastors experience some very difficult health and family issues this year. I have seen a number of churches reach out to provide support to one another and fill in where there were gaps. If I started to mention all of those places, I'd have to add several pages. Let me list just a few major highlights from this year:

- I was proud to be part of the ecumenical MLK service in Ruidoso where our own Earseye Ross shared his experience as one who marched with Dr. King in a riveting hour of insight, humor, and inspiration.
- I was proud to see so many of our churches rally to support Mountainair in rebuilding their parsonage, sending money and people to accomplish what would have been impossible for that congregation, so they could bring in a new pastor and begin a new day.
- I have been proud to watch all the work go on at Bonita Park as they have used the Covid pause to rebuild and renew the grounds and facilities in many ways seen and unseen.
- I have been proud to see a number of our churches discover new and creative ways of reaching beyond their doors to touch their neighbors with the love of Christ unlike they never have before while others are seriously seeking new pathways of ministries that they have never considered before, understanding that things must change if they are going to have an impactful future in ministry.
- I am thrilled that Imagine Church in El Paso has finally had a first service (April 2) with forty in attendance as the fruit of two years of planting seeds of love and earning trust in that community.
- I am proud of the work that Tammie continues to do to grow 26:16 in Farmington and the growing synergy the churches of San Juan County are learning.
- I continue to be amazed by the work that Chris Davis does among the Native Americans in Gallup and Grants and by the work that Erika and Ruth do in Bernalillo, and by the work that is being done at the Valley Campus in Albuquerque, and in so many other places where Nazarenes are committed to reaching the least, the last, and the lost with the love of Jesus.

Here's the Question, then, that I want to leave lingering as I bring this report to a close: What difference are YOU making?

Imagine if you will that your church was suddenly wiped off the face of the city where God has planted you. Imagine it simply disappeared, via wildfire or some other random occurrence. Besides the people who attend your services being displaced, would there be any other impact noticed in your neighborhood? Would anyone be left wanting for ministry? Would anyone be left without the touch of the love of Jesus? Would anyone have no one else to turn to because your church was suddenly not there to stand in the gap and make up the hedge? What is the one thing that you are doing that is making a difference in the lives of the people that God is trying to reach in your community? If you can identify that one thing, you may know something about the mission God has for you? If you cannot, you may need to ask God, "What do You have for my hands?" Here's what has changed in the business of being church. People aren't looking for church. They are looking for mission. People will join your mission before they join your Jesus and people will join your Jesus before they join your church. Welcome people to the mission and introduce them to Jesus, then they will see the value of the church again.

In His Service and Yours,

Dr. Larry Lacher

MISSION AREA PASTOR MINISTRY DESCRIPTION

The Mission Area Pastor will work with the district superintendent in order to increase connectedness among pastors and churches across the district, enhance missional vision and impact, and heighten cooperation between churches and the district in accomplishing mission within the New Mexico District. There will be no direct compensation for this role, but there may be some expense reimbursement for assigned responsibilities at the discretion of the district office/superintendent. The mission area pastor's responsibilities will/may include the following:

- Maintain a network of support for all pastors, spouses, associates, chaplains, retired pastors, and any other ministers and spouses within the mission area in which, at least monthly, contact is made for prayer, conversation, support, and engagement.
- Provide a means for welcoming new ministers into the mission area or for sending off ministers who move or pass on to heaven.
- Ensure that the district office is informed of special circumstances that may require attention from the superintendent or other district or general officer.
- Provide for special circumstances or needs among ministers as needed.
- Arrange for semi-annual or annual gatherings to discuss and strategize about mission expansion in the area (the district superintendent should be informed and invited to these meetings).
- Arrange for times of fellowship among pastors and/or churches within the area on an occasional basis.
- Serve, when asked, as the representative of the district superintendent for pastoral interviews or other board meetings.
- Give oversight to Church type missions within their mission area in the following ways:
 - Leadership development
 - Financial accountability (reviewing quarterly financial reports)
 - Denominational connectedness (budget payments and missional alignment)
 - Mentoring, encouragement, and support
 - Quarterly written reporting to the District Superintendent

We, your District Board of Ministerial Credentials, recommend the following: that each applicant for district credential be required to meet with the Board of Ministry or an appointed subcommittee every year for proper and necessary accountability and adhere to the terms set forth by the Board of Credentials.

We recommend that Randy Elftman serve as District Life Long Learning coordinator to oversee the Life Long Learning credits of pastors on the district.

We recommend that students complete their academic preparation for ordination by one of the following means: enrollment in one of our Nazarene institutions of higher learning or by participation in the district training center under the administration of Michael Blea in alliance with NBC. Students who pursue alternate means of preparation must have that course approved on a case by case basis by the Board of Ministerial Studies or by the chairman and secretary. A candidate who does not meet alliance requirements in a District Training Center Course can be approved for MCOS credit for the course upon the recommendation of the DTC Instructor and a majority vote of the Ministerial Studies Board acting on their behalf.

We recommend that the District Barrier Removal Committee (BRC) consist of the district superintendent, the chairman of the Board of Ministerial Credentials, and three at-large members of the Board of Ministerial Credentials, appointed by the district superintendent (appointed are Erika Hasenauer, Ernestine Teneffos, and Ken Weisheit). We recommend that this committee meet prior to the convening of the Board of Ministry to facilitate the process of removing divorce barriers prior to the pursuit of licensing and possible future ordination by candidates.

District Assembly and District Family:

The New Mexico Board of Ministry has approved working with the Alliance Program of Nazarene Bible College for the preparation and education of candidates for ordination.

The Board of Ministry is establishing a vigorous Mentoring Program for the preparation of licensed ministers for ordination.

Recommendation of the District Advisory Board:

That the New Mexico District adopt the following Fellowship Membership Policy Pursuant to the Church of the Nazarene *Manual Paragraph 108:*

Fellowship Members: Those who have completed the membership process but conditions are not appropriate for full membership, however they still wish to be united with church in some fashion. Fellowship members agree to pursue spiritual growth, regular church attendance, financial support, and participation in the ministries of the local church. Fellowship member will be prohibited from voting and leadership. Fellowship members can become full members at any time when prohibiting conditions are resolved with the approval of the pastor and the church membership committee. The church shall maintain a record of fellowship members in the church files.

YES **NO**

DISTRICT ADVISORY BOARD

Rick Hutchison, Board Secretary

We, the members of the New Mexico District Advisory Board, Dr. Lawrence Lacher, Christa Storch, Mark Asplund, John Graham, Bruce Haley, Jordin West, Ken Weisheit, Wade Elftman and Rick Hutchison, met in nine (9) meetings this year, including in-person, zoom and email votes, for the transaction of regular business as well as special business.

1. In harmony with Manual we approved the recommendations of the Board of Ministry concerning transfers of licensed ministers and ordained deacons and elders in and out of the district as well as the recommendations for renewal of District Licenses and granting of District Licenses.
 - a. We recommend the following be elected to elder's orders: Lorna Fike and Aiece McElrath.
 - b. We recommend the appointment of pastors for the following churches: Albuquerque Los Altos, Bill Reinicke; Albuquerque Iglesias Monte Santos, Magdalena Moreno; Albuquerque Pajarito Mesa, Graciela Chavez; Artesia First, John Parker; Broadview Cowboy Church, Kymburly Odell; El Paso Imagine, Chuck Parish; El Paso Trinity, Wayne Minyard; Farmington 26:16, Tammie Summers; Gallup First, Chris Davis; Grants Bluebird CMC, Chris Davis; Mountainair, Kitty Schwanke; Roswell Neighborhood, Hector & Susan Torres; Santa Fe, Marco & Betty Sanchez; Silver City Mountain View, Earseye Ross; Truth or Consequences Hope Springs Community, Wayne Vaughn; Tularosa, Lorin Noble; White Rock La Vista, James Byerly.
 - c. We recommend district licensed minister William Stone be transferred to West Test District; District licensed minister Brock Greenhill be transferred to the Canada Pacific District. We recommend the following be transferred to the NM District; Elders Keven Grigg and Perry Windecker and District Licensed Minister Caleb Gomez.
 - d. We have served as the Church Properties Board – We voted to sell the El Paso Trinity Church but keep the parsonage. We gave approval to sell the El Paso First Church parsonage. We voted to give the El Paso Open Gate Church permission to sell the property in Chaparral. We approved the following name changes: Los Alamos La Vista to La Vista Church of the Nazarene in White Rock, and Moriary Church name to be changed to The Life House Church of the Nazarene. We have closed Las Cruces Sonrise Community Church.
 - e. We recommend that special service be given to Dean Coonradt who is pastoring in Vietnam.
 - f. We recommend Retirement status to Rev. Hector Torrez, to Rev. Steve Lord and to Rev. Wayne Minyard.
 - g. We recommend the change of designation for District Mission Areas (formerly Zones) be as follows: **Albuquerque Hispanic** *Dr. Erika Hasenauer* – Albuquerque Monte Santo, Albuquerque Pajarito Mesa, Albuquerque Sandia Valley Hispanic, Bernalillo Nueva Esperanza, Santa Fe Hispanic. **Albuquerque North** *Rev. Tim Tharp* – Heights First, Rio Vista, Los Altos, Bear Canyon, La Vista White Rock, Santa Fe English. **Albuquerque South** *Rev. Patti Rivas* – Sandia Central, Sandia Heritage, Sandia Valley, Good News of Miracles and Salvation, Revival and Compassion Ministries, Vista Grande Community. **Northwest** *Rev. Denver DeWees* – Farmington Crossroads Community, Aztec, 26:16, Gallup, Grants Blue Bird. **Southwest** *Rev. Wayne Vaughn* – Las Cruces First, T or C Hope Springs Community, Deming First, Silver City Mountain View.

Central Valley Rev. Chad Good – Los Lunas Cornerstone, Rio Communities Lighthouse, Mountainair, The New Hope, The Life House Church. **Sacramento Rev. Jan Sweeney** – Angus, Alamogordo, Tularosa, Hope Harbor (CMC). **Pecos Valley Rev. Serina Nelson** – Roswell First, Roswell Central, Roswell Neighborhood, Artesia First, Carlsbad Church Street. **Southeast Rev. Chris Tiner** – Clovis Living Stones, Matt 28 (CMC), Lovington First, Hobbs First, Broadview Cowboy, Portales. **El Paso Rev. Chuck Parish** – El Paso First, Open Gate, Trinity, Montwood, Imagine.

- h. We recommend the District Assembly adopt the following Fellowship Membership Policy in accordance with manual Paragraph 108 – **Fellowship Members: Those who have completed the membership process but conditions are not appropriate for full membership, however they still wish to be united with church in some fashion. Fellowship members agree to pursue spiritual growth, regular church attendance, financial support, and participation in the ministries of the local church. Fellowship member will be prohibited from voting and leadership. Fellowship members can become full members at any time when prohibiting conditions are resolved with the approval of the pastor and the church membership committee. The church shall maintain a record of fellowship members in the church files.**
- i. We have advised the District Superintendent on the supervision of all the departments, boards and committees of the district and have consulted with him on the development of the local churches, new church starts, and the care of all district resources, including Bonita Park Camp and Conference Center. All minutes of the board have been kept and recorded by the board secretary and are on file in the NM District Office.

FINANCE COMMITTEE

Larry G. Fry, Chairman

We, Dr. Lawrence Lacher, District Superintendent, Larry Fry, District Treasurer, Ken Weisheit, District Secretary, Jordin West, Bruce Haley, Rick Hutchison, Christa Storch, Nicole Young, Mark Asplund, Wade Elftman, John Graham, Ryan Nelson, and Randy Elftman, your District Finance Committee, believe responsible Christian stewardship involves each local church investing a portion of its income to the support and expansion of the mission and message of the worldwide Church of the Nazarene. A concern for others beyond our own influence declares a love and loyalty to the mission and message of God's kingdom here on earth. Every local church should carefully plan to meet this scriptural responsibility to God and His church reaching the lost by the full payment of apportionments. The love of Christ compels each local church to allow no unwarranted failure in this vital area of stewardship. Similarly, the District is committed to budgeting only on anticipated receipts, and to maintaining a balanced budget in all funds.

Items Related to Local Churches

We recommend that each local church board give prayerful consideration to its financial leadership responsibilities by:

1. Establishing annually an operating budget, approved by the church board and available to the congregation, for the ministries of the local church. This budget should be established based on a reasonable estimate of the giving income of each church and expenses should be kept within the ability of the church to cover those expenses without external assistance. A copy should be sent to the district office if requested.
2. Giving positive leadership to the support of the Great Commission by faithful and regular payment of the World Evangelism Fund, Education Fund, Pensions and Benefits Fund and District Ministries Funds.
3. Supporting annually Nazarene Bible College (October) and Nazarene Theological Seminary (January) through receiving an offering and/or budgeting an appropriate amount in the annual operating budget. Each offering is to be sent directly to Nazarene Bible College, 17001 Prairie Star Parkway, Suite 300, Lenexa, KS 66220 or Nazarene Theological Seminary, 1700 East Meyer Blvd., Kansas City, MO 64131. The goal is 100 percent participation by every New Mexico District church in supporting our institutions of ministerial training and development.
4. Caring for the needs of the pastor and full-time ministerial staff, releasing them for their task of leadership in prayer and ministry of the Word, by:
 - a. Paying the pastor and staff adequate salaries and benefits and reviewing them at least annually as part of establishing the coming year's operational budget. An increase of at least the cost of living should be considered as a minimum, taking into consideration any changes in law impacting Health Care coverage for your pastor and staff. The church board secretary should send a report of any salary action taken to the District Office.
 - b. Designating an amount in the proposed operating budget for the coming year to pay the expenses of the pastor and spouse attending the General Assembly, General Conference on Evangelism, PALCON, District Assembly, Camp Meeting, District Leadership Retreat, and continuing education seminars, and other events where attendance is expected. To assist in budgeting this expense, the church should set aside \$500 or more annually. We encourage local churches to send full-time staff to appropriate conferences and seminars in consultation with the senior pastor.

- c. Establishing an accountable reimbursement plan for the pastors' ministry-related expenses. This would include professional journals and books, entertainment, travel and lodging and other related items as allowed by tax law. All ministry expenses are to be fully reimbursed when properly authorized and receipted according to IRS guidelines.
 - d. Designating a certain amount of the pastors' total compensation package(s) as parsonage furnishing and housing allowance.
 - e. Reimbursing the pastors an amount equal to the required SECA (Social Security) tax. This tax is assessed at 15.3 percent of the pastor's salary and housing allowance/ fair market rental value of the parsonage and should be paid at least quarterly. This amount must be added to their IRS form W-2 as income. This pro rata share should be paid to any pastor changing assignments during the calendar year.
 - f. Each church should consider paying the annual premium on term life and accident insurance available through the Church of the Nazarene. Each church should also consider providing disability insurance for their pastors and insurance on contents of the parsonage as well.
 - g. Participating in the Church of the Nazarene's Tax-Deferred Annuity Program for its ministers is highly recommended. Every church should enroll their pastor in the tax-deferred annuity program and at least match the general church contribution annually.
 - h. Granting pastors and all full-time ministerial staff members a minimum of two weeks paid vacation annually. Those who have accumulated from five to ten years of salaried ministry in the Church of the Nazarene should be granted three weeks paid vacation; those who have served 11 to 19 years, four weeks of paid vacation; and those who have served the denomination 20 years or more, five weeks of paid vacation. This vacation time should be exclusive of time spent at district and general church meetings. Pastors are advised to use discretion and wisdom in the planning of their vacation in order to best work with the church calendar.
 - i. Insisting that pastors observe at least one full work day as a weekly day off from all ministerial responsibilities and quarterly, a three day break from ministerial duties.
 - j. Observing Manual paragraph 129.10, which states, "In order to encourage a healthy pastoral ministry and the lifelong learning of the pastor, the church board, in consultation with the district superintendent, should provide a sabbatical leave for the pastor following each seven consecutive year of service in one congregation." We recommend a minimum of sixty days paid sabbatical leave.
 - k. Encouraging the morale of the pastor/staff and augmenting the salary of each by facilitating acts of kindness from the congregation, such as food donations and observing pastor's appreciation day on the second Sunday of October.
 - l. The local church give at least one week's salary to the pastor and full-time associates at Christmas each year.
5. An auditing committee be appointed in each local church in accordance with Manual paragraph 129.23.
6. All fund allocations be paid in full annually and payments be made weekly or monthly throughout the church year; payments to begin on May 1, 2022, with the final payment to be made no later than May 15, 2023.

