With Carrie Wisheart

Carrie Wisheart can best be described as creative, energetic, and in relentless pursuit of Jesus Christ. She is a mom, wife, worship leader, song writer, prayer warrior, author, high school educator, and speaker. In every area of leadership Carrie's life reflects her passion for knowing God and leading others into His life changing presence. With the use of interactive methods, media, and humor, Carrie communicates the love of Jesus in a relevant, adventure-filled, and transformational way. Carrie holds degrees in Vocal Performance and English Education from Olivet Nazarene University as well as a master's degree in theatre from the Ohio State University. The most important people in her life are her husband and daughter. Carrie has been a tremendous ministry partner to her husband, Brady for 17 years. They are currently serving in Fort Wayne, Indiana, where Brady is senior pastor at Grace Point Church of the Nazarene.