7. The district journal shall be provided to each church in PDF (electronic) form. Local churches may distribute PDF files and/or print as many copies as needed. (District Journals, Manuals and Other Forms are currently made available at <http://nazarene.org/DocumentLibrary>. Please contact the District Secretary or District Office if you have difficulty obtaining them.)
8. Our people be encouraged in the stewardship of possessions as related to planned giving, wills, annuities, and life loans on behalf of the local church, district camps, home missions, world missions, and colleges. Each pastor should give careful attention to conduct an active bequest program through the local church; for information write to Dr. Steve Seelig in care of Point Loma Nazarene University or Jon Twitchell at the Church of the Nazarene Foundation.
9. We recommend that the local church give careful consideration to paying evangelists, as a minimum, twice the weekly salary and benefits of the pastor, plus travel expenses one way and to remember those who served them during the year with a Christmas check of appreciation.

Guidelines for Local Church Treasurers

The responsibilities of the local church treasurer include:

1. Preparing, in cooperation with the pastor and church board, an annual operating budget for the local church.
2. Following the provisions of the 2017-2021 Manual paragraphs 129.21-129.23 in accounting for all money received and disbursed by the local church.
3. Providing all financial records and books to the pastor immediately upon request.
4. Preparing a weekly report of all money received and a monthly report of all financial transactions to the pastor and church board.
5. Promptly distributing all payments according to the time and purpose designated by the order of the church board. All fund allocations are to be paid in full annually and payments be made weekly or monthly throughout the church year.
6. Serving willingly as the local church treasurer according to Manual paragraph 136.
7. Ensuring designated funds are protected for that purpose.
8. Making sure the church board arrange for an annual auditing of all treasurer's books, according to Manual paragraph 129.23. An annual cash flow audit is expected, as is a full outside audit at least every five years by personnel outside the local church.
9. Certifying that all money received by the church or auxiliaries is properly recorded and reported. It is neither proper nor ethical to carry side accounts independent of the church treasurer's records.
10. Following the policy of never handling the physical offerings or money of the church but work from the deposit receipt prepared by competent personnel who have counted the offerings and deposited the money in the bank.
11. Submitting monthly reports to the district office, either using the "Funding the Mission" website (<https://fundingthemission.org/>) or using the spreadsheet provided by the District Treasurer. This regular

reporting enables the District Treasurer to prepare for adjustments in district income and make decisions appropriately.

Items Related to District Interests

The District Finance Committee recommends that all district ministries and its extensions should be considered a vital part of the local church outreach and fulfillment of the Great Commission in the following manner:

1. That those who travel for the district will be reimbursed at a rate of 50 cents per mile one way. This includes the District Advisory Board, District Board of Church Properties, Bonita Park Camp Board, District Board of Ministry, NMI, NYI, and NDI councils, and all other committees called by the district superintendent or Auxiliary chairs.
2. That the District Superintendent's total remuneration be determined by the District Advisory Board and reviewed annually. From this total remuneration, the Superintendent may at his or her discretion, in consultation with the district treasurer and the District Sub-Finance Committee divide the total into the following categories as he or she sees fit and as best benefits his/her tax status: Salary, Health Insurance, Life Insurance, Disability Insurance, AD&D Insurance, Dental Insurance, Social Security Insurance, State and Federal Withholding Taxes, Contribution to Nazarene Retirement Plan, Christmas Bonus, and Housing Allowance.
3. That the district furnish the district superintendent a car replacement allowance as set by the District Advisory Board and will pay fuel expense for miles driven on the district for district business.
4. The District Superintendent's spouse is considered to be a full partner in the superintendent's ministry and his/her expenses will be paid when accompanying the superintendent on district business. The cost of the superintendent's spouse's attendance at district retreats will be considered a district expense as well.
5. That the district superintendent annually be granted a five-week vacation with pay. A report of vacation days used should be presented to the DAB on a quarterly basis.
6. That all district financial records, including those of Bonita Park and the Extension Fund, be audited annually by an auditing firm or certified public accountant.
7. That all designated funds be kept in an interest-bearing account or District Advisory Board approved investments.
8. That the District Superintendent be granted two weeks annually to hold meetings off the District. This will be in addition to his/her vacation time. Use of this provision should be reported to the DAB.

Items Related to Fund Apportionments

1. That the Annual Pastor's Report (APR), submitted online, shall be the guide for computing all budgets. Funding the Mission allocations goals are 5.5% for the World Evangelism Fund (WEF), 2.25% for Pensions and Benefits USA (P&B), 2.25% for Education, 6.0% for District Budget, of the local church's Total Income (line 30) less amounts given for WEF (line 31) and Mission Specials (line 32). Churches will be considered in full support if these goals are met in full. WEF and P&B funds should be submitted at least monthly using the "Funding the Mission" (FTM) website (<https://fundingthemission.org/>) where possible. All other fund allocations are to be sent monthly to the District Treasurer, Larry Fry, 3101 Mesa Verde Street, Roswell, NM 88201 (email: l.fry@msn.com; phone: 575-914-3050)

2. That a unified District Budget will be distributed according to the following formula:

District Ministry	83%
Home Missions	0%
Nazarene Missions International	4%
SDMI Sunday School Ministries	4%
Nazarene Youth International	4%
Total	<u>100%</u>

3. That the District Ministry Budget be \$233,000 and be apportioned as follows:

DS Salary and Benefits	\$ 101,801
Business and Professional Expenses	27,600
Administrative Salaries, Honoraria and Costs	
District Secretary Honorarium	3,900
District Treasurer Honorarium	30,000
Other	13,039
District Activities	28,700
NMI	9,320
NYI	9,320
NDI	9,320
Home Missions	0
Total	<u>\$ 233,000</u>

4. That the auxiliaries' (NMI, NYI, and SDMI) reserve funds be segregated and maintained in a separate, interest-bearing account

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Bonita Park Campground
Alamogordo, New Mexico

We have audited the accompanying financial statements of the Bonita Park Campground (Organization), a nonprofit organization, as of and for the year ended April 30, 2021, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Internal Audit for fiscal year 2021-2022

Independent Internal Audit Report

This Internal Audit covered the fiscal year period from May 1, 2021 through April 30, 2022. The audit included an independent audit review along similar guidelines as documented in "The Annual Church Audit" by Dan Busby for Nazarene churches. The financial audit covered the following areas and processes: financial statement reporting; cash receipts; deposits; cash disbursements; accounts payable; Insurance coverage; bank statement reconciliations; records of assets including land, buildings, office equipment, and other assets; personnel and payroll records and payroll tax reporting. This audit was completed remotely.

The audit was conducted intermittently from June 10 through June 28, 2022.

Conclusion: The financial statements and records of the New Mexico District Bonita Park Campgrounds and Conference Center are stated accurately and fairly. Copies of the Audited Income Statement and Balance Sheet accompany this report. There were no issues noted.

Thank you, Brenda and team for the courtesy and cooperation given during the audit review, and for the opportunity for me to serve. You are blessed to have an excellent team at Bonita Park. Brenda is very competent and is a valued asset for the New Mexico District.

Very truly yours,

A Lynn Mottram, CIA, CFE, CRMA, CCT, Series 7

EDUCATION COMMITTEE

Rev. Wayne A. Minyard, Chairman

Rev. William Belgie, Secretary

Your Committee on Education makes the following commendations and recommendations:

1. In recognition of the vital role that formal Christian higher education plays in our society, we encourage our churches to give prayer and financial support to Point Loma Nazarene University (PLNU), Nazarene Bible College (NBC) and Nazarene Theological Seminary (NTS) through full payment of educational budgets, support of annual offerings, encouraging students within the local church to attend these institutions, and through recommending that they be included when planning wills, gifts and bequests. **(Estate planning is available through the office of PLNU's Institutional Advancement.)**
2. We call on all of our educational institutions (local, regional and general) to reflect the theological heritage, moral and social commitments, and core values of the Church of the Nazarene in teaching, doctrine, and values, and in responding to our changing cultural climate. We expect that faculty and staff will be supportive of and in alignment with the doctrines and values of the International Church of the Nazarene.
3. We encourage participation in campus events at PLNU for high school age students, including Preview, Southwest Elev8, and other special events.
4. We encourage members of the local church to use the PLNU Vacation by the Sea opportunity during the summer.
5. We encourage local churches to participate in the ministry of PLNU periodically by inviting the university personnel, including special speakers, musical groups, and students, to participate in our local church services and we understand the expenses related to this participation need to be the responsibility of the local church.
6. We encourage participation in alumni and auxiliary activities of PLNU, NBC, and NTS.
7. We encourage new pastors who have transferred from other educational regions to visit the PLNU campus as soon as possible after arriving on the region by taking advantage of President Brower's invitation for the complimentary use of college facilities.
8. We encourage each local church to participate in the PLNU matching grant program. If a local church will send any amount up to \$250 per year to PLNU on behalf of students from that church, PLNU will match that gift up to an additional \$250 per year (or \$125 per semester). Additionally, the college will award a \$2,700 grant to students from the New Mexico District. However, these dollars are only awarded for students whose churches send in a matching grant contribution.

NMI CONVENTION ADDRESS

Nicole Young, NMI President

All the Difference

*One day a man was walking along the beach, when he noticed a boy hurriedly picking up and gently throwing things into the ocean. Approaching the boy, he asked, “Young man, what are you doing?” The boy replied, “Throwing starfish back into the ocean. The surf is up and the tide is going out. If I don’t throw them back, they’ll die.” The man laughed to himself and said, “Don’t you realize there are miles and miles of beach and hundreds of starfish? You can’t make any difference!” After listening politely, the boy bent down, picked up another starfish, and threw it into the surf. Then, smiling at the man, he said, “**I made a difference to that one.**”*

This old parable paints a beautiful picture of what it is to be the church right now. Sometimes we can get overwhelmed and caught up looking at all that needs to be fixed in this world. We are inundated with disturbing headlines, heartbreaking realities, and insurmountable suffering in this world. The sheer magnitude of what it would take to correct all the wrongs in our broken world can overwhelm us to the point of inaction. But, God. He has invited us to partner with Him in His redemptive activity here on the earth. We get to open our hearts and lives and resources to the mission He has called us to by surrendering to His heart for His Creation. We reach out to help the one because it matters. It makes all the difference to someone deeply loved by their Creator.

As Nazarenes, our mission has always been found in the lost and hurting people who surround us wherever we are. Our first churches, as a denomination, were found in the poorest areas of cities. The mission was outside the front door, then, as it is today. The COVID pandemic has pushed our churches to see more clearly how God would have us move in the neighborhoods around us. 2020 was going to be the year of “clear vision,” but it ended up completely knocking us off our routines and opened our eyes more to the needs directly in front of us. Our priorities shifted as we reprioritized how we do church, how we participate in mission, and how we approach our calling as Followers of Christ. We were also more keenly aware of how powerful our Global Church can be because of the networks we have already established across the world. We could make a powerful impact across the world because our Nazarene brothers and sisters were already established in the work of compassion and outreach. Our missions giving and offerings were able to continue to impact lives for the Kingdom of God regardless of the changing face of our churches.

In January, I was able to gather virtually with NMI Leadership from across the USA/Canada Region. Our global leader, Lola Brickey, reminded us that a crisis is an accelerator for change. She shared with us how the role of NMI is shifting, and our priorities should be on connecting people to the mission of our global church. We are learning to be adaptable and embracing the challenges before us. There are some changes in NMI this year, but the heart of our organization remains the same: to be the advocates for our Global Mission in every church.

Last year we celebrated how our District re-thought being missional. This year, we continued to do the same. This District continues to be creative and sacrificial in serving, giving, and reaching the hurting in our communities and world. We are adapting to our changing world as we seek to make a difference in the lives of those around us for the sake of the Gospel.

Let’s look at and think about how we, as a district, have engaged our churches in mission over this past year.

Investment in Mission

Compassionate Ministry around our District – Our Compassionate Ministry Centers around the District continue to meet the needs of people in their communities in a variety of ways. Everything from gardening, childcare, water distribution, hot meals, life skill training, clothing, Give-Away events, firewood deliveries,

holiday events, and countless other ways you have reached into your communities make up the creative ways you are impacting lives. I have read your stories from newsletters, Facebook pages, and even ones published in Nazarene News throughout the year. These are stories worth celebrating! Several of our Compassionate Ministry Centers and District Ministries are here to share their stories with us. We have videos and booths to visit.

The World Evangelism Fund is key to the mission of the Church of the Nazarene. This fund enables us to keep missionaries on the field and follow the Great Commission in the world. The WEF enables us to be faithful stewards of our resources and our call. It keeps us connected as a Global Church and unites us as Nazarenes across the globe. Every church in the Church of the Nazarene pays 5.5% of their reported income to the World Evangelism Fund. This year, our district gave 103% of our World Evangelism Fund goal! This is a fantastic accomplishment for our district! Great job!

Among those churches who paid their WEF in full were the following:

Churches that Paid their WEF in Full:

10% Giving

Beyond the World Evangelism Fund, there are countless ways we can participate in the mission. These various offerings are known as 10% offerings, or Mission Specials, and they include such things as:

- Child Sponsorship
- Nazarene Compassionate Ministry Projects
- Alabaster Offering
- World Mission Broadcast
- Work and Witness Projects
- Jesus Film Harvest Partners
- Links and Deputation Gifts
- And dozens of special projects related to Compassionate Ministries and Special Offerings for Missions.

Our District gave over \$300,000 to Mission Specials this year. This is an incredible investment in Kingdom work all over the world!

In a few of our churches, this giving, along with WEF giving measured up to at least 10% of their funds raised for all purposes. Those churches are:

- Albuquerque Heights First
- Albuquerque Sandia Central
- Angus
- Carlsbad Church Street
- Mountainair The Living Hope
- Rio Communities Lighthouse
- Roswell Central
- Roswell First
- Santa Fe

I know these numbers do not paint the entire picture of our mission involvement, but it is one way to see the impact our churches do make across this district and around the world. Most of our churches also continue to sow into local ministries and community partnerships in their own cities. Every dollar given and minute donated in serving add up to an incredible impact in the Kingdom.

NMI Mission Priority One

We encourage our churches to engage in giving, education, prayer, and outreach throughout the year. These churches are recognized as Mission Priority One Award churches for their diligence in focusing on the 5 Areas of Impact of NMI: World Evangelism Fund paid in full, Alabaster Offering, Engaging Youth and Children in mission, Care and Connection with Nazarene missionaries, and Prayer for missions and the global church. The Mission Priority One Award comes from your Local Church NMI Report responses. These reports help the district council to see how your church has engaged in mission throughout the year. These reports are your opportunity to share your stories of involvement with us. The local NMI Report should be carefully read and filled out so we can see how your church has been serving each year.

The following churches are recognized as Mission Priority One churches this year:

- Alamogordo New Beginnings
- Albuquerque Heights First
- Albuquerque Pajarito Mesa
- Albuquerque Sandia Central
- Angus
- Artesia First
- Aztec
- Broadview Crossroads Community
- Carlsbad Church Street
- Clovis Living Stones Community

Five Areas of Impact

The Five Areas of Impact continue to be the most effective way for our local churches to engage in mission around the world:

Prayer

The World Evangelism Fund

Alabaster Offering

Engage Children and Youth

Care & Connection

By focusing on these five Areas of Impact, we can participate in mission and have eternal impact around the world. These five areas keep the people of the Church of the Nazarene connected and engaged with one another. These areas of impact are for the Whole Global Church. When we engage in mission through these 5 Areas of Impact, we are a part of something much larger than our own congregation. We are connected with our brothers and sisters around the world.

Participating in these Five Areas of Impact are a great starting place if your church is looking to grow your involvement in NMI. Making these Five items your baseline as you grow your involvement is a powerful way to become a missional church. Visit nazarene.org/nmi for all your current NMI information and to learn more about how NMI is adjusting and shifting as we are keeping in step with our changing world and growing church.

NMI Central

As things have shifted over the past year, our Global office has streamlined the method of communication for current NMI information. In January, headquarters began publishing a weekly newsletter called NMI Central. The name communicates the purpose of the publication. NMI Central is your NUMBER ONE place to stay current on all things related to NMI. Each week a new country is featured with facts and testimonies from that field. Some of the stories highlight specific ministries such as Alabaster or Work and Witness. If you have not subscribed to NMI Central yet, it is easy to do so. Head over to nazarene.org/nmi and look under the Resources tab. You will see NMI Central and a place to enter your email address. This subscription is for everyone. Share it with your pastors, NMI Presidents, and congregations.

All the Difference

As I have prayed about how to conclude my report this year, I was reminded of something God showed me many years ago. This story involves my sister and if you will bear with me, I hope you will find value in the lesson.

My sister is a missionary for a different organization. She has served on the field for the past fifteen years in some challenging places. We have spent the majority of our adult life raising our kids together, continents apart. Early in their career, while on a home assignment, I began to dread their return to the field. They lived in a difficult country on the other side of the world and the separation was incredibly hard. My flesh was crying out and miserable at the thought of them leaving again and I began to feel tempted to speak my desires over her. In the middle of my emotional struggle the Lord reminded me of His words to Peter when Peter began to rebuke him for speaking about his death. Matthew 16:23 says, “Jesus turned and said to Peter, ‘Get behind me, Satan! You are a stumbling block to me; you do not have in mind the concerns of God, but merely human concerns.’”

My eyes were opened up to the power of my perspective and my words in that moment. I could allow the adversary to speak through me words that were rooted in selfishness and fear: my merely human concerns that would be a stumbling block to His mission and plan for her life. Or I could ask the Lord to speak through me as an encouragement and to give me insight into the concerns of God and His plan for my sister and her family. My mindset made all the difference to my outlook and actions.

The boy in the starfish story was not discouraged by the number of starfish stranded on the beach. He was also not discouraged by the questions of the visiting man. His thoughts were for the ones he could help and his mindset made all the difference.

We have this same choice every day. We can choose to stay concerned with only human concerns and allow fear, inconvenience, discouragement, and selfishness to keep us from engaging in the mission before us. Or we can ask for God to reveal His ways to us, to open our eyes to the things that concern Him and participate in His activity in the world. Our perspective of the opportunities before us are what make all the difference in the world around us. When our minds are filled with the things of God, we are open to the partnership He offers us to engage with people and His redemptive activity in the world. The thoughts that keep us from connecting with God’s plan and His people are from the adversary and they are counterproductive to the things of God.

2 Corinthians 10:3-5 says “For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.”

Romans 12:2 says “Do not conform to the patterns of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is – his good, pleasing and perfect will.”

Our perspective makes all the difference. We need to know who we are allowing to influence our thought life and allow the Spirit to transform and renew our minds. When the adversary wants to send discouragement, detachment, and fear, we need to take those thoughts captive and set our minds on the things of God. When our minds are filled with the concerns of God, then we can be His people in the world around us. We can allow the concerns of God to transform how we engage in His mission. Then we will make all the difference.

Joyfully,

NDI CHAIRMAN'S REPORT

Rev. Ryan Nelson, Chairman

Greetings New Mexico District,

It is a privilege to give a report on discipleship across our district. In just a few moments we will hear from some of our discipleship leaders. They will be reporting on what God has done in their area of ministry. Before we get into all the reports, I would like to take a moment and thank our New Mexico Nazarene Discipleship Council: Dr. Larry Lacher, Nicole Young, Jordin West, Larry Fry, Diana Bloomquist, Arthur Pacheco, Sherri Todd, Sharla Parker, Paula Vaughn, Wade Elftman, DeAnn Rushing, Christa Storch, and Ron Davis. This team has been incredible to work with. I greatly appreciate their leadership, their ideas, and their heart to serve!

If you have not heard, there has been a name change from SDMI (Sunday School and Discipleship Ministries International) to NDI (Nazarene Discipleship International). There are a couple of things I want to share about this change. The first thing I want to share is that this name change aligns discipleship with the other auxiliaries of the Church of the Nazarene (NYI and NMI). Along with that, the mission of NDI is to carry out the Great Commission to children, youth, and adults in preparation for a lifelong journey of being and making Christlike disciples in the nations. The purpose of NDI is to assist local churches in: a. Reaching non-believers for Jesus, b. Establishing new believers in their faith in Christ, c. Walking with believers to a fully surrendered, heart-cleansed, fruit-bearing, and Spirit-filled life. The second thing I want to share about the change is that it is not to diminish Sunday School. I know that there are many thoughts and opinions on Sunday School. I am an advocate for Sunday School in the local church, even if it is not labelled as Sunday School. I believe the local church should offer Christian Education to believers of all ages. This time provides such an opportunity for relationships to be built, bonds to be formed, and for the Word of God to be taught.

During New Mexico District events (Man Camp, Women's Retreat, Teen Camp, Kid's Camp) we had almost 100 individuals give their heart to the Lord. This number does not reflect the total number of lives saved in the local church, nor does it include the number of individuals who rededicated their lives to Christ. One thing I believe we can say is that God is moving all across our district! I want to say thank you again to Wade Elftman for organizing and leading Man Camp and Teen Camp. Thank you to Jordin West as the NYI President and the role you play in leading the youth of the New Mexico District. Thank you DeAnn Rushing for organizing and leading Women's Retreat. Thank you to Diana Bloomquist, Ron Davis, Christa Storch, and the rest of their team for organizing and leading Kid's Camp.

Hasn't it been wonderful to be able to meet once again and to be able to hold many of our events in person! While I am thankful for the technology that is available to meet virtually, there is nothing that can replace meeting together. I do not want to take from the quizzing report, but I do want to say what a joyous sight it was to see our teens and kids gathering together to display their knowledge of the Word of God at district quiz meets. I was blown away by the way they could remember and recall scripture and what takes place in scripture! Thank you to Arthur Pacheco and Sherri Todd for leading children's quizzing across the district.

Speaking of quizzing I'd like to take a moment to make a push and promote quizzing. The New Mexico District once had a strong showing at quiz meets across the district. Since COVID, the number of teams/participants has dropped in a drastic way. I would like to encourage you, and your church to pray about quizzing. Pray for leaders, pray for willingness. We would love to see your kids and teens learning the Word of God, writing on their hearts, and learning to live it out. During our convention we will have a breakout session available on quizzing. If you're a children's leader or worker and you'd like to know more, or get valuable resources, please go to that breakout! If you're a pastor and you'd like to start/restart quizzing at your church, please go to the quizzing breakout.

I believe the future is bright for the New Mexico District. It is exciting to see and hear about the different ministries happening across the state of New Mexico and in El Paso. As I have been praying about discipleship on the New Mexico District, the Lord has led me to Romans 12:11-12, “Don't hesitate to be enthusiastic—be on fire in the Spirit as you serve the Lord! Be happy in your hope, stand your ground when you're in trouble, and devote yourselves to prayer.” (CEB). I want to challenge us to start with the end of that passage. Let's devote ourselves to prayer. Let's seek out the Lord and what He wants to do in our churches and on our district. As we devote ourselves to prayer, may we be filled with the joy or enthusiasm of the Spirit. May the fire of God burn bright in our soul. I pray we will be unshakeable as we are rooted in our hope in Jesus. Lord may we be willing to serve as you call us, and may we be willing to go where you send us. Amen!

I would like to close by saying thank you to you, the New Mexico District. Thank you for being gracious with me in my first year as NDI Chairman.

Respectfully Submitted,
Rev. Ryan Nelson

NAZARENE YOUTH INTERNATIONAL

Jordin West, President

Dr. & Mr. Sunberg, Dr. & Mrs. Lacher, Pastors, Youth Leaders, and New Mexico Students,

It is my privilege to report to you on behalf of the New Mexico District NYI for the eighth time. As I reflect on our year together, the one word that continually comes to my mind is community. After years of cancelled events, social distancing, and lack of opportunities to be together, it has been a blessing to reunite as a District NYI for worship, service, fun, and community! We realized just how important it truly is for the youth of the church to spend time together connecting through shared experiences in Christ and how that produces within them the desire to grow in their own faith. I have seen our students and leaders be the hands and feet of Jesus this year and I highly value the times we have laughed, cried, prayed, and shared with one another and with those in our extended communities. We thank God for His faithfulness during these times and look forward to what He has in store for the future of NM NYI!

Please find below a brief summary of the events that we have participated in this year.

Teen Camp:

Our district NYI Vice President, Wade Elftman, faithfully and effectively serves as our Teen Camp director. His attention to detail and overall big picture vision inspires an environment where our teenagers can engage in Spirit life and truly encounter Christ throughout the week at Bonita Park. Last year our theme was Full Send which afforded us the opportunity to rediscover how we go all out for a God who has given us everything we need. Our speaker used Colossians 3:23, among other verses, to highlight the fact that we do not serve earthly masters, but work with our entire beings to serve the Lord and promote the Kingdom. We also held a variety of seminars throughout the week on specialized topics that are pertinent to the lives of our teenagers today and spent time answering questions they have about matters of life and faith. The Lord also blessed us with amazingly fun moments of fellowship throughout the week. It is wonderful to see how much these young people care for one another. God is always faithful to show up in big ways during this week together and we give Him all of the credit for the good that takes place.

Winter Retreat:

This year we revamped our Winter Retreat which is held at Bonita Park in January. We participated in 3 worship services together, led by Stephanie Yocom, along with worship by Eden Avalos and his team. We placed an emphasis on youth group time following these services so that individuals would have the opportunity to share struggles and questions along with testimonies about what God is doing in their lives in a safe space. We also offered a seminar that showcased our Quizzing ministry and a behind the scenes tour of Bonita Park to promote summer staff positions. All of this, joined with moments of fellowship and fun, made for a great weekend.

NYI Convention & Retreat:

A group of amazing leaders joined forces to organize our NYI Convention & Retreat in March at Bonita Park! During this event, students have the opportunity to highlight their God-given talents through friendly competition in the areas of art, music, poetry, preaching, basketball, volleyball, soccer, ping pong, and more. We focused on how we honor God in everything that we do! Our NYI Convention provided information to leaders and students about the structure and function of NYI, showcased our annual events and ministries, and distributed important contact information to stay connected. We also conducted elections for our district NYI council as well as our representatives to Global NYI Convention. Our young adult representatives are Caleb Gomez (Roswell First) and Jake Pope (Roswell First), senior high representatives are Maddox Jennings (Roswell First) and Truett Laughlin (Carlsbad), and junior high representatives are Emma Tharp (Heights First) and Charise Young (Carlsbad). Wade

Elftman will continue in his 2-year term as our vice president and the position of secretary is currently vacant and to be filled during our next meeting. I am humbled and honored to have been re-elected as the district NYI president and look forward to serving alongside our amazing council and leaders (both adult and student) on the NM district.

Family Camp:

During family camp, we held morning Bible studies for the teens during which we poured over various Scriptures, spent time in prayer, and shared stories about how God has directed us in the past and is currently guiding us today. We were also blessed to have the missionaries come and share their story of calling to ministry and what they are doing for the Lord. During the afternoons, we spent time at the event center, disc golfing, in the pool, and at FunTrackers.

Young Adult Conference:

Just a few weeks ago, we gathered young adults from across New Mexico for our annual Young Adult Conference: Onward. Our new director, Nathaniel Pfeifer (Los Lunas Cornerstone), did an incredible job of organizing an event that caters specifically to this age group and their current life situations. His thought-provoking discussions created a space for people to talk openly and honestly about matters of faith, life, and the future. God worked in powerful ways to unite us and direct our paths!

Elevate:

Students and sponsors from several of the churches on our district attended Elevate at Point Loma Nazarene University in May. The theme of the event was “E Hoe Kakou” which is roughly translated as “We are all in this together” and focused on unity in Christ. During our district huddles, we encouraged our students and leaders to share testimonies, pray for one another, and reflect on the messages and moment of the weekend. Many teenagers were impacted greatly during our time together. God’s grace truly reached down and opened our eyes to the kindness with which He operates in our lives.

Quizzing:

Our quiz director, Penny Pogue, is committed to seeing our teenagers know and love the Word of God! This year we studied Romans & James, which proved to be challenging and rewarding. We also added a theme to each quiz (Renaissance, Luau, Favorite Holiday, etc.) as well as a game or activity so everyone has a chance to connect and have fun! During our last meet of the year, we afforded our teens the opportunity to take charge of the event. They were the quizmasters, scorekeepers, directors, and organizers as well as continuing to quiz. They loved this meet and we saw them shine in their roles! These teenagers are hiding Scripture in their hearts and we are proud of them!

I am blessed to serve with youth leaders from across New Mexico who have a passionate desire to seek the Lord in their own lives and to see young people come to know and love Jesus. The time and energy they spend in ministry is a true kingdom investment. Their enthusiasm inspires me, their dedication challenges me, and their friendship encourages me. I see Christ in each of them and so do our teens!

I want to thank Dr. and Mrs. Lacher for their continued support of our local and district NYI! Thanks to Larry and Regena Fry for the time and energy that they invest in our council and events. Thank you to all of the event directors, ministry leaders, council members, and youth leaders for making this the greatest of all districts to serve on. And most of all, thanks be to our God for giving us the opportunity to serve in this capacity. Our ministry is a blast and I would not trade it for the world!

God’s love and blessings to each of you!

Respectfully submitted,

Jordin West, NM District NYI President

BONITA PARK CAMP

Connor Bryan and Brenda Garber, Executive Directors

As we give this report, great things are happening at Bonita Park!

We started last year a bit slow. As much of the nation was still trying to figure out how to move forward through the COVID pandemic, we found ourselves in the same position. We were figuring out if we could be the camp and they were figuring out if they could be the campers. We were figuring out if we could get enough food and they wanted to add an extra meal to the package. Much like you in a grocery store (except we were shopping for more than 300 campers at a time), we found that some of the favorite standards were not always available. Last summer was a bit lighter than we anticipated but as the year progressed, we received calls from more and more groups ready to get back to camp for a week or a weekend. We could sense their excitement. It's never just about coming to Bonita Park, although it is a great place to get away to. It's never just about the food, although the food is awesome and those cinnamon rolls are outstanding! It's never just about the zip line, or high ropes or nine square in the air or the amazing Leap of Faith at the even more amazing Events Center, although those things are great fun! It's about more. It's about coming away to a place to meet with their Creator. He is calling out to them. He is speaking into their lives. He is meeting them at Bonita Park and changing their lives forever. He is doing eternal work at Bonita Park. The camp served 6,961 guests this last year. Of those, we know of 370 lives that were saved and rededicated, and we have also heard that 86 campers were called into ministry!

Beyond the camper's lives being radically changed, work is being accomplished on various facilities. We have repaired wind damage a few times throughout the camp. From blown down trees being cleaned up to a portion of the roof on Morris Center being blown off and replaced, the work is never ending. A new pump was required in the main well. It sits some 400 feet below ground level so that was a bit of a project. Volunteers at the camp last year gave more than 5,800 hours of their time to serving meals, working on the grounds and helping out on projects. The Armstrong Tabernacle remodel has progressed through a couple of phases thanks to many of you who have volunteered your time and skills to help accomplish this huge undertaking on this 30 year old facility. The bathrooms have been remodeled and the new storage area is almost complete. This remodel is 100% funded by donors. The Elk Run cabins have new roofs thanks to a single generous donor!! This kind of sacrificial giving has helped to accomplish so many projects both recently and throughout the nearly 83 years the camp has been in existence. We would not be where we are today without you! Bonita Park recently held a naming ceremony at Elk Run to honor the names of those who have paved the way for the camp since its beginning. Five of those cabins are now named Ryan, Peters, Burch, Gunstream and Petty. We are so honored to be sharing those names with campers once again!

We can't say enough good things about our staff team! They are amazing!! As the camp's staff continues to carry on this great work, we humbly recognize that we are the hands and feet of Jesus. You, the District Family are also the hands and feet of Jesus through Bonita Park. Every time you come to the camp and bring someone with you who needs Jesus, or someone who needs renewing in their spirit or someone who needs a safe, quiet space to hear the voice of God speak to them, you are the hands and feet of Jesus. Every time you give financially or volunteer or pray over Bonita Park, you are the hands and feet of Jesus. Just as those who have gone before us, we pray that God will continue to use these hands and feet in ways that we can only imagine. As summer began this year, we were privileged to welcome a record setting group of 496 campers who arrived on nine charter buses! As our staff stood by the road and waved at them as they drove onto the grounds, it was overwhelming to think about cooking and serving more than 6,000 meals. It was overwhelming to think about scheduling all of the necessary slots to be filled. And, it was equally overwhelming to consider all that God would do in their lives while they were on these sacred grounds.

We pray that God will protect the camp, and we pray that He will continue to call campers to come away to this place that has been set apart for the work of the Kingdom on the New Mexico District. We are so privileged to serve this district through the ministry of Bonita Park. Respectfully submitted.

Left- Starting a church and continuing to maintain the sense of community during Covid-19 was a challenge. When the restrictions started to loosen, I was left amazed at our church's willingness and desire to meet together. The online platform allowed us to continue to study and grow together, but when we were able to meet back together and have all the members in one location, I was able to get a stronger sense of community and fellowship. Now that we can meet together, we are left more amazed at how God is working throughout our church.

Right- One of the main focuses that our church has had is to be much more proactive instead of reactive. What we have done right is to come to a unanimous agreement that our church needs to actively be "for" doing things instead of "against." We are actively seeking to be the kind of church God desires for us to be. We have all agreed on the importance and great need of service and outreach. Every member is instrumental in strategizing and participating in the outreach we have tried and will continue to pursue.

Back- As I look back, I have looked at the importance and impact we have had with our church members. One person in particular has expressed her reluctance to constantly participate in a local church community. After a few months she has communicated how we have helped her heal from past church experiences. Because of this she now feels a stronger sense of belonging and ownership within our church community. She regularly comes with her family and is engaged with her participation.

Forward- After several discussions, our church group has made it a priority to not only research but to actively seek out high needs groups. Some of these will include people we have personal relationships with, school organizations, and community organizations that we can commit time and resources with. We want to move forward by partnering with and serving in the community, seeking out simple ways to make a difference in people's lives in tangible ways.

Dear Dr. Lacher and the New Mexico District Assembly,

As we look back on this year, we have seen God at work in and through the people of Heights First Church. We have seen God bring many visitors to our congregation this year. One encounter came as a young man who grew up atheist but had a strong sense something was telling him to come to our church. Our people embraced him, invested in him, and he gave his heart to the Lord. He met with staff members and discipleship groups as he yearned to know more about the Bible.

We have also seen God continue to amaze and surprise us. During our Faith Promise Celebration, we exceeded our goal by \$20,000. We continue to be amazed at the resources God continues to provide for ministry at Heights First. God's provision through leadership has also been demonstrated as we have seen several transitions.

This year we have also developed a clear sense of mission, vision, and strategy. This process has been very helpful for us. It has precipitated many important conversations as we move forward. It has also helped us develop a clear strategy with tangible goals which have already helped us make progress toward creating compelling reasons for people to come and for people to stay and call this their spiritual home. We have begun to focus on our assimilation process, children's ministry, and worship as we form these experiences to create deeper meaning for our people and connection points for our guests. We also have begun the process to remodel our facility to create a greater curb appeal and to better serve our ministry needs.

Over this next year we are working to build our people to reach out and make an impact on our community. We are developing more ministry partnerships to serve compassionately in our city. We are building our people to reach out and invite to different events and services to introduce people to the love of God and the gospel. We are building stronger ministries to make greater impacts as we make Christlike disciples in our city. Never has the call been more clear and more pressing for our leadership and our people than now.

What an awesome opportunity to be able to do what we ask the people in our congregations to do, and that is give a testimony of God's love, grace, and faithfulness by looking all around us.

Looking back over the past year, we have seen God touch people's lives in a multitude of ways. For example, the little girl who had cancer and was healed and went into remission. Her mother was able to not only see but experience the power and love of God through this difficult time in their lives. God touched people's lives and brought people to Him through Jesus, and people were baptized.

When I look to the left, I am amazed at God's presence in every aspect of our church. From delivering and healing families, to the power and presence of the Holy Spirit's presence in every aspect of our church. God is present in every Bible study, church service, and prayer meeting.

A look to the right reminds us of the broken and clogged toilets, the many break ins from homeless people, the trash that is dumped on the church property that becomes our ongoing responsibility to dispose of. In spite of all this, the joy and peace of God was never diminished. God's people never stopped meeting together, ministry continued to the people who need to hear the gospel, and the presence and love of God was always experienced in a real and true way.

It's hard to say what God has planned. But what we do know is that He wants us to teach and tell people about His Son, Jesus. The greatest missional opportunities are at our doorstep. The opportunity to teach people about Jesus and who He really is, has never been greater. The next horizon is learning to have conversations with people about Jesus and see people through His eyes. The next, but not new horizon of ministry is in prayer.

ALBUQUERQUE RIO VISTA

Pastor: Michael Blea

Valerie and Michael Blea

This last year and through the pandemic, we have seen people come and people go, both face to face and through our streaming applications. We the church, praise God for our family and friends, those who have stuck it out in faith, persevering in their call and commitment to the Lord as we have grown together over the last year. The Lord has taught us and matured us through life's obstacles, and as we have exercised our faith in God as He continues to grow us together for both our own sake and maturity and for the sake of impacting those who do not yet know Him.

Over this past year we have seen the result of our frail bodies through the death of our friends and loved ones who have become sick, and some even still fighting. Although this world and the situations we face tend to try and drag us down, we praise God to see how these situations have individually made us stronger and collectively have brought us closer together in the Lord's love as we have leaned on Him. These situations have allowed for God to use others who have risen to the challenge of taking on new responsibilities where vacancies were experienced.

But as we remember the rough times and the trials, we also remember the victories. This year, we have cause to celebrate. We witnessed two of our children giving their lives and commitment to Christ as we celebrated their baptism and praised God for his faithfulness in our children. We have been blessed by the responsibility of new people coming off the street to attend our Wednesday Night Bible Studies. The Lord has added to His numbers with seven (7) new members who have joined us and who are in unity with our Mission to make Christlike disciples and the vision to reconcile the world to God through the Love of Jesus Christ that the lost might Believe, Belong and Become, having hope of being saved from eternal destruction that they might have eternal life with God our Father, becoming productive Christlike disciple makers. We praise God for one of our own youth starting a Bible Study at her school, leading the Bible Study, and using her God given gifts to reach those in her age group who are seeking and growing in the Lord. The Lord has blessed us with the strength and resources to have knocked on 200 doors, representing over 600 people, over 2,000 times, offering them the love of Christ and the prayer and help they needed. He has blessed us with the strength and resources to distribute over 250 bags of food to those who wanted and needed them. The Lord has blessed us with the continued ability to pay all our bills and to pay our District Budgets in full. The Lord has blessed us with hearts that seek to maintain the church that it might look good by upgrading and painting classrooms as we have returned to church. We have been blessed by our merciful and gracious Lord for the call of those who have coordinated and worked to purchase and install new toilets. He has blessed us with the resources to purchase a new electronic drum set to help control the sound levels and improve our online streaming sound. He has blessed us with the hearts of those who answered the call to join the praise team adding to the fullness of our worship service in praises to our King.

Though we have cause to raise our hands and celebrate what God has done, we also have cause to fall on our faces before God and pray for more of His Holy Spirit that we might do even more, that He might continue guiding and using us.

As we continue our outreach ministries, we are praying and encouraging each other to be purposeful about winning someone to Jesus this next year. That we would take seriously our vision and mission as we bring others to Believe, Belong and Become. That each of us would take advantage of the opportunities the Lord offers to reach into our community, and the opportunity the Lord offers in our daily lives to touch the lives of those who are desperate, downcast, abused, mistreated, lost, disheartened, and held captive by the evil one.

He has rescued us and given us new life. We will use this new life to offer new life to others, that we would invest into others what God has so graciously, mercifully, and generously given us, new life.

WHITE ROCK LA VISTA

Anniversary: 11/17

A look back: This year is the 50th anniversary of the founding of La Vista Church of the Nazarene. Over these 50 years, La Vista has had its ups and its downs, but it has persevered, none the less. The perseverance of this church in the community of White Rock, for 50 years, is nothing less than a work of God! What started as a small congregation, meeting at a local elementary school and eventually constructing a building with Alabaster funds, is now a self-sustaining church with no debt that has been able to not only survive through the pandemic but thrive while serving our community in genuine love. This past year has been one of growing stability and learning how God has planned for us to be a Kingdom presence in our community. It has become abundantly clear that God has placed each family within our congregation to build a unique set of skills and passions that is tailor made for our community. It has been an honor to grow with this church and watch God put passion and drive in so many of His servants!

A look to the left: As we have continued to seek to be God's hands and feet in our community, it has been amazing to watch our church shift its focus from internal stability to external service. Many years ago, we decided to forego the typical summer vacation Bible school as we just don't have the number of volunteers that would be needed to run a weeklong VBS. However, over this past year, we have successfully hosted VBS sessions during the two elementary school parent teacher conference weeks in which students do not attend school on Thursday or Friday and many parents are left without access to affordable childcare. It has been a privilege to watch these children learn about God while their parents are being served by volunteers who genuinely love each child. For one of these families, this enabled the children to be in a supportive environment while their mother travelled to Ukraine to rescue their grandmother. This would not be possible without the burden for service that the Lord has put on the hearts of His children at La Vista.

A look to the right: I am incredibly proud of this congregation for how well they have come through a six month long pastoral transition. It has been abundantly clear that God has orchestrated this time of transition as a time of growth and learning how to operate as a church that partners in leadership and works together to continue serving the community through such a transition. I could not ask for a better board and leadership team to start my first pastorate in. I have been eternally blessed that God would create such a growth oriented and supporting environment for me to develop into a leader. The people of this church are truly a blessing!

A look forward: As La Vista moves into the coming year, we will continue to find ways to serve our community in genuine love. We are seeking God in prayer that He teach us to: See with His eyes, Hear with His ears, Love with His heart, and Act as His hands and feet. I continue to feel the weight of God's calling to a deeper prayer life and ministry within the church. As we seek the face of our Lord in prayer and stay tuned to the needs of our community, I expect that we will continue to encounter opportunities to grow as faithful servants of the Kingdom. Please join us in prayer as we seek to find a way to make use of unused portions of our property to better serve our community.

CHURCH OF THE

District
NAZARENE

ALBUQUERQUE GOOD NEWS OF MIRACLES AND SALVATION

Pastor: Desire Kasi

First of all we thank our District Superintendent for your wisdom and your leadership which we are under your authority and all Nazarenes Churches in general. In particular, we thank pastor Pete Myers of Sandia Church of Nazarene, with his wisdom and leadership which we are under, to give us a good opportunity to grow up and pursue our calling for our ministry in which we are called to do for the kingdom of our Lord.

Good News of Miracles and Salvation is a congregation of refugees from Africa, we have difficulties with the language barrier, cultural orientation and life style, but we thank the Church of the Nazarene so much to welcome us among them with their generosity.

Our God is faithful. Last year we had many challenges with Covid 19, we lost some church members, some have gone to heaven and others have moved to other states, but some came back to church. We thank God because we stayed gathering together without restrictions.

God did amazing miracles in our church. A sister in Christ came from Africa to USA blind for 4 years, when she stated her ministry to serve God and to pursue her calling in our church, we prayed for her, and a few months later she received a healing of her sight back. Now she can read, drive, and see people.

And in our congregation, people started speaking a little English even if it is hard to learn a foreign language.

For the last year, even though we had more challenges, God was on our side, some things were done well, we saw how God changes day by day our life spiritually, emotionally, and physically.

We believe and hope that our Mighty God give us strength to the congregation to look forward for the kingdom of Lord, to be obedient and humble, to serve for the kingdom of God.

For this year, we are focusing on discipleship and evangelism to bring people to serve God.

I praise God that he has provided for our PAC pastors to report individually about the amazing things God has done. This allows me some room to report on what he is doing specifically in our ABQ Central congregation. One of our newest believers, Ernesto Martinez, has partnered with one of our long-time servant seniors, Eva Pacheco, and they have together stepped up and taken leadership in our Thrift Store and Resource Center. This is miraculous on multiple levels. God brought Ernesto to us during the COVID-19 shutdowns almost 2 years ago, so that is a miracle unto itself. He comes from a difficult past and he has quickly jumped into service in the church, expressing a call to ministry that we hope to mentor him through. Another miracle! Additionally, for many churches, a new believer and a senior adult working hand-in-hand is a seemingly unattainable dream. Although Ernesto still has room to grow and the partnership is far from perfect, God is working miracles through the process and we are excited about the future and what God can do.

God has been faithful in working through our youth leader, Rebekah Landry. She has led our teens to maturity in Christ by keeping their focus on seeing others come to know Christ and leading the teens to show the love of Christ to the unchurched. Maturity is not true maturity until it focuses on others and our youth group refuses to be ingrown. They have hosted multiple outreaches in different areas of town, including two apartment complexes. Through all of this, Rebekah has clearly heard (and finally answered) the call to vocational ministry and interviewed for her first local minister's license at the end of the church year. Additionally, she has taken leadership in Mission ABQ's new resident services department, to work part-time at one of the apartment complexes. Rebekah's husband James, one of our Core Team Pastors, has led the way in partnering with another church, Ciudad de Gracia, through the Shine partnership to do outreach connected to Emerson Elementary school, including a weekly gardening program in the school. Many Christians wonder if it is possible for the church and public schools to co-exist, but we have found the schools hungry and thirsty for spiritual help. Although the Shine partnership walks the line of church and state very carefully, we have found that the school administrators and many of the teachers recognize the need for spiritual direction as a solution to the deep challenges experienced by many of the families they serve. In the Sunday absence of Pastor James (who served as interim pastor at Mountainair) Pastor Mike Brown, spurred by an encounter with God that brought about some significant renewal, stepped up and took leadership in our Sunday morning Homeless ministries.

Some of our historically most successful ministries have seen outstanding success this year, perhaps taking them to another level. Our worship ministries have long been a strength of our congregation and, under the leadership of our Worship Director and multiple worship leaders, we have taken steps forward to challenge our team to greater vision and deeper desire for the presence of God in our worship services. Kingdom Builders Preschool & Day Care, long an important outreach avenue, received their 5-star rating this year and has been building a much more effective team. They also received a \$320,000 grant to help with facility and staffing costs. Finally, Pastor Dawn Davis has led our discipleship ministries forward. What has long been a strength of our church, experienced many challenges over the last few years. Pastor Dawn has an incredible heart for seeing people get connected (to the church and to other believers) and earnestly seeks out new people to draw them in while investing in long-time members and leaders and sharing the vision and importance of discipleship.

At the entry to our sanctuary, for many years, we have had our logo emblazoned with the word NEXT. This came about after several years of casting vision for what new works God was calling us to start in the coming year. Each year, there were amazing opportunities for things that we had never even envisioned...and a few things that we were "just sure" God was going to do that never quite got off the ground. Instead of focusing on the specific thing that we thought God was going to do, we began opening ourselves up to the possibilities that God might bring and saying YES before we even knew what they were. I wish I knew exactly what God had in store, but I don't. I know that it will be better than we imagined. Although many churches struggle for lack of vision, many of us declare vision that is short of all that God is capable of doing. I know that if we are willing to say yes, God will bless and he "is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us."

ALBUQUERQUE SANDIA VALLEY

Pastor: Patti Rivas

Family Members' Special Days

Patti: 11/16

God has revealed Himself in a mighty way! Our weekly attendance has increased and we have been honored to share the Gospel with visitors and family members who have not chosen a church home. I received a call from a local school partner that there is a family looking for a Church home; a great grandmother raising 3 children. God revealed himself as the neighborhood the family lives in is an area that Pastor Jeanice Lovato and I have prayed over (Since 2016) and knew that God wanted to plant a Church on Metzgar Rd. Our connection with the Family and the neighborhood has been strengthened and plans are in place for the Next step, as God has great plans for the community's salvation.

I am amazed that I was able to see God's hand in strengthening a group of young believers thru a Workshop we participated in alongside our relationship with the Public School system and SHINE partnership (which allows Churches to partner with local schools). Our group met for 16 sessions and discovered important life skills, community resources and financial literacy components that bonded us closer together as a community. This group has become consistent in Church services attendance, committed to serving their families, willing to serve the community and allow the Lord to guide their lives in a magnificent way. When I did not have the answer, God had it all along. Our relationships, with trust and care doubled in a matter of weeks. We have expanded our Bible Study classes, connected with our community (South Valley ABQ). Because of our partnerships with the local schools, we have ministered to new families, both English and Spanish speakers.

Our Worship experiences on Wednesday and Sundays include operating our Audio/Visual component to include ZOOM connecting to our Central Campus. Operators are needed. We are overcoming this area. I have seen hearts change towards serving God and our Church in this area. Teams are developing and we are better equipped to use this technology to share the Gospel.

We are looking forward to expanding our Spanish Valley membership with a Church Plant. We are building partnerships and relationships with our neighbors as doors have opened for Christ to be received. We are anticipating our Bible Club to start at a local High School. I will be on Sabbatical this Summer, rest, prayer, and Visions of what God has planned will be revealed.

ALBUQUERQUE REVIVAL AND COMPASSION MINISTRIES

Pastor: Isaac Wilondja

Isaac Wilondja and Daniel Fazili

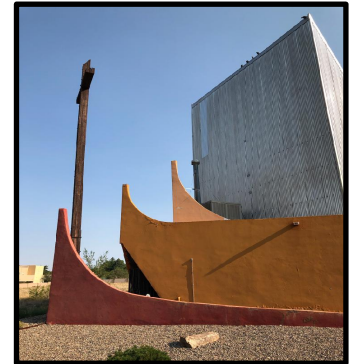

We can learn a lot about God through His word. God uses His word, and those who share it with others, to work in church life. The church is there to provide access to God's word and help the church understand it, but also to give godly guidance and advice. The past year God shown himself to be might and faithful in the life of my ministry: -A Salvations Story -A healing People

About salvation, I thank God, creator, the source of authority, who saved people (received Jesus as the Lord and savor in their lives). They were from the dark using their witchiness to cause trouble in people's lives. And everything changed when they received salvation. They never knew the existence of God's creator. But now they become new creatures because Jesus changed their lives. John 3:16 The Bible says: For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. The Revival and Compassion Ministry continue to make people of all nations into disciples of Jesus Christ. Matthew 28: 18-20: Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Also Jesus healed two ladies in my ministry who were very sick and they never thought if they were going to receive the healing. But Jesus touched them and they got healed.

This year God left me amazed by his love. God's hand is upon me. He has fought for me during the corona pandemic (Covid 19) (different diseases). Now I am healthy. Let me say God is wonderful and that means God's hand is upon me. The Bible says: Psalm 91:9-10 If you say, "The Lord is my refuge," and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent. God's work left me in awe and wonderful by the encouragement of the gospel of Jesus Christ which is the source, love and reconciliation for all nations.

This past year there have been many challenges, but God has helped, and some things have gone well. The church shows its concern for human life in community focusing on the value of community life which is related to justice and love that form social cohesion. This year I have done well by receiving a response to the need when I asked God to guide the Church plans: Ex: Preaching and teaching the word of God in the different states and healing people. Actually, I did counseling people, preaching and teaching the word of God in different states and healing people. In spite of the difficulties that surrounded me, God gave me the opportunity to continue to do his work: such as blessed some people who asked me for counseling, visited church members and prayed for them.

Looking into the new year, I'm seen the greatest missional opportunities that God has been showing my church: to preach the people the good news of salvation, baptizing people, to teach the baptized for the purpose of spiritual maturity, healing the sick through intercession, ... The next big adventure is people seeking the face of God (to continue to seek the glory of God) with all boldness in their lives. About new horizons: The Church wants to help mankind in the way of redemption. Men and women must receive the Gift of Salvation through the teachings of the word of God. Christian salvation is for all people and for the perfect man. The Church puts itself into action in the service of the kingdom of God, especially by proclaiming and sharing the gospel of salvation and establishing a community. The Church has a kingdom ministry by distributing to the world the gospel values that are the result of the kingdom and help people to receive God's plan.

Una mirada retrospectiva: Lo que Dios hizo El año pasado Y lo que sigue haciendo nunca nos ha dejado de su mano, Dios es fiel.

El cuida de nuestros familiares hermanos en Cristo, cuidado se iglesia a su pueblo en estos tiempos difíciles en que más dependemos de él.

Una mirada a la. Izquierda: Lo que Dios ha hecho este año y no se ha dejado asombrados esta gracia su poder que él mantiene de pie a su pueblo aquellos que de todo corazón le buscan, se humillan ante su presencia, en es lo que nos podemos maravillarse es que nos da su gracia para poder contemplar su infinita creación en cada día que nos regala una página en blanco para escribir nuestra historia del libro de la vida.

Una mirada a la derecha: Qué ha ido bien este último año en los desafíos que tenemos a día del desánimo de los hermanos tenemos que mirar hacia el frente, nuestra meta es Jesucristo, Dios me ayudó a poner mi mirada en Él y no en las circunstancias, confiar en El.

Una mirada hacia el futuro: Mirando hacia el nuevo año mientras haya vida hay esperanza, nuestra próxima gran aventura para la iglesia, ser esa verdadera iglesia por la que Cristo murió, ser una iglesia llena de amor y unidad. Como hijos de Dios tenemos que pasar por pruebas, para poder ser vencedores, Cada día nos preparamos con la palabra de Dios tratando de llegar a ser la estatura de nuestro señor Jesucristo ser hacedores de la palabra, preparándonos Cada día en nuestra teología Nazarena, para ser mejores líderes.

Gracias hermanos – Dios les Bendiga 😊 Pastor Graciela Ramos

BERNALILLO NUEVA ESPERANZA (CMC/PAC)

Pastor: Rev. Erika & Brian Hasenauer

A look back: What a year it's been for everyone! It had it all. Bittersweet, good, and hard. Covid and the whole variant family are still among us, or long-term consequences. God remains the same! He's been faithfully carrying us through storms and bringing us to victory - personally, as family, and ministry. Nueva Esperanza, from the start has been touching the lives of the most vulnerable in the Bernalillo area and surrounding pueblos. This year will be 14 years serving in Bernalillo. We are thankful that God gave us grace before community leaders, even non-believers to keep Nueva running during COVID - even sponsored two months of rent! They believe in us and for that we are thankful.

A look to the left: God is growing his children regardless the challenges. Maxine, our dear mid-60's tireless and godly prayer warrior Navajo friend, is letting God use her to touch many. She enjoys speaking to other Native women and boldly reaches those on the streets for Christ. Mary is our newest convert. She went to women's retreat and absolutely loved it. The newest volunteer, Catholic background Daphne has really grown in her faith in only one year! She is a great asset in our team! Finally, we truly appreciate Ronnie, the most loyal volunteer and special needs worker who is always there to open the door and greet anyone with a smile and a good attitude! Each volunteer is precious to us. They were there when we needed extra help when our dear Ruth, store manager got sick in April and is about to retire.

A look to the right: Navajo, Apache, Pueblo, Anglo, and Hispanics continue to be our regular customers and Bible study attendees. We do bilingual activities as needed. We understand God has called his church to be a welcoming, warm, embracing place where anyone feels they belong regardless the color of their skin, clothes, looks, language, legal status, or background. Nueva continues its mission to be a channel of hope to the hopeless and needy. Our prayer is that others will be inspired to carry the torch when we are not here anymore.

A look forward: We will persevere on our mission to show people the way to heaven and run this race he has called us to run, one day at a time!

A look back: Share something from the past year that God did in your church that Only God Could Do.

The challenge for us as a Church after this last year is to see His provision and care, even when it has been different than what we expect.

Miracle after miracle that God has allowed us to be part of this ministry, being able to continue with open doors without debts with many needs, but with enough resources to fulfill our district and global church responsibilities.

God is God, his ways are higher than ours (Isaiah 55:9). As we put our faith in Christ, God takes it upon himself to protect, provide, and care for us, though often not in the way we expect.

We have learned to ask God to try in whatever way he sees fit and not to complain against God's supernatural and unexpected ways.

We have gone through stages where we see that God's provision and care seems distant to us, and we long for our hearts to stop aching under the pressures of this life, but we have grown on the foundation of his word: "We are, "...chosen lineage, royal priesthood, a holy nation, a peculiar people, that we may proclaim the praises of him who called us out of darkness into his marvelous light" (1 Peter 2:9).

A look to the left: What has God done this year that has left you amazed?

We are amazed to see the consistency of God's forgiveness; people know the seriousness of sin and its cost and even what God thinks about it. We have tried to teach them that forgiveness is not automatic, but that Jesus makes it possible. That has allowed us to see and marvel at his faithfulness, his greatness, his goodness, his grace, his splendor, his majesty and his provision.

A look to the right: What has gone right this past year?

Without a doubt, this year has been hard, we have been seeking God's direction, we would like to know for sure what we should focus on. God has answered us, and we can pause and focus on the strengths we have gained. This has changed our lives on all levels. However, we know it is time to move forward with a strengths-based approach. We are ready to focus on where it has gone well!

Therefore, we are ready to focus on the strengths we gained from surviving the last year of ministry. We are ready to celebrate the micro steps we have taken to survive and embrace God's purpose for us in the coming year.

The Lord promised us that if we cling to Him one more year, He will help us stay focused on our strengths and believe in Him!

A look forward: Looking into the new year, what do you see as the greatest missional opportunities that God has been showing your church?

For us, the mission has not ceased to be God's mission, which is to inspire people to work with the materials that he provides to produce new and good creations and order the natural world. These are great plans that without his help we will not achieve.

This past year has seen Aztec Church of the Nazarene extremely blessed. Even though we are still dealing with many COVID related concerns and trying to discover a new church normal, we are beginning to see many people starting to come back to a new hunger for fellowship and Holiness. This desire is being fed by those who have been faithful through it all.

Our leaders are finding new ways to engage the Aztec community even though we have seen a decline in giving to the church as well as a decline in those who are willing to serve. One blessing we have had and that has helped us in our financial situation was by paying off the mortgage we had outstanding. God blessed our church and now we are debt free. This is going to free us up to meet some of the other needs we have and this will only make us stronger going into the future.

The thrift store has been a continued blessing and it gives us an opportunity to minister to those who are at a point where they are searching for help. We have opportunities to provide for the physical needs as well as directing them to Jesus.

We are beginning to place a new emphasis on missions local, regional, as well as around the world. Whether it is through our thrift store, through VBS, Samaritan's Purse, or serving across the state and across the world, we hope to do more to share the holiness message to those who need hope.

At Aztec church, we believe that God is not done with us and there is more on the horizon. My prayer is that we are ready, willing, and able to extend the love of Christ around us. We may not be able to do it all, but we will do our part for others.

FARMINGTON ACTS 26:16

Tammy and Tom Summers

Dr. Sunberg, Dr. Lacher and Assembly

As we look back at this past year, we are in awe how God has worked in and through 26:16. With all the muck and mire that surrounds us, He has given us a firm place to stand. As our first "Local Licensed" minister said, "God has taken a few people and made a small, yet powerful church." God has blessed us through the vision of 26:16 with neighborhood Bible studies (small churches) and we are able to see the transforming power of the Holy Spirit at work.

God not only trusted us to plant 26:16, He also, with Him central, blessed us with the ability to stand on our own. Members of this little church have developed ministries that include, prayer groups, home visitation, Drive through Prayer Tents and Bible reading to those who struggle with poor eyesight and reading abilities. We are a year and a half young and God is raising up another pastor. We handed out our first "Local Ministry License" this past week. "Through our Lord we have proven that we can break down walls that because of a virus could have blocked many from hearing the word. Doors of communication have been opened between multiple denominations allowing God's word to be heard to those who would not normally get to attend services on their own."

When 26:16 started, not a one of us knew what we were doing or what to expect. What we did know, God would put us where we needed to be. He allowed us to grow in ways we could not imagine. We were able to turn wrongs into rights and improving as we went along. He has allowed us to learn and improve on the sound and technology within our services, something we never expected so soon in our journey.

As we look forward, the greatest opportunities we have are to expand on the ministries He has set in place. These ministries have enabled us to share the gospel in ways we did not expect and taught others to do the same. "As we grow, we intend on patiently listening to God as He gives us His desires for His church of 26:16."

"Now get up and stand on your feet. I have appeared to you to appoint you as a servant and as a witness of what you have seen and will see of me." (Acts 26:16)

FARMINGTON CROSSROADS COMMUNITY

Pastor: David M. West

Anniversary: 06/09

Dave and Dreama West

Greetings from Farmington Cross Roads Community Church of the Nazarene. I am pleased that this is my 21st report to the New Mexico District Assembly.

*As I look back at 2021-2022 as an individual and church as a whole, I **remember** what it means to be "The Church." The Church is not only people gathering once again (post Covid-19), but His people who will follow the mission and mandate to go and make disciples. (Matthew 28:19). Before we "Go," we must "Wait and Become" (Acts 1:8) empowered by His Holy Spirit. Then we can be scattered into our corner of the world and beyond.*

*Looking back left me with amazement of God's goodness. He was faithful to see us through tough times financially, personally and corporately. God provided exactly what we needed to endure transitional times of ministry. He also provided our spiritual, physical, emotional, and mental needs as a church while He **reminded** His people of His promise in 1 Thessalonians 5:24 that "He is faithful!"*

*While I looked at the things that have gone right over the years, I **reflected** on our decision to step out in faith to start up a Christian School and Day Care in 2005-06. Following God's guidance so many years ago has seen us through tough financial times the last two years. It has allowed us to continue to minister to the families in San Juan County and keep in step with His Spirit.*

*I also **reflected** on the importance of discipleship and raising up new leaders. I am proud and blessed to have raised up Pastor Billy Stone who will become an ordained minister this year at the West Texas District Church of the Nazarene.*

*Finally, as I look ahead to a new year of ministry and missional opportunities, we are open to **receive** whatever new things God would lead us to (Isaiah 48:19-20). We are eager and excited to see what new possibilities He reveals to us for our future! We, as a church, will continue as we always have - intentionally training and preparing through discipleship of our children, youth and adults.*

Chris Davis

1. **A look back:** Gallup's first miraculous story are the outside resources that God sends to Gallup First to help us survive financially in the church and the out-reach ministry.
2. **A look to the left:** Gallup First is amazed at the people and groups that come each year, the old groups and the new groups.
3. **A look to the right:** Gallup First was hit hard with COVID restrictions and shutdowns, especially on the Reservation. We are now seeing some let-up on restrictions, but it is still a challenge. So, we altered the way we ministered to the elders on the reservation and used a (one-by-one) ministry with firewood, water, and food boxes.
4. **A look forward:** Gallup's first greatest next step is developing Mt Taylor this summer. With some outside resources, we hope to transform Mt Taylor into a Kids Rescue Center. Kids from all over will be able to come and worship and enjoy the recreation.

Back: When I look back on what God has done in Los Lunas Cornerstone this past year, I could say, "What hasn't He done?" By that, I mean that we have become very aware of every working of His that we see His hand in everything that has gone on in the life of the church.

But there is one miraculous thing that stands out to me: the turn around that we have seen with our daycare ministry. We made a commitment as a church 4 years ago to turn our daycare back to the Lord, and to do everything we could to make it a ministry in the name of Christ again. We have made several steps toward that goal over the past 4 years, and this year, despite what we perceived to be setbacks, God has been faithful to our commitment. He has filled our classrooms to capacity, and we were awarded the honor of being voted the Best Childcare center in Valencia County. We have heard from many of our families that they are blessed by the values and love that their children receive at the center, and we know God is working in our commitment to honor Him. As we continue to make steps to bring Christ into every corner of this ministry, we know that He will continue to show up in mighty ways.

Left: I was amazed, utterly humbled and encouraged by the way the people that God has entrusted to me to pastor rallied around me and my family when I was hospitalized. I have devoted my entire self to loving God and His people, and when the time came for His people to show His love for me and my family, we got to see the endless depths of their love for us and for all who love the Lord. We are a small church, and I worry sometimes that without a completely devoted pastor, they might not stick together, but God is bigger than my worries. He showed me something amazing about His church during that time, but just as important, He showed His church amazing things about themselves. He has been so faithful in sustaining His church through things that would break many others. His faithfulness shouldn't be surprising still, but He finds new ways of doing this time and time again.

Right: We've continued to feel prompted by God to make prayer a vibrant part of our worship and gathering time, so this past year we added a twice monthly pie & prayer night at Cornerstone. It's great! It's very informal, but it's a great way for us to gather together and join in prayer for the needs of individuals, our community, our congregation, etc. and also enjoy a time of casual fellowship. These pie & prayer times have seen people who don't normally come to "prayer meetings" come and see that corporate prayer doesn't have to be intimidating or scary, but rather another chance for the church to truly act as the body of Christ for one another.

Since we are a small congregation, we get the opportunity to be more creative with our Sunday worship time. In January we started S.O.A.P. Sundays where, instead of a traditional sermon, we gather into small groups put together and led by the Spirit to study Scripture together, talk it through, learn how to apply it, and pray for one another. God has done great things through those times!

Forward: Nearly two years ago, we felt a Spirit prompting in our whole church to begin praying for and laying the foundation to start a youth program again after nearly all of our youth left for "greener pastures." We faithfully prayed for this, and began to prepare a space in the church that would be a dedicated youth space. Then God brought us a boy scout troop that wanted to host meetings at the church on a night when we had no activities happening. We saw the opportunity to reach the lives of many young people through that program. As we've developed a relationship with them, and continued to pray for a youth program, we finally saw the connection of what God had been doing.

We are looking forward to kicking off our youth program, starting with some of the youth from the scout program at the end of the summer. We continue to pray for this, and I have stepped out in faith to lead this program and have begun to put together an idea of what that time might look like. We are excited about this time because we truly believe that a vibrant church includes spaces where all people of all ages can come and grow in their relationship with the Lord.

***A look back:** In October of last year the Wisconsin District Advisory board closed the Mercer Church of the Nazarene. Then through a few months the Lord led me to send out resumes. Then the Lord blessed me with a new church in Mountainair, NM called Living Hope Church of the Nazarene. The miracle was me getting the new church, a fix up house, and the trip to get here. Following God's will is always the best thing to do.*

***A look to the left:** God's faithfulness to me is to lead me to a wonderful place for me to do His work, where there are people who are full of Jesus' love and spirit. This church has a heart for the community and does what they can for it. Even some of the churches get together to help the community with prayer and items they need.*

***A look to the right:** I did the right thing by coming to New Mexico. It has been a trial for me to leave my family and friends but I know God will bless me here and the church. I feel the presence of the Holy Spirit in the people of the church. The Holy Spirit has filled my heart so I can endure the trial of being away from my family. God has given me a new Christian family here and in the district.*

***A look forward:** I would like our church to be known as a Bible base – a friendly, helpful, and caring church. The people are willing to share about the love of Jesus to the community. We would like to start a program for people that are in drugs, alcohol, abuse, obesity, and other problems they may have. We would like to continue with our prayer sessions in the community and church. We have programs for the children like, VBS, Neighborhood Five Day, Sunday School, and Kids on a Mission. I know these will work if we are doing it under God's hand.*

***A look back.** While we are not accustomed to looking back in Moriarty, there are a few things in which we can look back upon, and see the blessings of God in our small, smalltown church. When the Delta COVID made its way around our parts; we all got sick! Not one person in our church did not get the virus. It was bad, and a few were in very serious condition in various hospitals. As bad as it got, not all of us were sick at the same time, and we didn't miss a single service, or Bible study throughout the entire ordeal. Speaking of services; we moved our regular Sunday services to Sabbath services, and it has been a tremendous blessing for our church. We have seen such amazing growth in our lives in so many areas that it would be impossible to categorize anything as having been a greater or lesser blessing as a result of our choosing to observe, and obey the 4th Commandment of Gods' laws, of course along with the other nine.*

***A look left.** We have been left amazed at how God has moved in our church as a result of prayer. We have seen and experienced so many healings, both physical and spiritual, to the point we almost feel like a young church again. We have made corporate prayer a priority in our church, and because of that, we have grown so much closer and united as a family, and there is far less disagreement on pretty much everything. When we seek God together, then together we find His will.*

***A look right.** I truly believe with all my heart, and I do speak for our local church as well, that the thing we did right was to study the Ten Commandments in depth, and to start properly observing the Sabbath as was ordained by God as a statute forever, and not just for the Hebrews, but for all mankind. It was a unanimous decision to do so, and everyone has said it has been more of a blessing than we could have ever hoped for. It almost seems as though we actually have more days in the week...just another blessing form God.*

***A look forward.** To be honest, we have no special plans to start up a new church, or any grandiose such things like that. Our main focus has been, and always will be to study the Word of God, obey the Word of God, then teach the Word of God to the next generation of repentant believers who want to be disciples of Messiah, and to love the unlovable just like Messiah did. It may not sound glamorous, but God never said it would be; He just said to obey. So we are.*

Church family and District Assembly:

This is my 23rd pastor's report for our church. We have experienced many great events together and God continues to open new doors. A year in review is always difficult for me to do, not because a lack of events, but rather, condensing what God has done. Again, we have a lot to be thankful for as a church and it shows when you walk in. So, what have we been doing?

- Sanctuary renovation:** *We have completely modernized the sanctuary. This includes all new energy efficient windows, framed walls with insulation, electrical upgrades, new carpet, and of course, a totally rebuilt stage with handicap ramps.*
- Audio/Visual center:** *The pandemic taught the church a valuable lesson, the need to be online in our worship service. This technology has been available for a long time; however, the expense stopped many churches from obtaining it. Through the sale of our gymnasium facility, we allocated the necessary funds to make this a reality. Each week we reach our community and beyond through our live stream. Church, we have 100's of people watching and worshipping with us every Sunday!*
- Sanctuary Chairs:** *The seats we are sitting in today truly were a test of our Christian character. They made it through the countries shipping delays to arrive at our door during the Big Hole Fire. They truly bring a modern touch to our beautiful church.*

How do we rate this past year in terms of ministry? In retrospect, it was a year preparing the fields for ministry. With the improvements, we can meet our ever-changing world for Christ. I believe God is going to do immeasurable more in the years to come.

Jeremiah 29:11 says, "For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope."

Greetings from Alamogordo, New Mexico.

As we look back on the past church year and contemplate the questions from Dr. Lacher- people were the answer to what God did in the church this year. God took care of His sheep. People we were praying about were taken care of in unexpected ways. People found healing and we saw God draw new people to church. Especially rewarding were ones we had prayed for years to attend a service.

"People" was also the look to the left: God has drawn people to church to learn about Him- to truly seek Him. Some came only once, some a few times, some visited during their vacations, some just to see what was going on here, and others came and were drawn to making this church "their home church."

Our look to the right was that the offering remained on track and our budget was met. People remained faithful in their giving. People attended church, people carried out the work of the Lord by reaching out to those less fortunate, and people repaired our building from the rain damage caused by our leaky roof. One Sunday evening a month, we have a family fellowship and discipleship service.

As we look forward, our board agreed that they know God's still working on us and our church- because God's not finished with us yet. We're getting back on track for what needs to be done to reach people in our community. We added a prayer time before the service for 30 minutes to pray that we experience God's presence each Sunday. Pray for us as we return to being the "church" God has called us to be. We ended the 2021-2022 year by receiving 1 new member, and we began the new church year on May 8th by baptizing 3 teens and 1 adult...it's going to be a beautiful year when we follow and seek Him with all our heart.

Sue and Rick Hutchison

God began working in us this year inviting us to walk through the open door! We heard His call as we prayed, read His Word and sought His guidance. At the start of the school year we had a brand-new superintendent in Capitan. Throughout the 18 years I've been here we've had an open-door access to the schools and we've seen God do some marvelous things. However, the new superintendent made it clear that we were no longer welcome. We began to pray specifically about how we could break this blockade and God began to work. At first, even though we couldn't go in, students began to come, slowly at first, but more and more each week. It began to build and as it built we prayed more specifically that God would help us to be faithful to walk through the open doors regardless of what it looked like. In the middle of the school year the superintendent was dismissed from his position and the people in charge came specifically to Phil, our youth minister, and asked him to come back into the school and once again be an integral part.

When God opened doors, He left me more and more amazed at what He is doing. We believed and continue to believe that with Phil and Sherri, God was going to use them tremendously in the Capitan schools. In the early part of 2022 we received information about a program that was coming to the school, Rachel's Challenge, that would engage the students in working proactively to make their school better. The High School principal reached out to Phil inviting as many of the church members who would to come on a Wednesday evening to see what the program was about and be involved with the school. At the end of that program she asked Phil, Sherri and myself to personally be part of this challenge; to come into the school every other week, interact with the students, helping them to make their school a better place. When God opens a door, no one can shut it!

We have seen God take the last two years of pandemic and loss and bring it right to where He wants it. At Angus Church we have more than 30% of our congregation that is involved weekly in ministry to others. People give of their time and effort to make sure that the focus of what we are doing is to reach out to our community and to walk through the doors that He opens. We have had specific times of prayer where we've had more than 20 people gather for an hour to pray. We have a consistent group of people who give of their time twice a month to help get food to other people, working up to 15 hours a week to hand out food, to talk and pray with people who come to receive food. We have women and men who come in to prepare meals on Wednesday and Sunday so that children, teens and adults can be fed. We have a great number of adults who give their Wednesday evenings to work with and love teens and children. We have people who volunteer extra time each week to make sure that our audio/video and our streaming ministry is the best that it can be.

God is still opening doors as we look ahead. There are challenges that we are facing financially and still our board is committed to making ministry a priority. I believe that prayer is central and core to where we are going as we have to listen to Him and hear what He has to say before we move. We are in the process of setting up a DBJ ministry for parents of our teens and children who come on Wednesday evenings. We want to begin to help them to find the Jesus we are sharing with their children. We will begin to cover this ministry in prayer specifically for it over the next 3 months so that God can and will work in their hearts and lives preparing them even when they don't know what is ahead. God IS still opening doors and we will walk through them! It begins with walking through the door into His throne room, worshiping Him and letting Him prepare us for what He has and then walking out into the world with His directive, with His anointing and power and in His Spirit!

Lorin Noble

Looking back on this past year it amazes me that in losing two regular attendees the finances have remained constant. God seems to multiply to meet the needs and beyond.

God seems to make it happen that when someone needs to talk to me, whether at the store or my secular job, that he puts me at the right place at the right time. Oftentimes I think they didn't intend to talk to me but God has opened the door.

What has gone right this past year was a breakthrough with a parishioner. He has finally repented and returned to the Lord. I pray that he stays on the correct path this time and does not return to the past.

I am looking forward to a new year in ministry and what lies in store. With a commitment from a new family to help grow the church it was a good way to end a church year, and a good way to begin a new year.

This past year has been very trying for our little church in Artesia NM. We are not great in number or the best looking church on the block, but we are a church that is full of people who are healthy and healed. God and only God has repaired marriages that had been torn apart by divorce but re-married, and God has repaired families that had been torn apart by drug addiction and sexual misconduct. These families are now active members of the church and God is using them to lead Bible studies and show others the amazing things God can do if we let him in. The people of the church say that what God is doing here shows people what family really is and see what a Christian is without having to tell someone you are a Christian. One more thing that God had his hand in was when our church windows had rocks thrown through them and somebody came inside and went through the church. My 1st reaction was to hope and find somebody there so they could be held accountable, but they were gone and the amazing thing was that the repairs were not that expensive and the church members rallied and fixed it all in a day.

The amazing thing about this year is that every time a family came to the church and got involved they seem to move out of town. We hated to see them go right about the time they wanted to start helping, but God was always faithful and would bring another family, sometimes even 2, to fill their spot. Those new families, even though they had new issues that had to be dealt with, are now to the point they want to help and get involved. So we know that even if God takes those, that they are leaving healthy, to go where he leads them, and they can let God work in their life and through their life because of the things he does here in this little building.

Some of the things that have gone our way this last year is moving in a direction that helps our church move into the 21st century. Even though we are a small church we have been trying to impact the lives of all the people in the church. We have been investing in the lives of the church in a way that many big churches could not do. We witness to one another and lift each other up and this shows the new people that we are truly a family minded church.

This new year comes with new challenges but nothing that we will not be ready for. We are going to go ahead trusting that the Lord is going to provide just like he has the last several years. With all the new families we have had come to the church, it has heavily increased our children and teen numbers. So this year our goal is to get our church back involved in district events like quizzing and many other things. We want to grow closer to the churches in our areas and become a One God minded community. We want to offer our children's and teen camps to other churches because it is about planting seeds and reaching the lost. We already help direct the Celebrate Recovery in our area and many of the children or teens that attend with parents have expressed interest in attending the Nazarene Camps. Many of our efforts have paid off as we even had one of the CR teens go to that camp this summer and work as summer staff as well as a couple of our teens from our church. We are waiting and looking forward to the next year.

CARLSBAD CHURCH STREET

Pastor: Ryan & Serina Nelson

Serina, Ryan, and Marley Nelson

Looking back, we had a prodigal son come home, back to church and back to The Kingdom. Through the prayers of an intercessory mother and our church family, the Holy Spirit moved and he gave his heart back to Jesus! He is now serving our church on the security team. In our Men's Bible Study, we had a prayer request from a man who had just been kicked out of his family home because his marriage was in crisis. Divorce was seemingly unavoidable... But God!!! The men prayed over him and within a few days God brought enough forgiveness, small steps of reconciliation, restoration, and forward progress, that he moved back home at the request of his wife. They are continuing the path of healing together as a family! One family has been set free from the generational bondage of debt! These are only a couple of glimpses into how God has proven Himself faithful to us at Church Street over and over again. GOD IS OUR HEALER & REDEEMER!

One thing God has done that has left us amazed, and often dumbfounded, is how He continues to show up and provide for the Christian Women's Job Corps program that we have started in Carlsbad. Through prayer, anointed leadership, and our miracle working Jesus, it is thriving! God continues to bring in the exact women that need the program and CWJC has grown each semester. All three graduating classes of CWJC simply radiate with the joy that comes from Christ alone. Every single time we have a need, whether it is a financial need, a new teacher, a replacement leader, supplies, or a movement of the Holy Spirit in the lives of the students... GOD IS FAITHFUL!

*When we think about what is going right at Church Street Church of the Nazarene, we think about the Wednesday night Prayer Service. We made the decision to use our time on Wednesday nights to pray together corporately. We acknowledge that this is not, and may never be, the most attended service or "thing" that we do at the church, but it is the **most important** thing we do. We have seen God move mountains during this time and through the prayers that have been prayed. God has performed countless physical healings during this time, we have had people testify to emotional healing, spiritual bondage is breaking, and we are seeing spiritual breakthrough and maturity! GOD IS GREAT!*

*God has been doing, and is still doing, big things at Church Street Church of the Nazarene and in Carlsbad... but we cannot wait to see what He is about to do here! We have recently collaborated with a couple organizations in our community to be more engaged and involved. These are new ways for us to serve and it provides an opportunity for us to be the church outside of the church. We are excited about these partnerships and we look forward to how God is going to use these partnerships to grow His Kingdom. We sense that God is about to do and unleash some amazing things soon! One example is our Come to the Table service on June 5th: Through vision and prayer, we are about to participate in a community-wide church service on Pentecost Sunday, gathering with 4 other churches in town as one Church. GOD IS KING, OUR LORD OF **ALL!***

It is a privilege and pleasure to report to you in regard to the 2021/2022 church year. God has been/is faithful!

A look back: *As I reminisced over the past year, I couldn't help but thank God for His amazing and profound work in the heart of First Church of the Nazarene in Roswell, NM.*

- *It was an incredible blessing to baptize two of our attendees this year. Shyanne Cantrell and Santiago Romero. Both individuals made the decision to take the next step in their faith. Both shared powerful testimonies of our God at work in their lives. We praise God for His faithfulness!*

A look to the left: *God has been working in marvelous ways.*

- *We wondered, last year, how things would go while hosting District Assembly. God came through! He rallied everyone together and our church community/family became stronger.*
- *We unified ourselves for the sake of THE CALL. God has brought us together for a distinct purpose in the Roswell Community. This became clearly evident as we identified our Mission Statement.... "Learning how... to Live... and Love... Like Jesus".*

A look to the right: *Many things have gone well. Regardless of the numerous challenges, God has been faithful.*

- *Our church board leadership completed the book "Unstuck Church" by Tony Morgan.*
 - *In recent months, finances are rising and new young families are growing in attendance.*
 - *We have scaled back in busy work.*
 - *Board meetings are more focused on the future with church history taken into consideration.*
 - *We have scaled up in ministry. New ministries were started and new volunteers recruited.*
 - *Caravan (a scouting program for kids)*
 - *Wednesday night changed to a new format for Adults/Teens*
 - *Greeters/Hospitality Ministry for the church was enhanced*
- We give God Praise!*

A look forward: *We see a bright future ahead!*

- *Roswell First has been identified as a Work and Witness Project Site – Now, Work and Witness teams can partner with us to fulfill our mission to reach the Roswell Community with the love of Jesus.*
- *Church Board Leadership has identified 5 key objectives moving forward*
 - *To fulfill our mission to learn to live and love like Jesus.*
 - *To increase the engagement of and with our Noah's Ark Daycare/Preschool and the church.*
 - *To increase the giving base—training new Christians in the joys of Christian Stewardship*
 - *To be Spirit-Driven and Presence-Filled so that when people come in they encounter Jesus.*
 - *To train our young adults and teens to have a heart for others*
- *Our Leaders have planned a Board Planning Day on June 5th, 2022 to discuss how they can execute these objectives.*

1. **A LOOK BACK.** *This past year has been a difficult one in many ways. Many of our congregation members had covid and a few of them had a severe case of it. BUT GOD...through the medical treatments available they all recovered and are doing great. One of our members had their entire sanctification experience during their quarantine and recovery time and has been totally transformed by the power of our sweet Holy Spirit. God has been so faithful to Neighborhood church.*
2. **A LOOK TO THE LEFT.** *God has done a great work in our small congregation. We had 6 salvations and baptisms and new members added to our church this past year. God continues to be faithful to us. When you look past the crowds (or lack of them) to the important things (the spiritual growth) you see what God is truly doing in your midst and He always leaves you amazed. God's faithfulness to our pastor in his healing is also a miraculous process. God continues to heal Pastor Hector daily.*
3. **A LOOK TO THE RIGHT.** *Despite the challenges many things have gone right this past year. At the beginning of 2022 we began reading through the Bible as a congregation. Our tithes and offerings have continued to grow which is an indication of spiritual growth. Preaching the Gospel and holiness has kept our focus on the important things and that has kept us in unity and together during these difficult times, not only in the church but in the world.*
4. **A LOOK FORWARD.** *As we look forward, we see many missional opportunities all around us. We are preparing our people by preaching holiness and obedience. Just listening to the voice of the Holy Spirit and obeying no matter the fear we have. One example that happened recently is one of our members went to visit someone in a nursing home and ran into someone else, who he ended up leading to the Lord. Those opportunities are all around us if we just open our spiritual eyes and are obedient.*

Looking back on this past year feels like pushing the fastest rewind button on the TV remote. It went by sooooo fast even though everything around us slowed down. Even though the year was wrought with much uncertainty and confusion; we experienced the sovereignty of God and a 'peace that surpasses all understanding' at our church. We experienced how God healed our community both physically and emotionally from several rounds of Covid and kept our church together when many other organizations and even other churches were torn apart.

This past year left me amazed in awe and wonder as God's faithfulness, greatness, kindness, grace, splendor, majesty, and His provision were evident in keeping away the fiery darts of the enemy. Whether in the church, the community, among my family or friends, I've heard strong beliefs and emotions that often shocked me, yet as one person or bad report would attempt to leave us discouraged, the Holy Spirit would shed light on a greater truth to keep us united.

*As I think of what went right this past year I cannot help to think of 'right click'. On-line interactions such as Zoom, Google Duo, and Facetime kept us connected and taught us a new way to evangelize. We actually had a number of new members join this past year as we offered online new membership classes!! Not being able to meet in person pushed us to reach out more than usual. And, right before shutdowns affected our church, two new believers wanted to be baptized, which we did right away with a great celebration both in-person and on-line. I was not sure how the baptisms would go on-line but it was the most watched and interactive service we have posted...in other words it was **Right On!** Soon we were meeting in person again as we mourned memorial/funeral services but also celebrated life with a baby dedication and the restart of fellowship meals.*

Looking Forward with all sincerity we are still recovering this last year's events and simply enjoying the church being open again. As we have been collectively in prayer for protection, direction, and revelation our music director Stephanie Jesko felt inspired to share Hebrews 10:25 week after week until we declared it our anthem for the coming year, "Let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of His return is drawing near." In one of these prayer meetings, I heard the word 'Sasafras' over and over. Having no idea what this could possibly mean I looked it up...Sasafras in latin is 'stone breaking' from the habit of certain plants growing in cracks in boulders. Therefore, as we become more creative in 'meeting together' and engaging the community around us through movie nights and Bible classes we will pray for hard hearts and hope for opportunities to plant seeds that will sprout up in the cracks of boulders.

"May God give you more and more mercy, peace, and love." Jude 1:2

Dale and Sheila Wesley

A look back: This has been a fascinating year as we continued to make the transition from Covid 19. It just seems to be the gift that keeps on giving. The year before forced us to stop some of the ministries we were accustomed to. It turned over the apple cart if you will. But the great part about it is that it has given us the ability to only pick back up what we felt was vital. We slowed down and focused on doing the best with where we were. We had to change the parking lot worship service to 9:30 am because of the summer heat and we found that time frame was best for us. We kept the worship time at 9:30 and Sunday School after worship. We have seen the demographic of people change as some left for other vistas while gaining new people. God has provided for us this year with such awesome sweetness. Having lunch with people and listening to their growing love for God and his people has been like the smell of a sweet rain in a dry and parched land. This last year Sheila and I were granted the ability to spend time on sabbatical. The time to release from stress and grasp the loving grace of God anew gave us a new perspective on life, family and ministry.

A look left: This year I was left amazed at the durability of God's people and the Church. Their faithfulness in financially giving even in some of the most difficult time, warms my heart. I have been moved as men and women started a new journey with Jesus and celebrated by showing their saturation with Jesus in baptism. Easter this year was deep, moving and impactful as our souls were once again rejuvenated by the power of His love for us.

A look right: This last Good Friday service did what it was supposed to do. It helped us to see the awfulness of our sin and the goodness of our rescuing Savior. I normally hold that service very closely, but I thought let's go out on a limb this year, so I went way out on the limb and asked the youth group to play some parts for me. I asked the teenagers to play the parts of some of the characters around the crucifixion like Barabbas and the Centurion. It went "right." I am still getting positive results from that "out on a limb" decision.

A look forward: There have been wonderful strides in our youth ministry this past year with a great team of leaders led by JR Richter. Some of the plans they have to show people of our community the love of Christ are: They are meeting with children at a children's home. And doing activities at a senior center. They are hosting a "food truck festival," not to raise money, but rather it is just to be there and interact with people in our community. They will also learn from God's word through quizzing. We are looking forward to seeing our children continue to make great strides this coming year. Our Children's Church pastor Rev. Mike Chapman is doing more than just Sunday mornings. He spends time in his wood working shop with the children and their parents doing projects that teach about Jesus. This fall we will start a mid-week meal and ministries for the whole family. I have the greatest respect and love for the people of Living Stones. They have been flexible and kind as we navigate the waters of this age, they are willing to help and encourage as we move forward. I also have deep admiration for our District Pastor Dr. Larry Lacher. His care and advice have been much appreciated this year. God has richly blessed us beyond measure. He gives us great reason for hope for our tomorrows.

This past year has been a very difficult one due to my health issues and as our Church continues to recover from COVID. During the Christmas holidays I became ill with what I thought was a stomach bug, but it turned out to be appendicitis. Due to the holidays, it was difficult to find a surgeon and after the appendectomy I developed several abscesses, and it was believed I had a perforated bowel. On one of my trips to the ER in Lubbock TX, the scripture Psalm 23:4 kept running through my mind. I truly felt like I was in the shadow of death, but God kept reminding me that He was with me. So, by the time this 14hr trip to and from Lubbock ER was over, I was healed by the might power of our Savior, Jesus Christ.

Although I have been unable to work in our local Pregnancy Center, Legacy, since January we have several from our church who have stepped into this ministry. As one of the workers told me just recently, "The Church of the Nazarene may be small in number, but big in heart. They get the job done!" My heart was filled with joy that others are carrying on this important ministry in our community.

I have been amazed by the way our church has pulled together during my recovery. Many have stepped up to the plate to fill positions that have been made vacant due to people moving. Once again, our Children's Ministry and Teen Ministry is doing well and growing. God is faithful!

Looking to the future is difficult for me as I am looking to have back surgery and do not know how long I will once again have to be out. What I do know is that our church has a heart for ministry. The Teen's talk about doing park ministry this summer. The Children's ministry is looking forward to Kids Camp as well as VBS and I know that our church will continue to minister in our community through Legacy. My heart is full in that I may not know what the future holds, but my God has it all planned out. It is in His hands.

HOBBS FIRST HISPANIC (PAC)

Pastor: Rev. Juan & Martha Holguin

Rev. Juan Holguin

He's been faithful through the whole year. We have been able to minister to many people. Funerals, anniversary, dedications, quincenaeras. One that comes to mind is the time we dedicated our grandson in Mexico through the internet. It was a first for us. Another time, my wife prayed with her sister about a cancer issue coming back and she was told that her cancer was gone. Sometimes we seem to think that God is not working in our lives, but He's faithful and His mercies are new.

We're looking forward to the new year with high hopes that He continues to use us in one way or another, and to be in the center of His will. We're planning different outreach through the areas of preaching, inviting outside of the grocery stores, the parks, laundromats – taking the church outside of the walls.

I continue to be honored and humbled in my service to Lovington Church of the Nazarene. The people of this church worship with authenticity, serve with abandon, and represent Jesus in the best ways. It is truly my privilege and honor to be called their Pastor.

A look back: *This past year has been a year of recovery, renewal, and restoration. We have seen the Lord work both in grand and subtle ways. We have seen relationships saved, families drawn closer together, and freedom for those suffering abuse. This has been a year of fighting many unseen battles. Mental Health issues have been pervasive and have saturated many of our daily lives. But God continues to work, restore, and give hope.*

A look to the left: *Financial situations have been hard for many churches, especially in light of the pandemic. We were certainly not immune to this. But time and time again God has shown His faithfulness by providing timely gifts, offerings, and donations. I am constantly in a posture of gratefulness as I watch the way the Lord works through all aspects of the church.*

A look to the right: *My account for things that have gone right may sound a little different. We have experienced a lot of trials (both personally and corporately). We have been through a severely damaging hail storm, many major surgeries and health problems, some in financial crisis, loss of jobs, and many others. We have also seen many victories. As I look back on the past year, I am amazed at how well LovingtonNaz embodied the church in the life of its people and community. The group of people that make up this body have loved, served, and come alongside each other and our community every time a trial or a mountaintop experience has happened. It has been so encouraging to see. And honestly, the church being the church is the thing I am most proud of over the last year.*

A look forward: *The future of LovingtonNaz looks like this: We will be a safe place. We will be a place that is not divisive and partisan only to the way of Jesus. We will be a welcoming place for any and all who enter our doors. We will be a place where people can find hope, recovery, acceptance, and restoration. We will recognize that it is not our place to be the gatekeepers of the throne room, getting to decide who is worthy to enter. Instead, we will distribute the same grace that was given to us to all who are willing to enter into His presence. We will be a safe place.*

***A look back:** This past year Portales CON has been without a lead pastor for the second year in a row. However, God has been faithful as His people stepped up. The church has continued to move forward with ministries such as being involved at ENMU’s freshman orientation weekend, having multiple baptisms, accepting new members, and weekly services. In addition, the board interviewed several pastoral candidates. Toward the end of the church year, the church called my family and me to join them as we serve alongside each other and continue the great work God has been doing through Portales CON.*

***A look to the left:** God has been faithful, particularly with His provision. Through God’s leading I stepped in as interim pulpit supply as the congregation continued their second year searching for a pastor. Although I had been asked previously to pray about putting my name forward, I had not felt it was God’s plan at the time. However, this past January, that began to shift drastically and quickly. It has been truly amazing to watch God provide not only for the congregation, but for my family as we have said yes to this new adventure with Portales CON.*

***A look to the right:** The way in which Portales CON has continued to push forward this past year has been incredible. One of the highlights has been the fact that, even without a lead pastor yet, they still wanted to move forward with a full Easter service which included worship in music, special song presentation, and more. It was so encouraging, and clearly a work of God, to see the sanctuary filled to capacity and to know that God was continuing to work in this congregation.*

***A look forward:** As I step into the role of leading this congregation, I am looking forward to strengthening and growing the current ministries through leadership development, curriculum selection, and consistency. I believe this will lead to greater community outreach specifically in the immediate neighborhood of the church. By next summer, I envision a summer full of activities within the community such as weekly youth ministry in a local park, VBS-like weekly children’s nights, and a weekly adult community service outreach to our neighbors all culminating in a large community back-to-school bash. I continue to pray and hope that this community will know who Christ is through our love and engagement in lives.*

LAS CRUCES FIRST CHURCH

Pastor: Wade Elftman

Jayme, Gavin, Riley, and Wade Elftman

This year at Las Cruces First has been a year of celebration. We celebrated the completion of the Faith Project. This was a five-year plan to intentionally invest in growing our relationships with the Lord, extending the ministry of the Church in our community, and investing in our building for the future. God helped us see this project through in ways that we never could have imagined, meeting and going above our goals in every area.

God has been faithful to our Church with the addition of several new families and ministry partners who have become a part of our family. This includes the addition of our Associate Pastor Rev. Perry Windecker from the Arizona District, who has been a huge blessing to the ministry of our Church. God has been working in and through our youth in an amazing way. They are growing in the Lord and taking on ministries within the Church. One accepted a Call to Missions this year at Teen Camp and we took 6 of our youth, all under the age of 18, into membership by profession of faith.

One area that has been hard for us to stay engaged in over the past few years has been our outreach programs and events. We have had to be very flexible and creative to keep these going. However, this April we took a leap of faith as we felt God was calling us to start back up our annual community Easter egg hunt, and despite all the questions and concerns, it was a huge success. Armed with 5,000 Easter eggs and prizes, the community was very receptive and grateful to see us doing this kind of event again. For us, it was such a blessing to be back out in the community as the hands and feet of Jesus.

This year, we are starting a new three-year project called the Sower Initiative. It is our goal and desire to plant the seeds of the Gospel by tending our own soils, spreading the seeds all over the different soils in our community, and cultivating these seeds into the body of the Church. For we are convinced that the mission of God in Las Cruces is to continue to be a people who love the Lord our God with all our heart, soul, mind, and to love our neighbors as ourselves.

A look back: Our congregation certainly experienced miracle type blessings during 2021 and 2022. Four of our members experienced the Corona Virus and recovered, but one that recovered not only had the virus but suffered a massive cerebral hemorrhage (stroke) at the same time. Usually a stroke of this magnitude leads to death or a vegetative state. No death and no vegetative state! A true healing! It goes without saying, God is truly faithful. (1 Corinthians 10:13)

A look to the left: With all of the sickness, financial obligations, local and state political issues, undesirable weather patterns, national and world issues and personal experiences of the pastor, the Mountain View Church of the Nazarene is definitely amazed at how God has helped the church to maintain its Christian integrity. (1 Corinthians 15:58)

A look to the right: We did not have to close our doors during 2021 because of the pandemic. We did not miss a Sunday morning worship service. Other than our Sunday morning service, our mid-week service on Wednesday has grown in attendance. We gained six new members! One thing that was implemented in our Bible Study, was each student presented a Bible lesson. It was a success. The one main thing I did and admonished the members to do was use the blessings received to help persevere onward.

A look forward: "Create a sense of urgency" to reach out to the Silver City community. The harvest is very plentiful and we are aiming to reach all "souls" regardless of age or cultural status.

***A look back:** One of the ways that God keeps working a perpetual miracle in our midst is the way He continues to use this small congregation to disciple others. Not only disciple others, but to disciple those that He has called into ministry. One example that has been amazing is how God has provided for the discipleship of Josiah, a young man who has had a call from God on his life since he was 7 years old. That young man is now attending Trevecca Nazarene University, learning from the likes of Tim Green, David Sander, Ray Dunning, and more. The shy kid that left to attend college, with no money of his own and no job, has blossomed into a social warrior; he is making connections that not only enrich his spiritual journey, but also enriching the journeys of others. Moreover, God has provided every financial need and more, such as opportunities to travel and experience families who have generously showed him the hospitality of the kingdom.*

***A look to the left:** During the COVID pandemic, our church saw attendance drop. We were worried for the financial survival of the T or C church. By prayer we did all we could, trusting God to take care of everything. Giving to the church shot up and increased over the previous years. This past year, as we were coming out of the pandemic, attendance began to creep slowly up. However, giving to the church has all but disappeared. Despite this transition, God has provided everything that we need. Yes, we have had to make sacrifices, but God still reigns.*

***A look to the right:** Our people have been making new connections within the community. These relationships are not based on ulterior motives, not even evangelism and outreach. Instead, we are learning to make connections because we genuinely care for people. And these friends are people that will remain friends even if they never profess Jesus and/or become a Nazarene. These are people that are concerned for one another and tend to watch out for each other's needs. It is not perfect. There is friction at times. Yet, even among the abrasiveness, there is care. We are learning to advocate for justice for all.*

***A look forward:** The downtime of pandemic and the slower pace gave us more time for prayer and reflection regarding God's direction. God has given us a clear path forward with some specific assignments for each of our leadership team. We have a young person that has volunteered to step up and take lead of our NYI within the T or C congregation. She has also felt led by the Holy Spirit to be a liaison between our church community and young people within our community that are struggling with social issues, family trauma, sexual identity, and those that have spiritual questions. Our Family's Pastor has been responding to God's urging to reach out to marginalized persons within our county, especially those affected by domestic violence. And the work of our Lord in our midst is boundless.*

A look back: I start off with this scripture "For all things are possible to him that believeth." (Mark 9:23) God has done some great and amazing things that only He can do. Early this year we had a lady named Gloria attend our service. As I preach on the last chapter of James, verse 14 says "Is anyone among you sick? Let him call for the elders of the church, and let them pray over him." We had an invitation to be anointed with oil and pray for healing, Gloria came up and asked to pray for a surgery on her hip. She mentioned that some x rays had been done that found she had several issues and the surgery would not take place till those things were dealt with first. We gathered and prayed for healing, I said, "do you believe God can heal you?" She answered "Yes" and I replied go tomorrow to your appointment and all will be gone and you will have your surgery done, she came back the next Sunday and testified that they found nothing. She had her surgery that next week and was told she would have to wait three weeks before she could walk again, but she came to the service walking the next Sunday and accepted the Lord. On May 22, 2022 she was baptized and is a new believer.

A look to the Left: This year has been very interesting indeed, we know that God has been with us. I write this not to share our problems and concern's but rather how God showed up in this circumstances. We had another tough year financially and on top of this we had things like a leaky roof and three AC units give out. As great as insurances are, we all know they never cover the full expense. This is where God stepped in. As I was outside of the church with one of our members, someone that I have worked with in the past stopped by the church. His name is Chris. He mentioned to me that he had just started his own refrigeration company. I laughed because that was exactly the issues we were dealing with. He blessed us by getting those issues fixed at a very low cost. I am always left amazed at the things God does when we learn to be dependent upon Him. In the middle of our struggles and doubts, He does things that encourage you to continue to move forward.

A look to the Right: Well, what can I say, everything has gone exactly the way God has planned it even in the highest hills and deepest valleys. He is in control. I believe that one of the biggest blessing and things we have done right this year for sure is that we have started this year focused on prayer. We do a prayer service every last Sunday of the month to pray for not only the church but our district, our city, our state, our country, and most importantly the salvation of those who don't know the Lord. It has been a great delight to have our church stick to prayer and not be distracted like in the past. I truly believe that this has changed everything. We have had ladies from our partnership with (Alas Nuevas) the recovery program upstairs surrender to the Lord and some even have become part of our church after finishing the ninety-day program. We are working in partnership with a messianic Jewish group that has had a hard time gathering and First Church has become a blessing to them.

A Look Forward: We expect to have a great year coming up, as we have gotten back up on our feet. Our hope is in Jesus Christ, the maker of all things. This year we hope to continue to have our Basic Basketball Training Program running throughout the summer. We look forward to being more involved in our community as we are making more connections with our neighbors.

EL PASO IMAGINE

Pastor: Chuck Parish

A look back: Jason came onto the grounds and asked me to pray for him. He was 45 years old. When I asked him what his prayer need was, he responded, "I'm going to heaven today." He was clearly suicidal. The Holy Spirit spoke to me and assigned me responsibility for him. I gave him \$9 which was all the cash I had available. I watched him as he sat down on the sidewalk, and I continued to pray for him. I watched him get up and put something under a rock on the inside of our fence. I walked out to the fence and there was my \$9 neatly tucked under the rock. He had written a note on the front of the first dollar bill which read, "I can't take this." I found him and we sat on a city bus bench and he poured out his heart to me. He had walked from Santa Fe, NM to El Paso to work for a carnival. He had been promised a job, but the job was not there, and he had been treated badly during the past 3 days by everyone he met. He was at the end of his rope. He said he had a carnival job in New Orleans, but had been trying to hitch a ride for days and no one would stop. Immediately the Spirit told me that I was responsible to get Jason to New Orleans where he had a job waiting for him. I took Jason back to the Church, got him some pants, a shirt, some underwear and a new pair of shoes. Then we drove downtown and got him a bus ticket. I told Jason that I did not want him to remember me, but that I wanted him to remember the bus ticket. I wanted him to remember the ticket because it would remind him that God knew who he was and was always watching out for him. I thank God for His Holy Spirit. I thank God for always speaking clearly to me. I thank God for allowing me to help another person. I thank God for sending Jason to me today. I know God saved a life and a soul!

A Look to the left: We have a Community Garden which provides fresh produce to young families with children in our neighborhood. We have only been able to grow in the summer months. I have been praying for a greenhouse. In March, a Church from Kansas purchased a greenhouse for us and then sent a team to erect it. We will now be able to grow year-round! God listens and answers prayers!

A Look to the right: We held 11 Giant Give-A-Ways this past year. We provided more than \$200,000 worth of goods to the Community. Our Clothes Closet and Food Pantry have been another blessing to the community. We have been able to lead 8 people to Jesus this year through this ministry.

A Look forward: The Imagine Church held it's first service on April 2nd. We have been "meeting needs, making friends, and now are connecting these friends with God!" Our community is responding to God's love and now people who were recipients have become volunteers – helping others.

EL PASO MONTWOOD

Pastor: Jon Stout

Gretchen, Garrett, Jon, Grace, and Kim Stout

***A look back:** As I look back over the past year, I cannot help but be grateful for God's work in the hearts of the Montwood family that makes them one in Spirit and truth. There is a love, peace and unity that can only be the hand of God and the obedience of people who love Him and one-another.*

***A look to the left:** To pick just one thing that has left me amazed is a challenge. I am truly grateful for those who accepted new leadership roles and overcame their anxiousness about the responsibilities. God has used them and they have experienced joy and fruitfulness in their service.*

***A look to the right:** Having served Montwood for 23 years, there was nothing new in the way of challenges. I learned from a great pastor that we serve a promise keeping God, and so we should be promise keeping people. I have taught that principle and worked to be an example of that conviction. The MCN continues to give of themselves and their resources faithfully, and I am overwhelmed that even in a crazy economy they are so generous to meet every need.*

***A look forward:** We are looking forward to the possibility of two new ministries. One will be a recovery ministry those struggling with addictions. I have someone who is ready to help form and lead this ministry who has experience from the church he attended in Washington. The second is one to provide an alternative means of education for children who aren't getting what they need in public schools. The church board embraced the idea unanimously, and we are praying for God to give us direction and the people needed. If it is God's will, it will happen in His timing.*

A look back: As we went through discouraging losses of beloved members through death, God's miraculous provision over the past year has been the people who have remained faithful members of the community, especially the board members. I am grateful to the board members who have led through this COVID season and have graciously volunteered to work with others to support the ministries at OGC.

A look to the left: Despite the competition for quality people, Wee Care Daycare has new leadership, and we were able to retain and find qualified staff with a heart to minister to children and each other.

A look to the right: Is a shepherd without sheep a shepherd? As we conducted services in the empty sanctuary on Sunday morning, this is the question asked. Since the sheep were not in the sanctuary, God provided people with the technical expertise to reach them in a new way, and in the process, we came not only to those who chose to stay home here in El Paso but also to members who are spread around the country. Those that joined us through our video broadcast are affectionately known as our "pajama congregation." What also went right this year is that God provided Pastor Wayne Minyard and Pastor Chuck Parish to walk through this year with our Pastor and provide encouragement and insight.

A look forward: Earlier this month, the Open Gate Church (OGC) entered a season of prayer for protection, guidance, and revelation, and looking into the new year, we are echoing the prayer that Jehoshaphat uttered when facing an overwhelming enemy "...We do not know what to do, but our eyes are on you." (2 Chronicles 20:12b). Maybe by the time the Handbook is published, God will have provided OGC His vision for the way forward, but as of now, we stand before the altar.

HOSPICE CHAPLAIN REPORTS

New Mexico
CHURCH OF THE

District
NAZARENE

HOSPICE CHAPLAIN

Jaycob Blea, Hospice Chaplain

Greeting New Mexico District and Assembly,

This past year has been a great experience being able to share Jesus with those who are at their end-of-life journey. It becomes more apparent to many hospice patients at the end of life that what happens to the soul is important.

One of those stories is about a patient I met during my chaplain ministry. All our patients are assigned to individual chaplains and my purpose for taking on this specific patient was to calm him down and keep him in hospice. Who would have thought that a friendship would bloom from this encounter. This patient was as former Muslim but during his time in America he has been seeking the truth. I shared with him the story of Jesus Christ, and his wife who is a Christian, would nod in agreement with what I was sharing. The patient's biggest question was "How can a loving God love and forgive someone like me?" From this point on and every visit after I was able to share about God's great mercy on his children. On Sundays when the patient felt well enough to travel he and his wife would attend church at Rio Vista. Other times he would watch the live stream. At the end of his life he was filled with peace and joy and would tell me often that our first visit was not an accident but was perfect timing from the Lord. After this patient passed away, his wife started attending the Rio Vista Church and has since become a member of the congregation.

This is one of many stories we can tell you in chaplain ministry. Although challenging at times, it never stops being a blessing to serve.

In Christ,

Pastor Jaycob Blea, Hospice Chaplain

HOSPICE CHAPLAIN

Dennis Durfee, Hospice Chaplain

Greetings in Jesus' name.

During this past assembly year, I have continued serving as a hospice chaplain for Kindred Hospice in New Mexico in Lea County. Part of my hospice responsibilities have included providing spiritual care and emotional support to terminal patients and their families. Numerous hospice visits have been made, and ongoing grief support group meetings have been conducted. The attendance at grief support meetings has increased to an average of 20 seeking grief support. Also, grief support letters have been mailed each month to bereaved patient families. Several funeral services were conducted for patient families, and funeral services for the community. I have attended weekly interdisciplinary hospice meetings that included Physicians and clinicians. Quite often, I have provided pastoral care and emotional support to the other hospice team members. I have been leading a weekly group prayer meeting with my other Kindred Hospice team members.

Occasionally I have been called upon to translate for our Spanish-speaking patients.

Apart from my hospice duties I also served a part-time ministry role at Northgate Church of Hobbs, NM. Where I have preached many sermons, and Sunday School lessons. I made pastoral visits to parishioners both in hospitals, homes, skilled nursing facilities, and independent living facilities.

Also, since New Year's Eve we have been hosting a Spanish-speaking congregation in our church facility.

Between hospice and church ministry some have accepted faith in Christ; while some have been encouraged during one of the most crucial times of their lives.

Respectfully and sincerely submitted,

Dennis L. Durfee, Chaplain Kindred Hospice

HOSPICE CHAPLAIN

Rev. Stephen J. Lord, Hospice Chaplain

Dr. Carla Sunberg, Dr. Larry Lacher, Delegates and Friends of the New Mexico District,

March 28, 2022 marked seventeen years, five months, and 16 days that I served as a Hospice Chaplain in the southeast corner of New Mexico in Lea County. It has been an exciting, rewarding, and challenging journey to have represented both you and the Lord during these years of ministry. I have endeavored to be the hands and feet of Jesus walking with my patients and their families through terminal illness and the grief process. Included in that process were letter writing, handouts, personal visits, and phone calls. This past year working part time, I made 365 personal visits, traveled 3,696 miles and spent 1,114 hours in office and visiting patients. I have enjoyed leading them through prayer to the throne of grace where they found grace, comfort, and strength to help them in their time of need. I have preached in two of our churches on the District.

As I close this chapter in my ministry, I look forward to what God has in store for my wife, Kathy, and me in the future. It is my prayer that we will always be an instrument of His love, grace, and peace wherever He may lead us.

Respectfully Submitted,

Rev. Stephen J. Lord, Chaplain

Church Planter Support and Communication

If you are a Church Planter or potential church planter on the NM District and you have not yet connected with us through our GroupMe chat group, download the GroupMe app or log in at groupme.com and email Pete Myers at PastorPete@ABQNaz.org to be added to the group. Please include your cell phone number in the email.

CHURCHES PLANTING CHURCHES TRAINING

"Our mission in the Church of the Nazarene is to make Christlike disciples in the nations. Here on the USA/Canada Region, we believe we must continue planting churches that create opportunities for disciple-making. Please prayerfully consider how God might be calling you to join this church planting movement!"

Please join us for this two day event.

Date: Friday, July 22, 2022; 5:00 pm to 8:30 pm
Saturday, July 23, 2022; 9:00 am to 5:00 pm

Location: Colorado Springs First Church of the Nazarene
4120 E. Fountain Blvd. Colorado Springs, CO 80916

Cost: \$30.00

Exponential 2023

Exponential is the premier church planting conference. It has excellent speakers and workshops and amazing worship. Additionally, the Nazarene Association of Church Planters (NACP) meets during this conference every year. Plan today for next year's conference. Prices increase as the conference gets closer.

In March, I announced a last-minute DCPI training that was scheduled for April. The Colorado district decided to reschedule it for July in order to enable more people to plan and have access to the training. There is a DCPI training in Colorado Springs, being offered by the Colorado District Church of the Nazarene. We have been invited to take part. They have shortened the format to finish in just 2 days in order to make this training more accessible. Please visit <https://www.conazarene.org/> to register.

Join Thousands of International Students Turned Church Planters for Christ

This has not been used to train how to plant churches where you are. It is a building on a hill, in a park home, or a beach, or over the sea.

Online Training

DCPI just launched their new online training platform. Courses are offered in self-study format as well as "coached" format which includes interactive sessions with the trainer. Currently the first few courses are available and additional courses are in development.

Church Planting Assessments

In May, we had 4 potential church planters from the NM District Assessed at a church planter assessment. There are additional events coming up in Kansas City and Ohio AND we are working to host an event like this on our district. **This assessment is the first step toward planting a church!** If you think God might be calling you to plant a church, contact Pete Myers today (505-321-8635 or pastorpete@abqnaz.org) to get signed up for the next available assessment.

MAYBE YOUR grandchildren are your calling ...

Your relationship with your grandkids is special and you are uniquely positioned to have an incredible influence in their lives.

CULTURE SAYS it's time to take it easy and enjoy spoiling your grandchildren.

BUT THE BIBLE SAYS Christian grandparents have a higher calling.

No matter the obstacles that stand in your way, Legacy Coalition offers resources and events to help you grow in your biblical role so you can have a greater spiritual impact on your family.

You are so much more than a babysitter or buddy to your grandchildren. You are a Christian grandparent and you have a higher calling.

Visit LegacyCoalition.com

to start your journey toward greater spiritual influence in your grandkids' lives.
